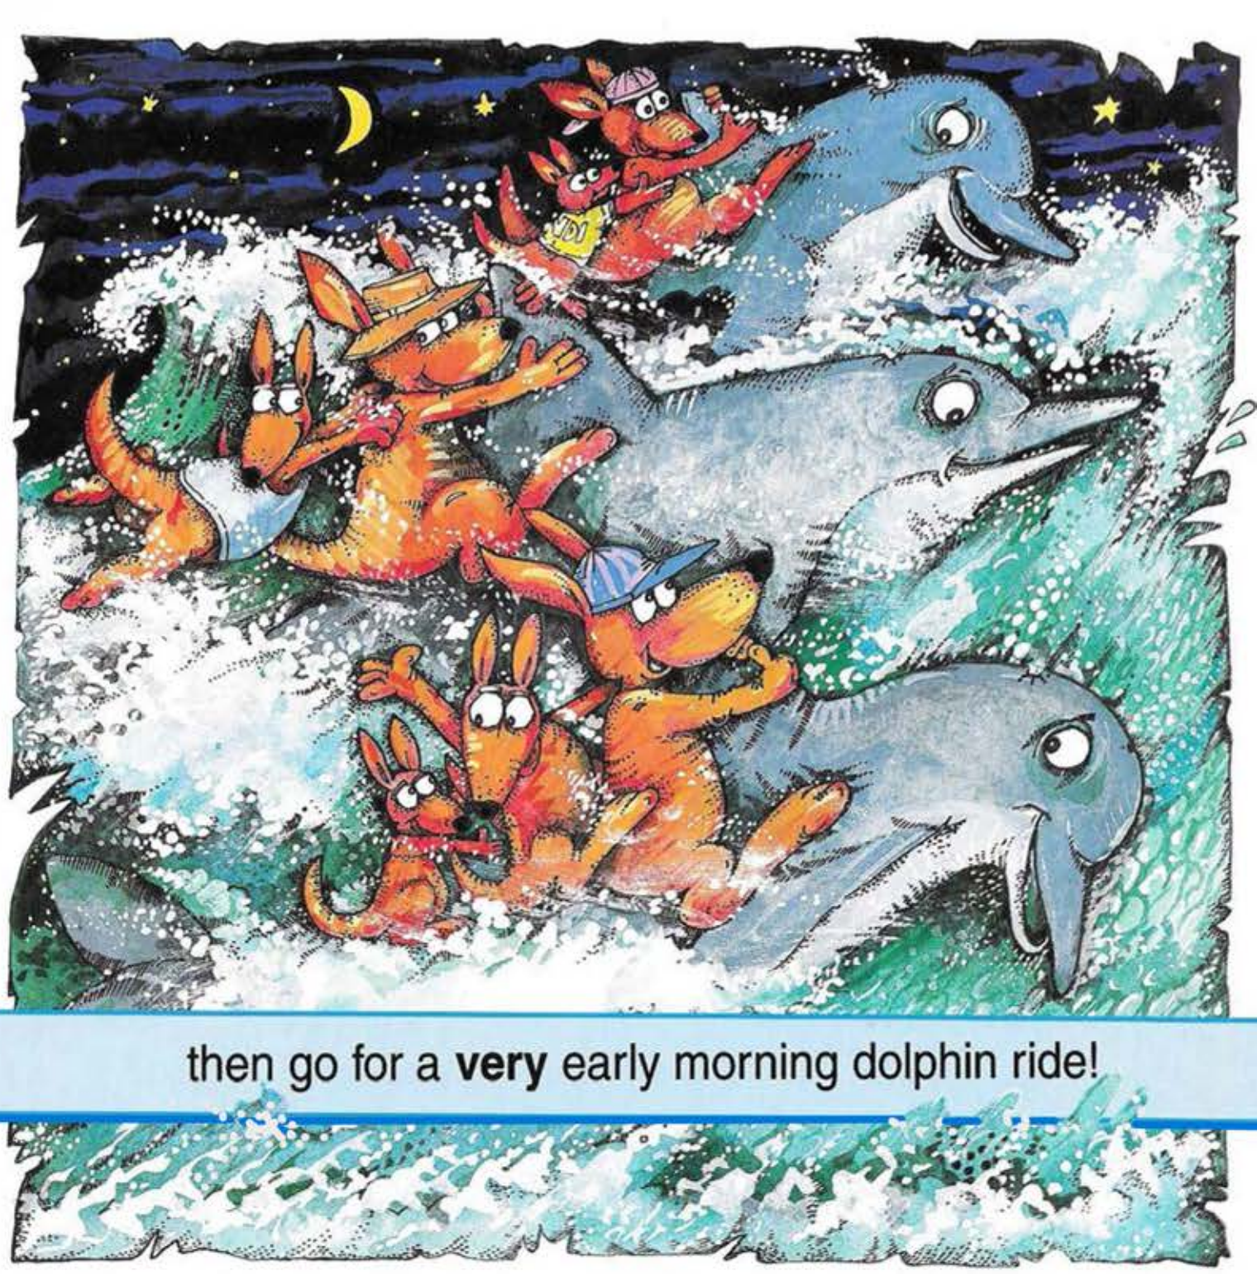
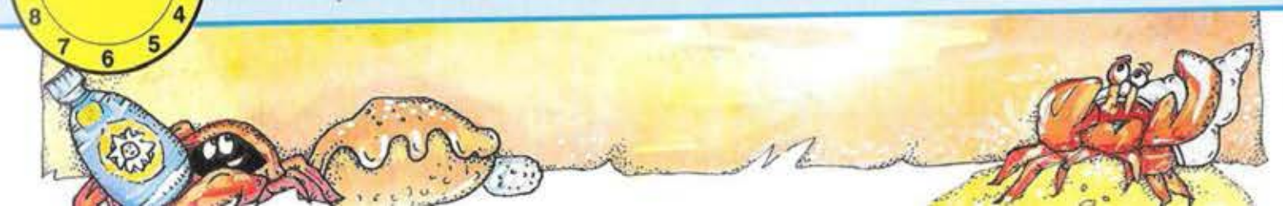
The kangaroos toast marshmallows ...

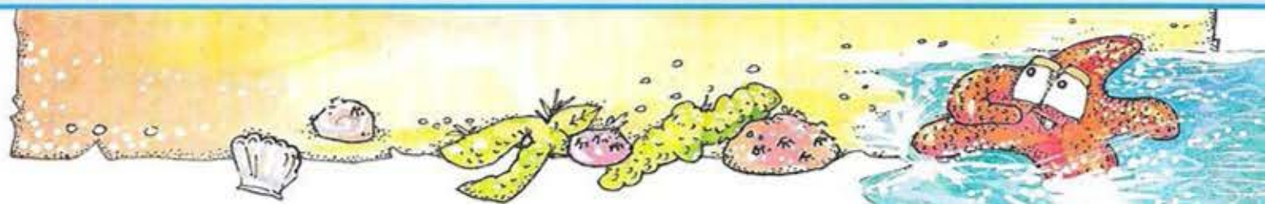


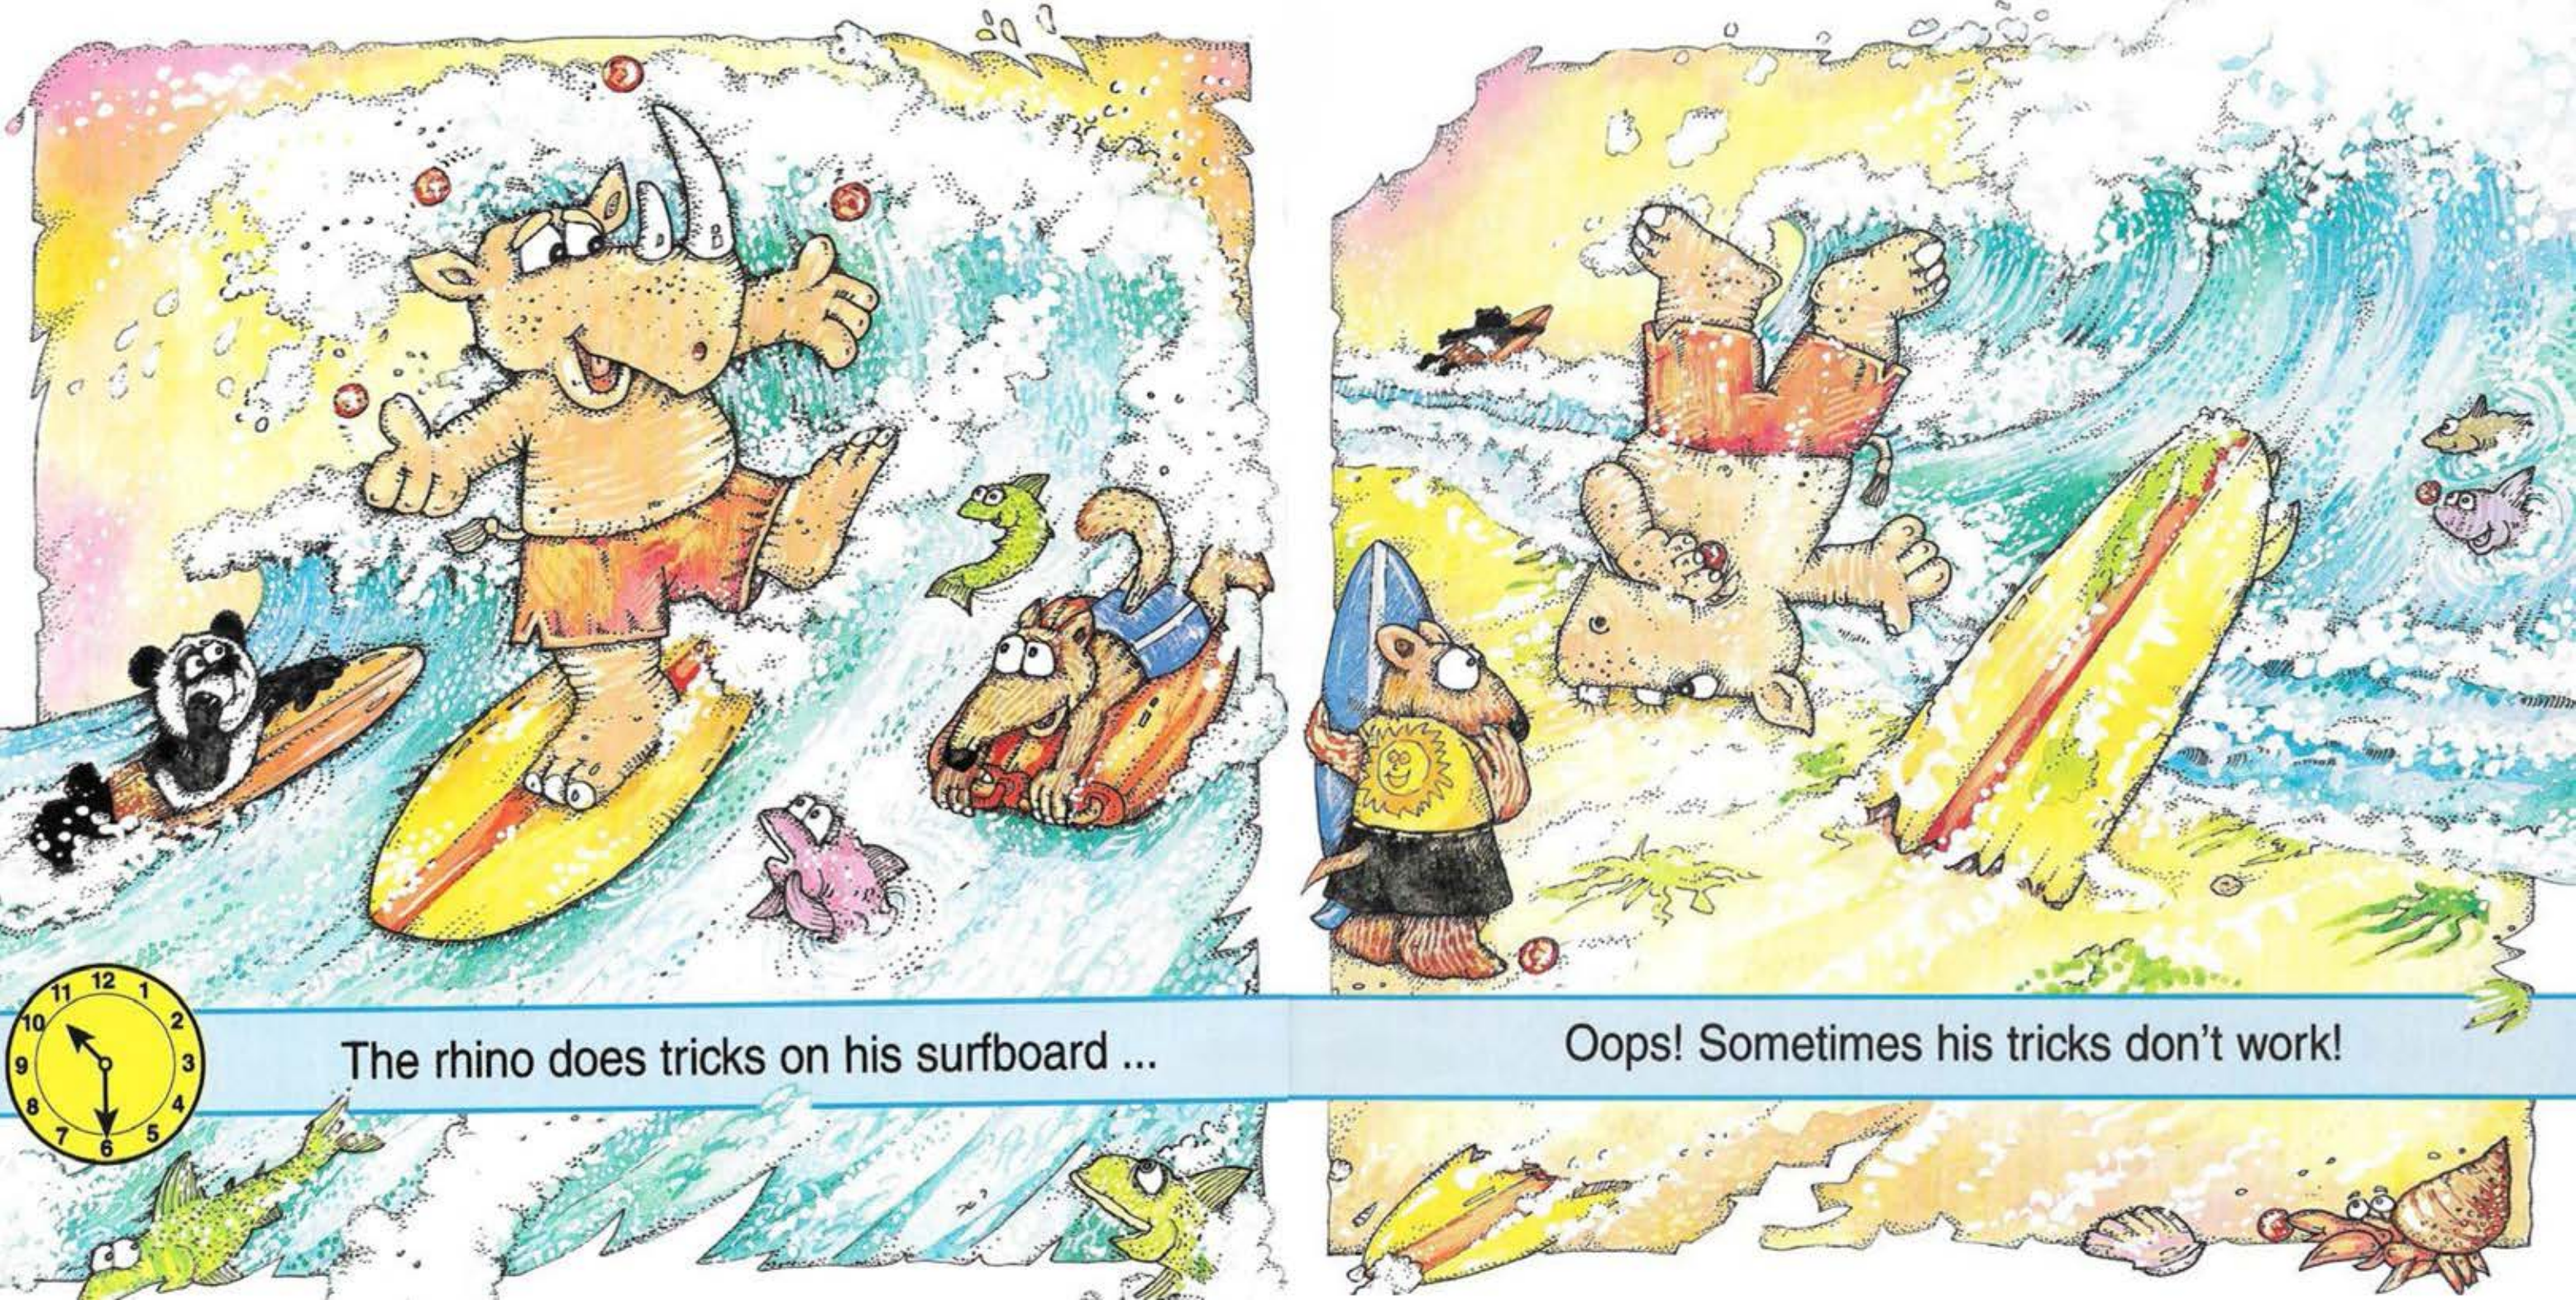
then go for a **very** early morning dolphin ride!

The big bears carry **all** the beach stuff ...



The bouncy baby bears don't bother!

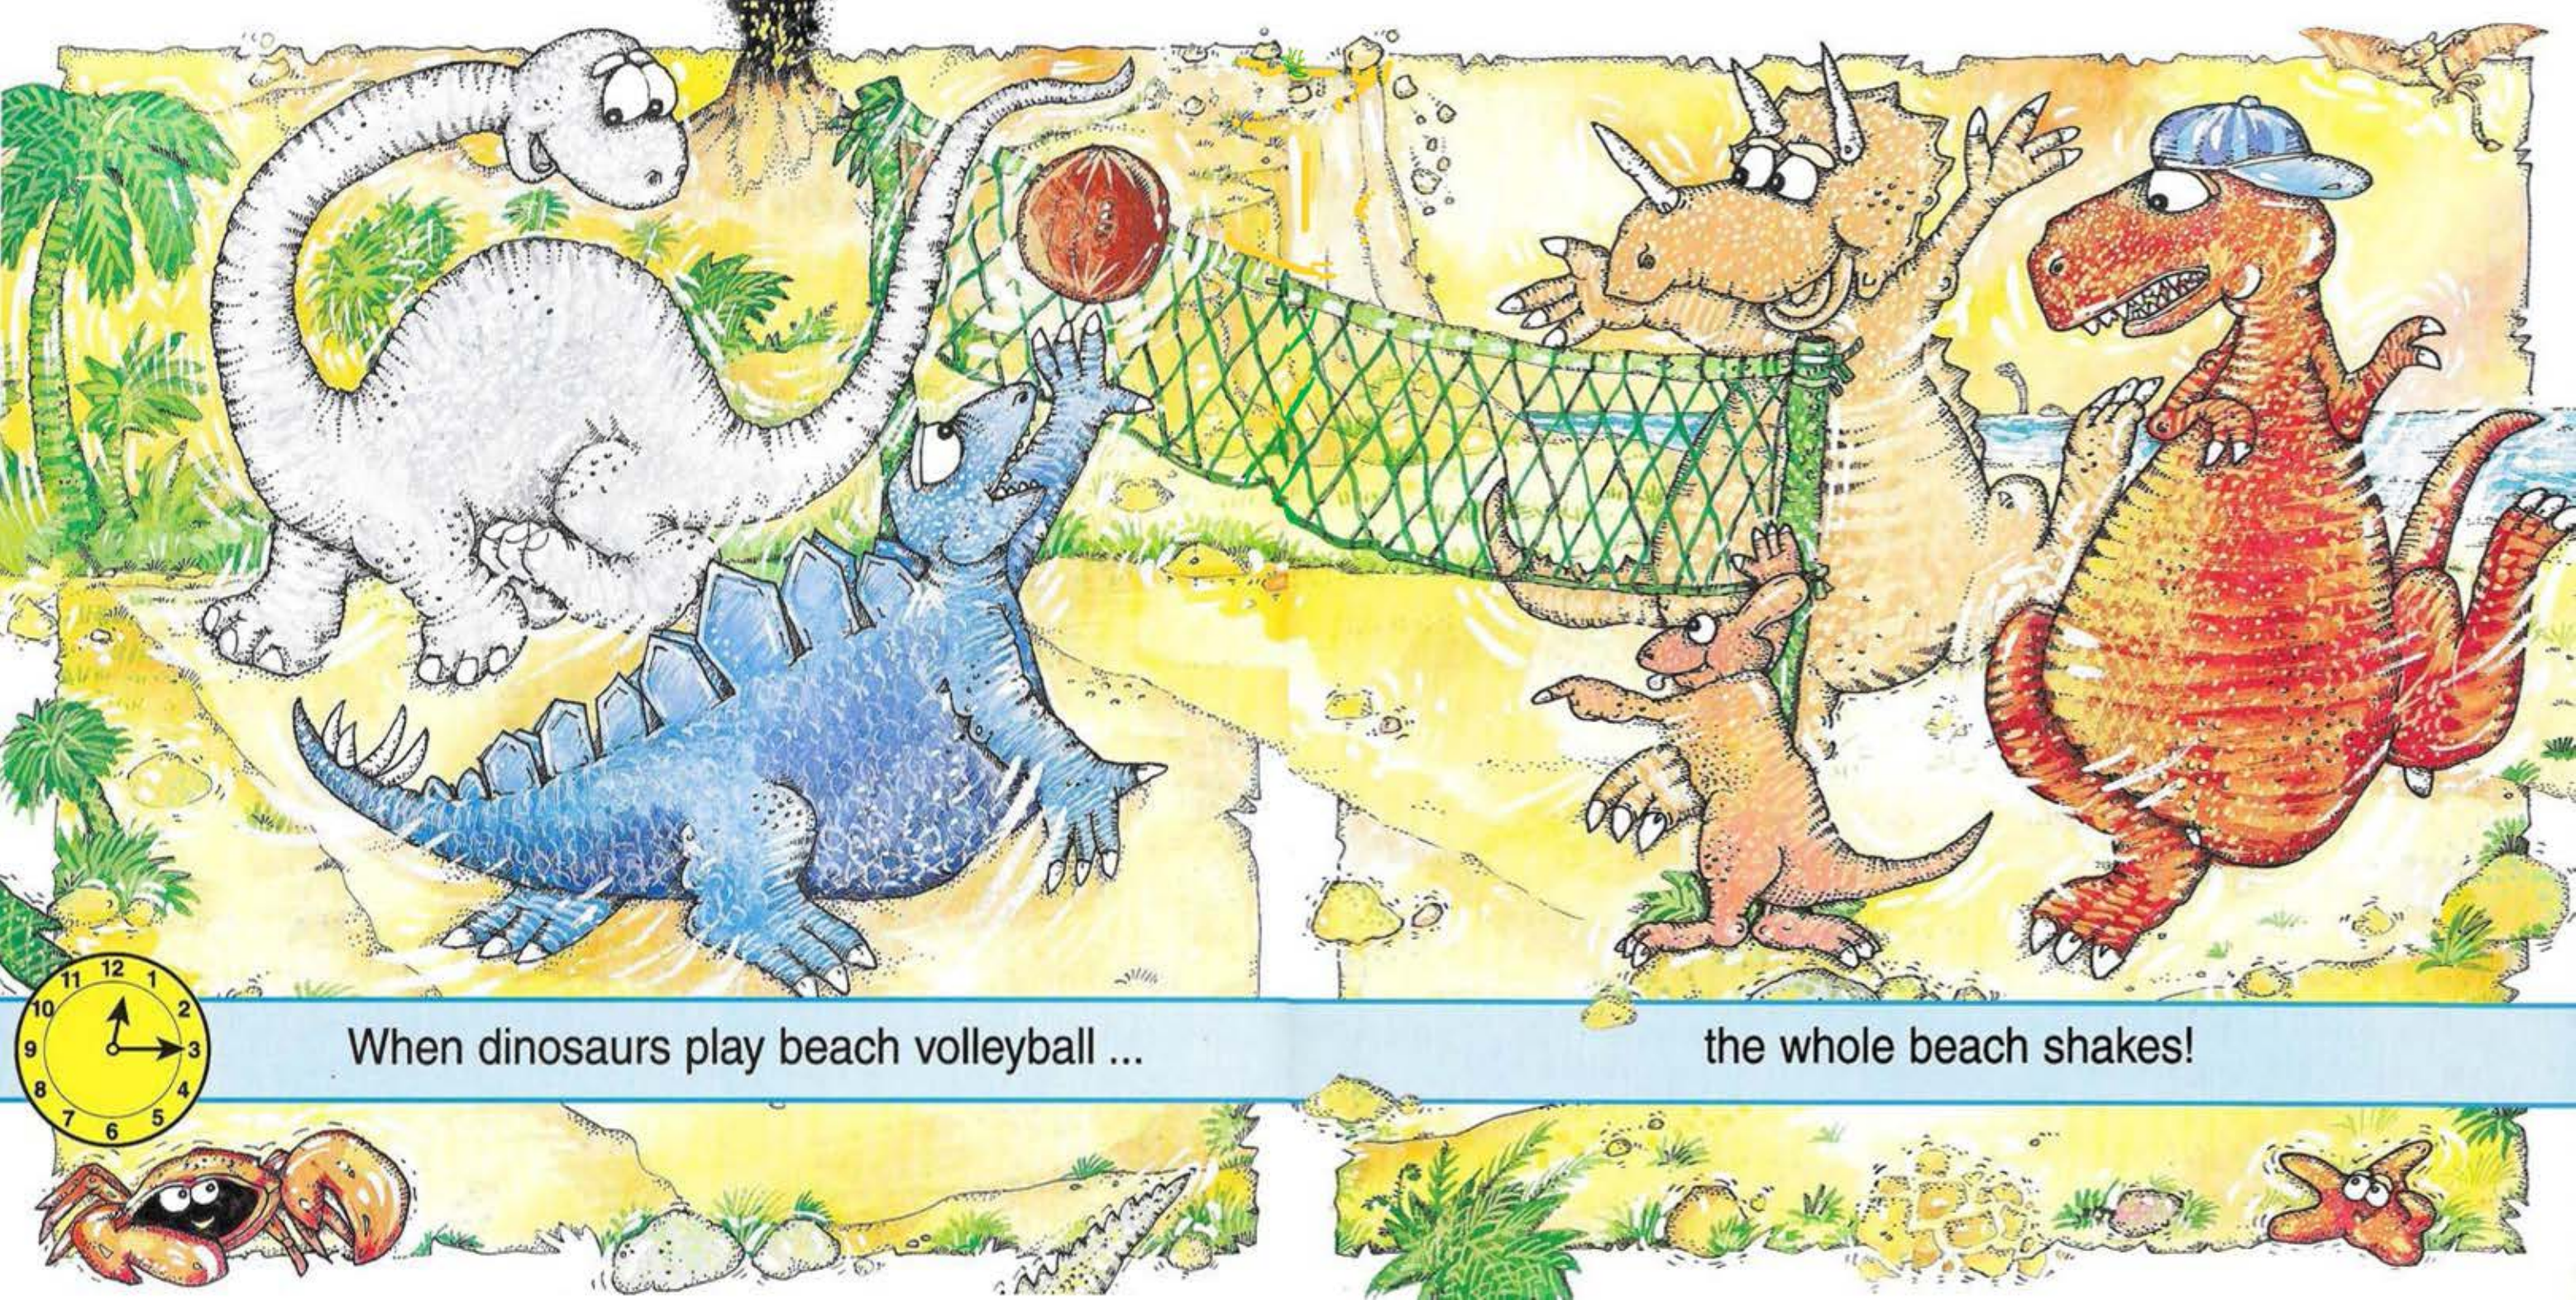




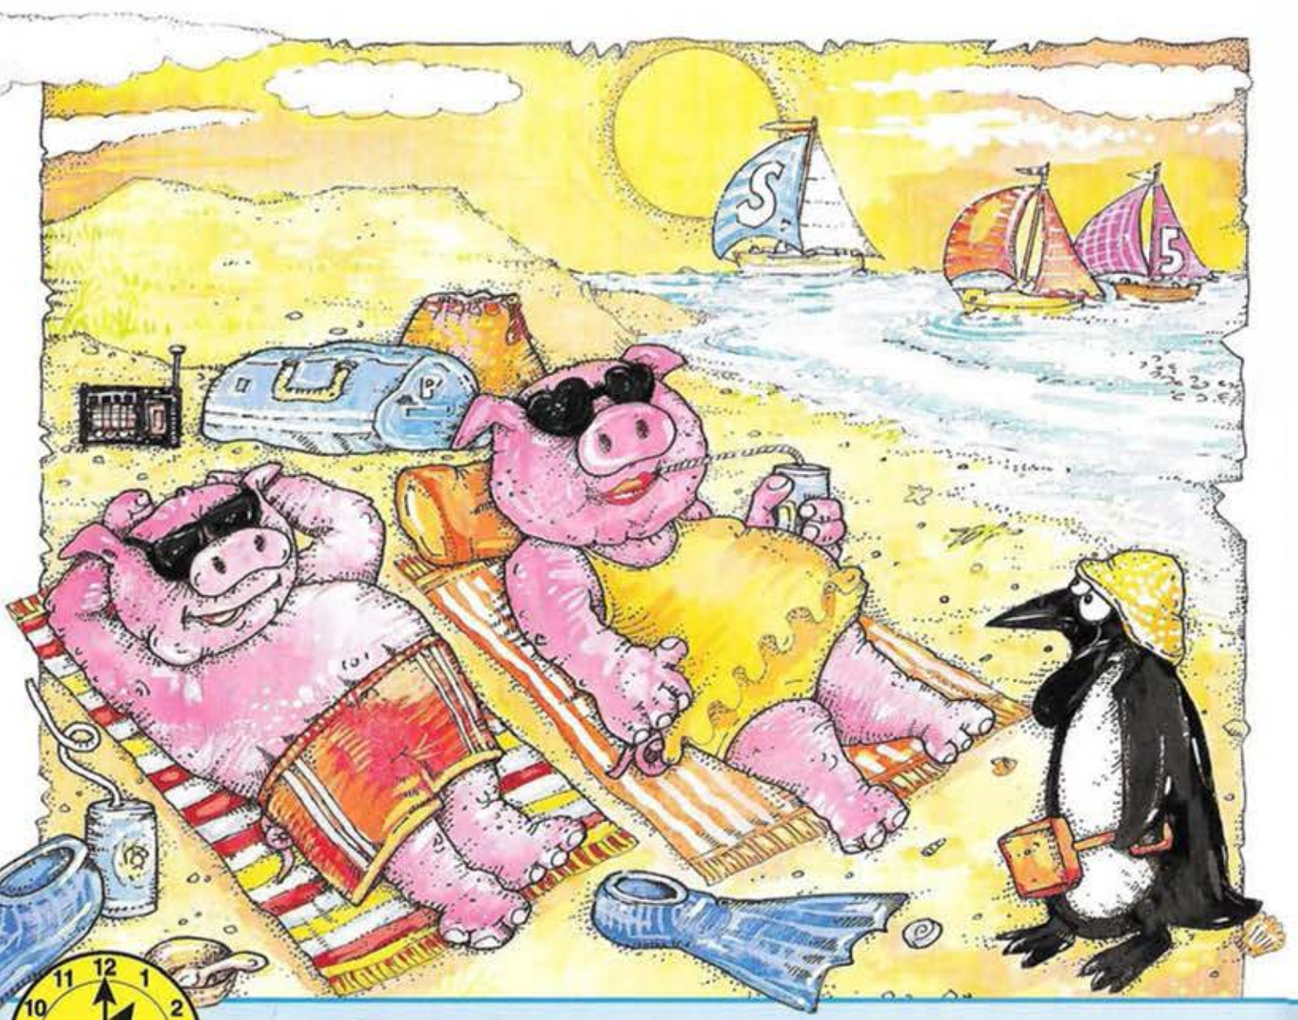
The rhino does tricks on his surfboard ...
Oops! Sometimes his tricks don't work!

Most hermit crabs live in small homes ...

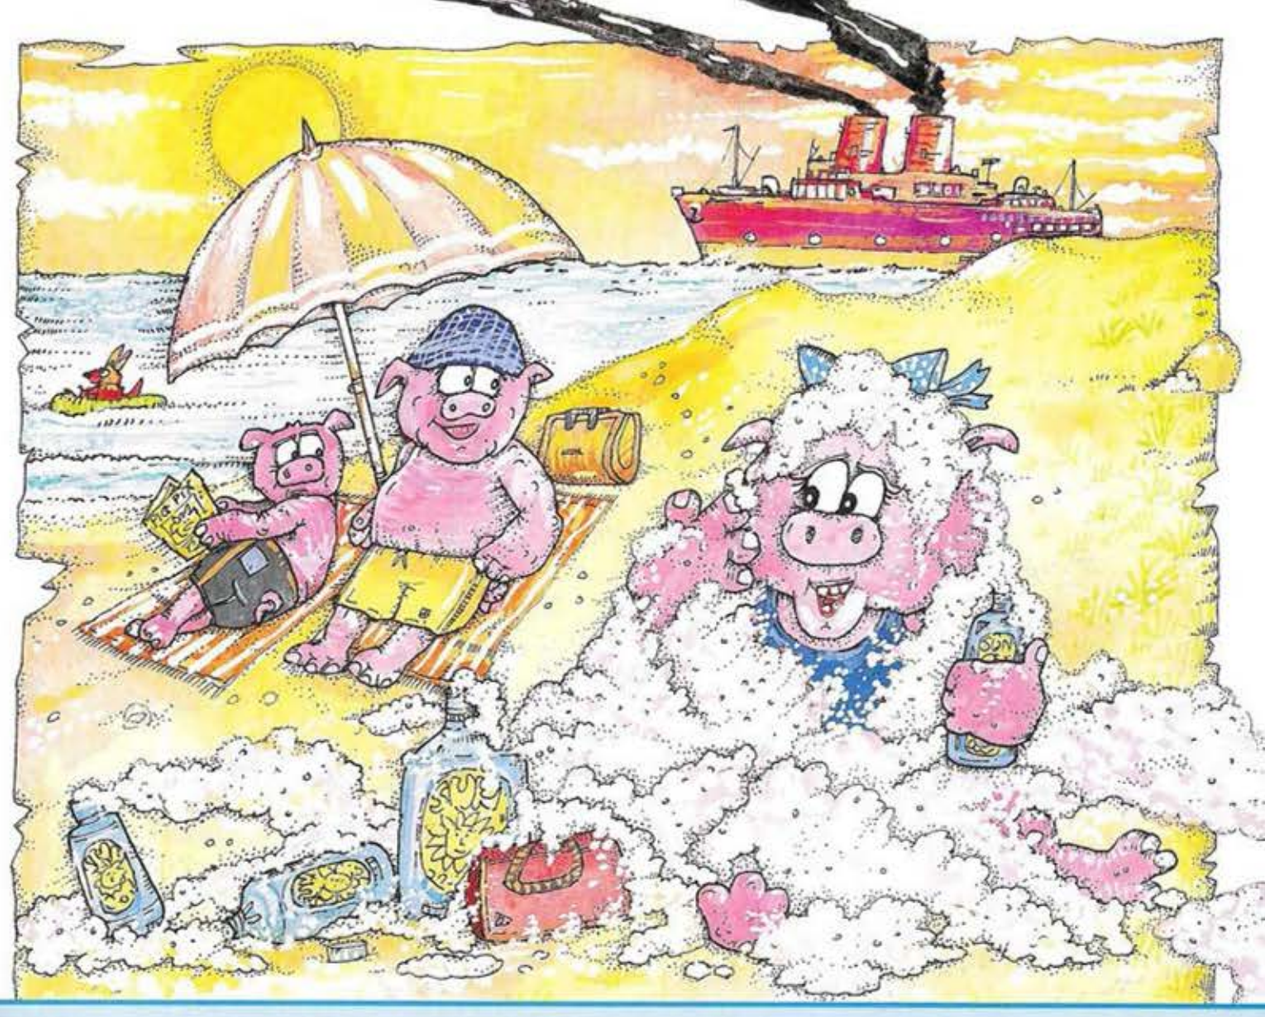
others prefer luxury units!



When dinosaurs play beach volleyball ...
the whole beach shakes!



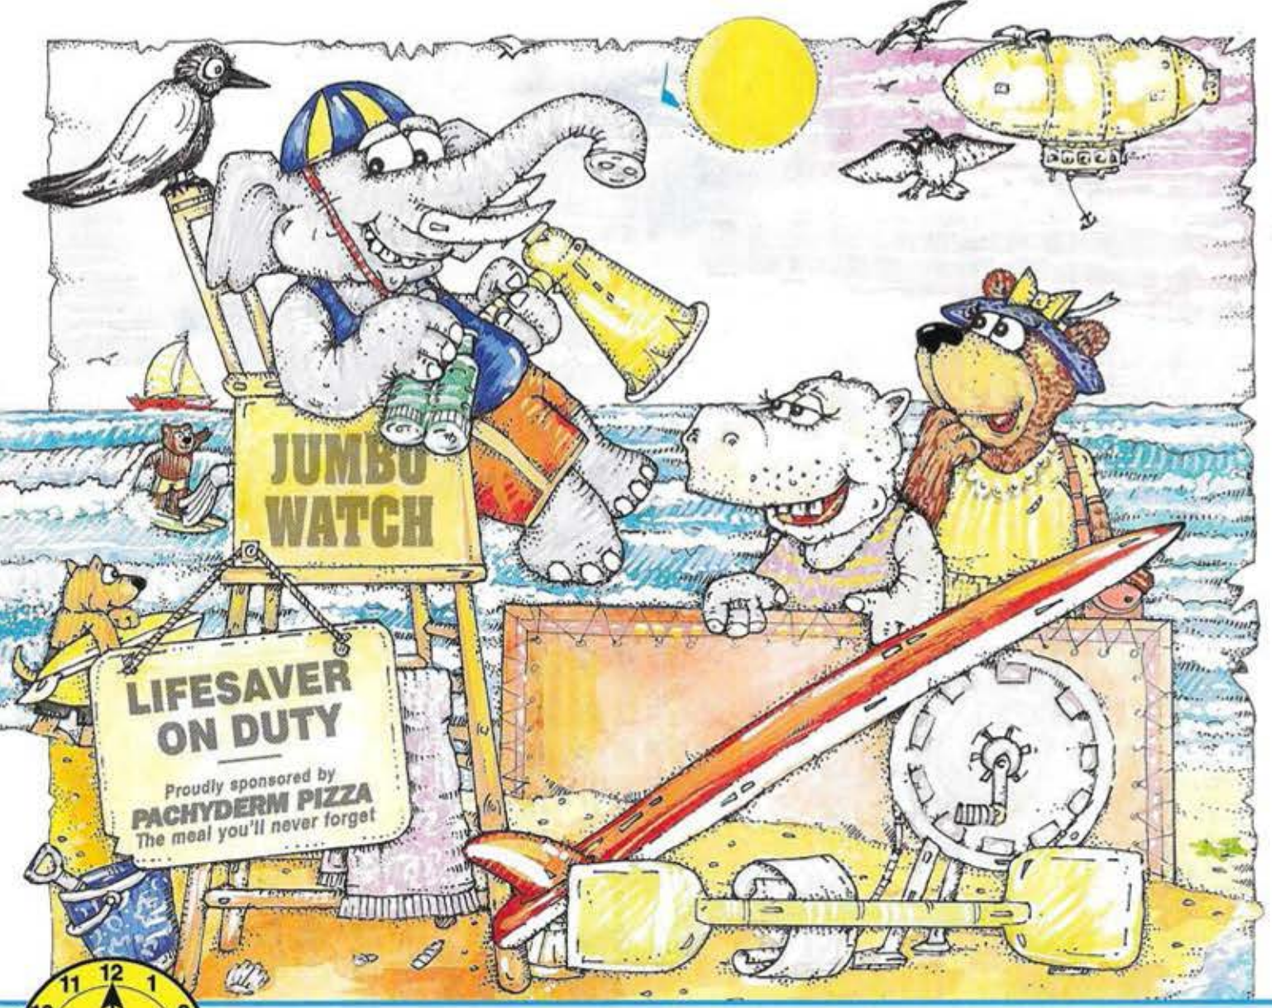
Some pigs like to lie out in the hot sun ...



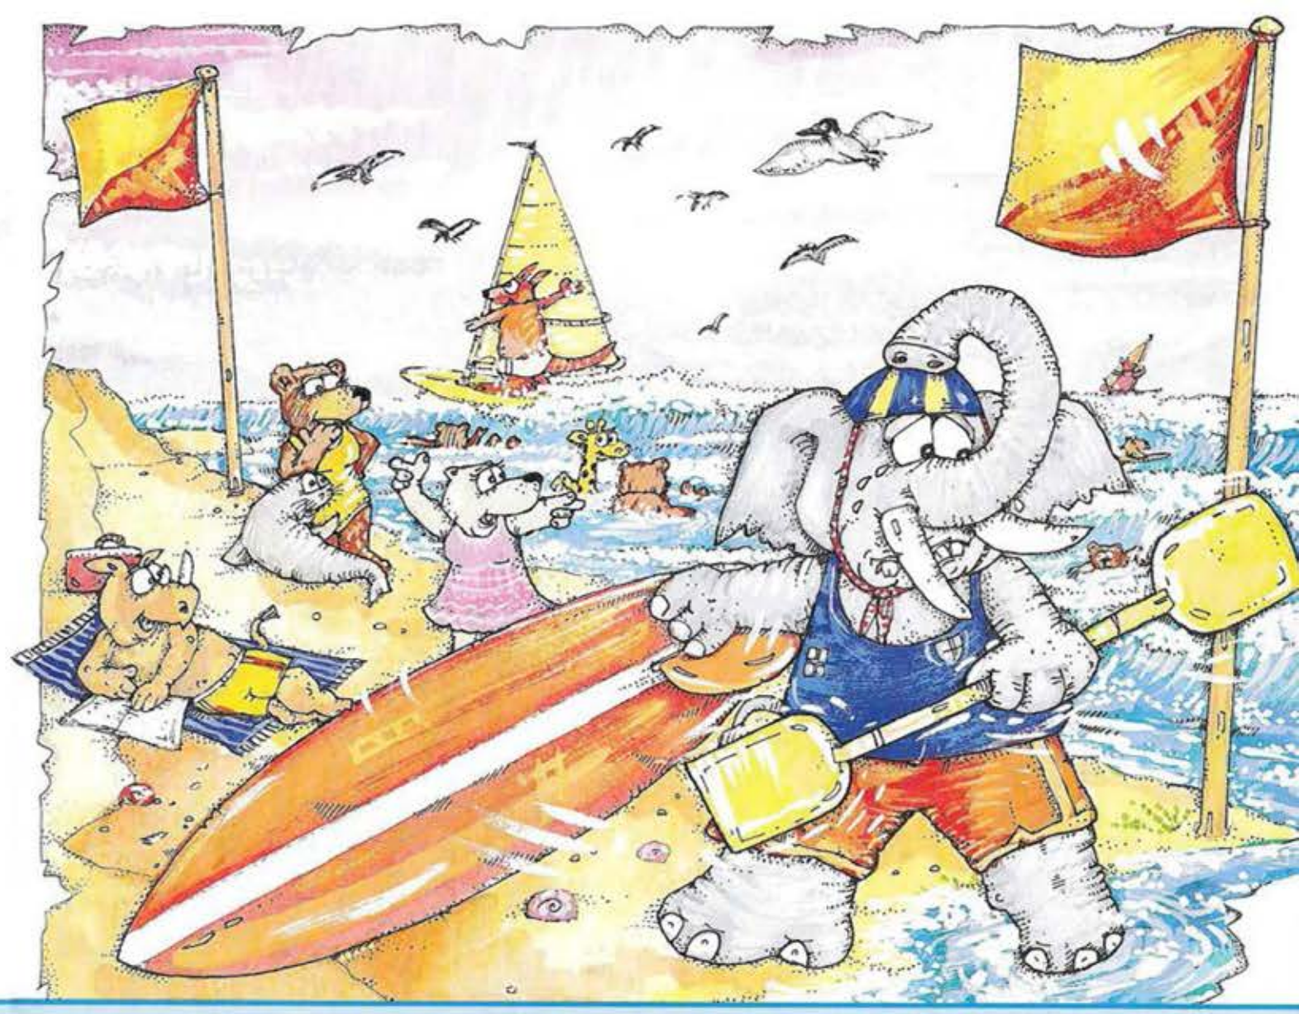
but smart pigs wear sunscreen!

The brown bears make a sandcastle ...

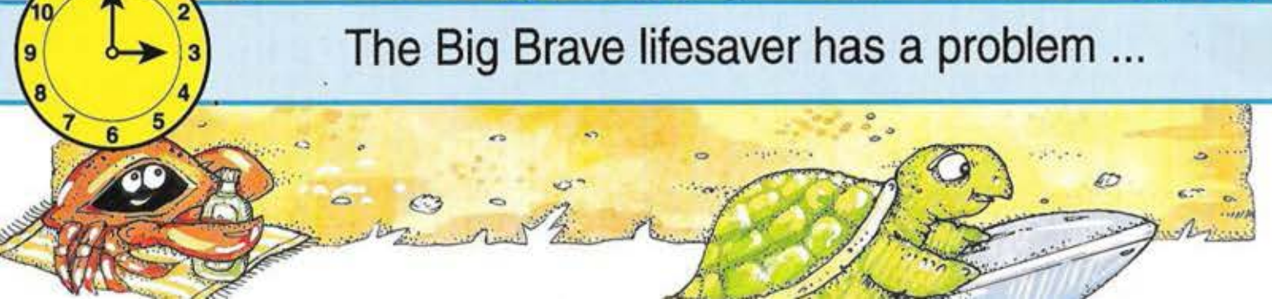
and the polar bears make an ice palace!

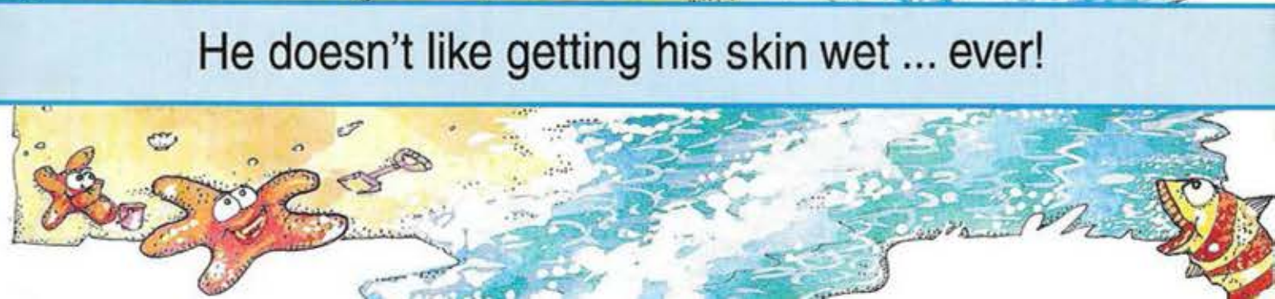


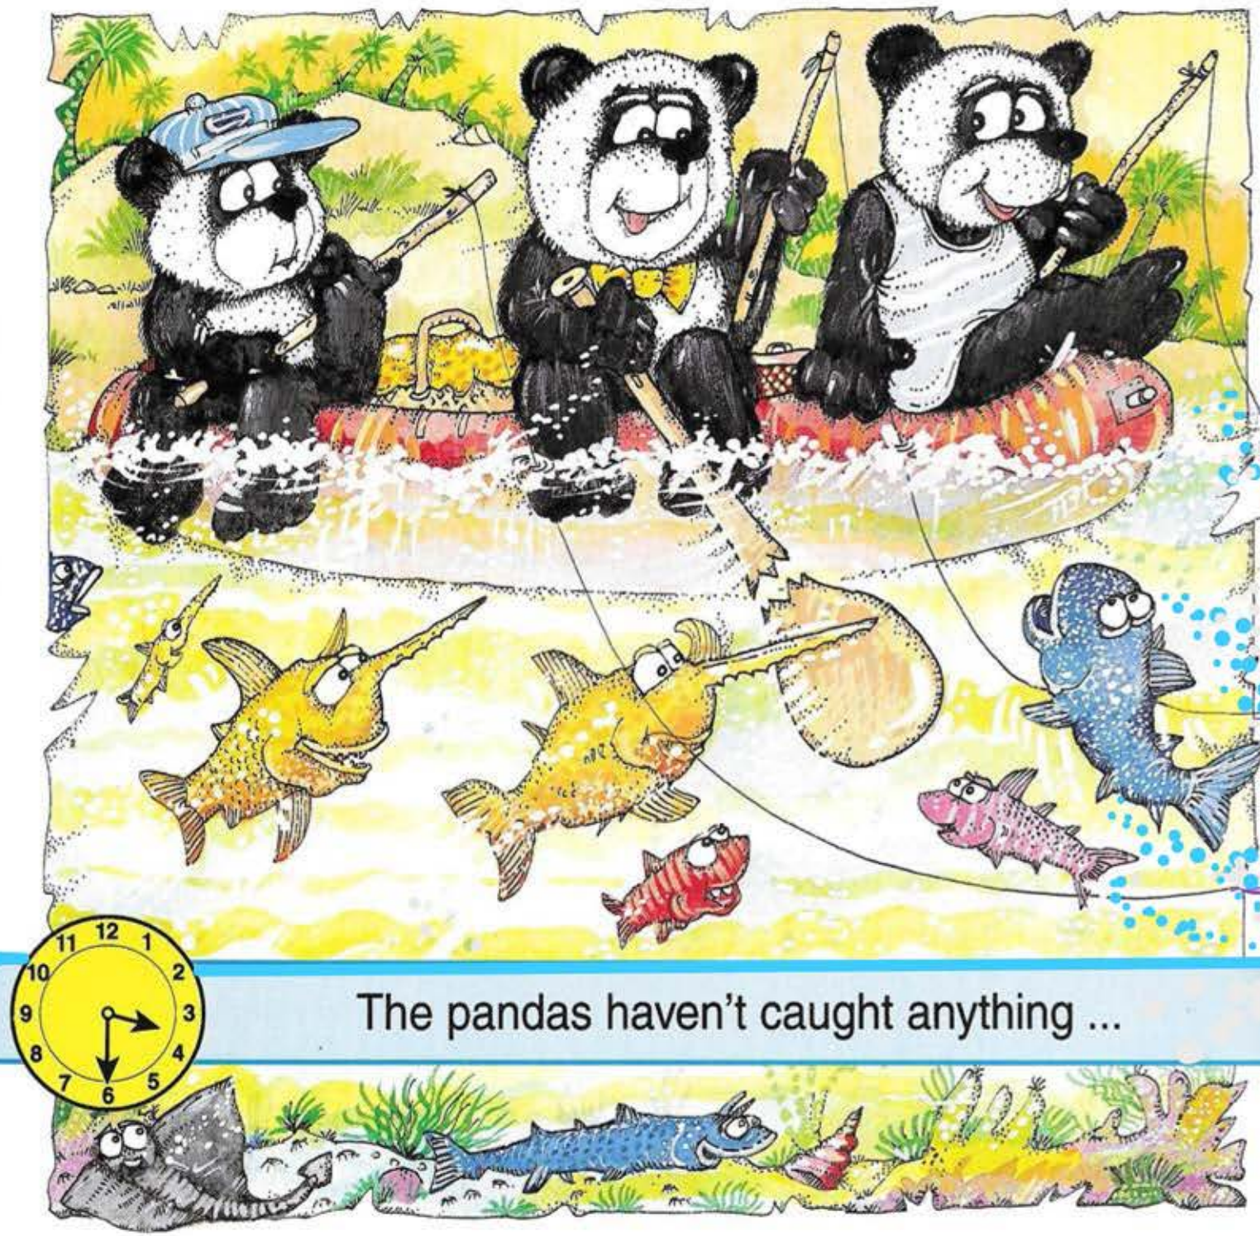
The Big Brave lifesaver has a problem ...



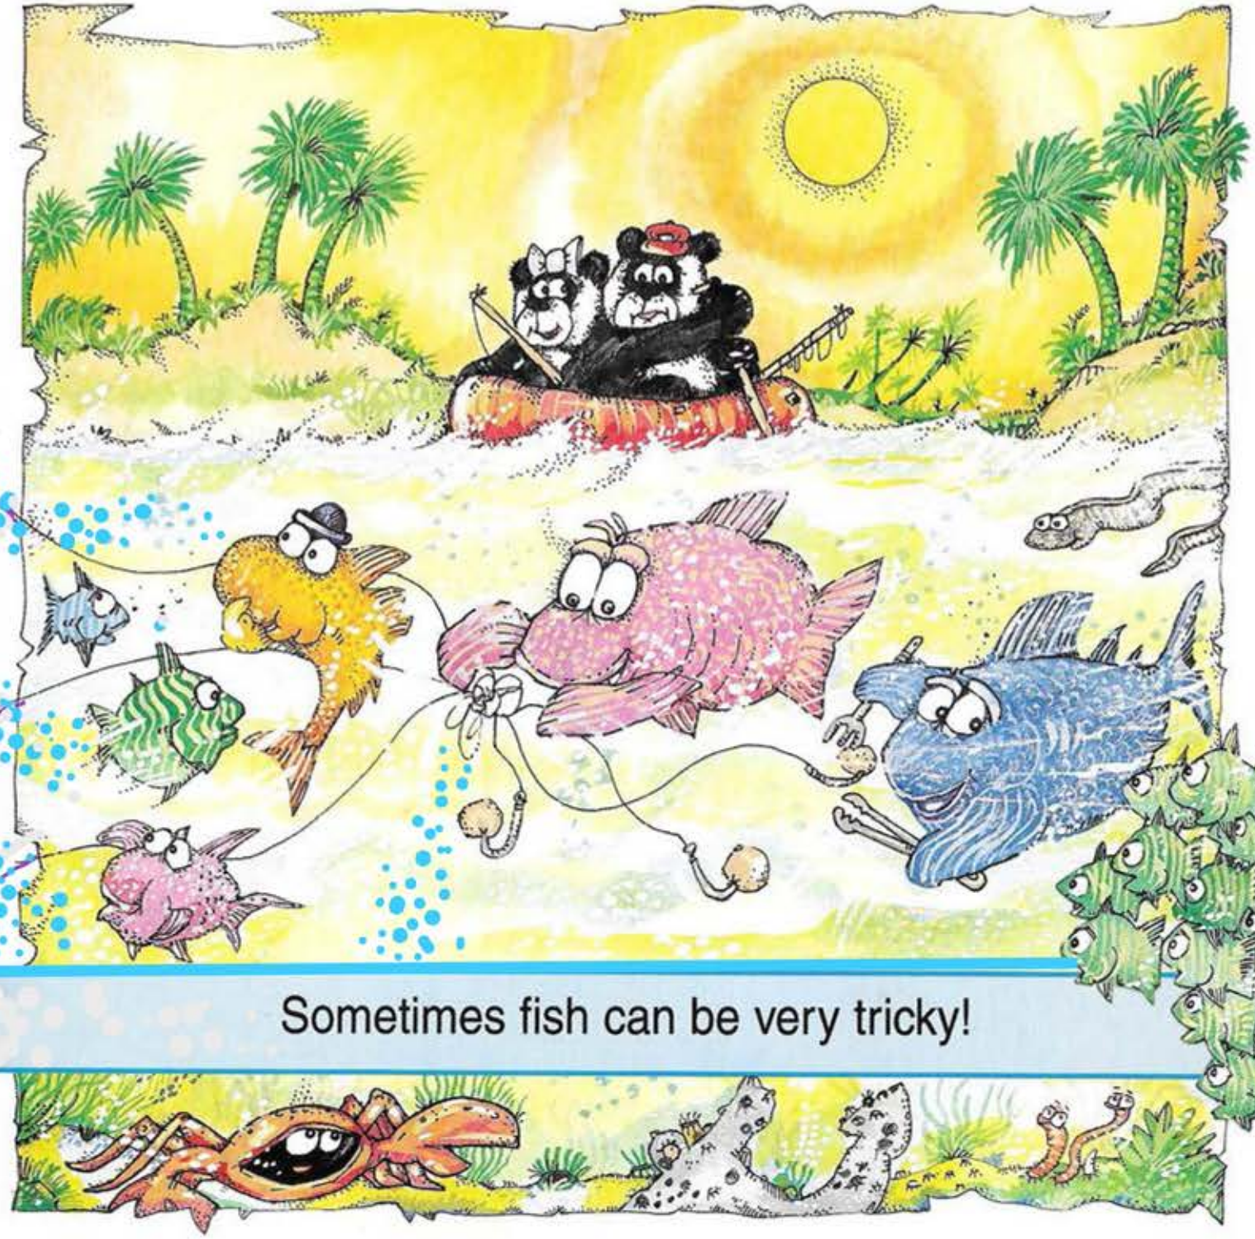
He doesn't like getting his skin wet ... ever!



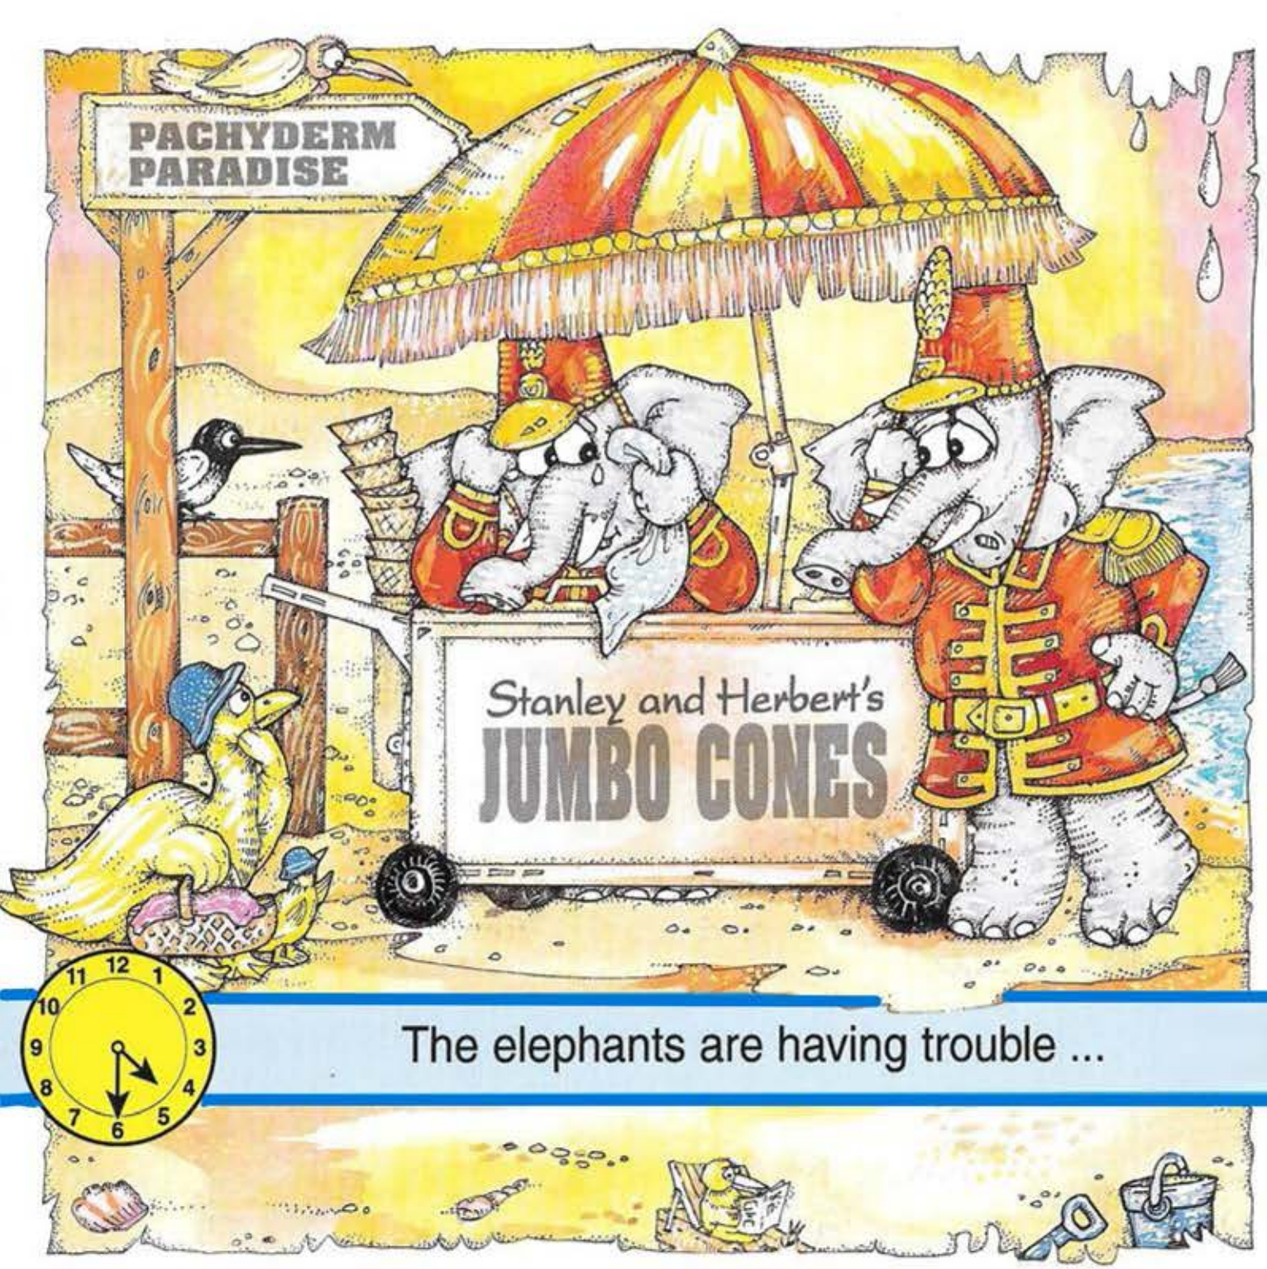




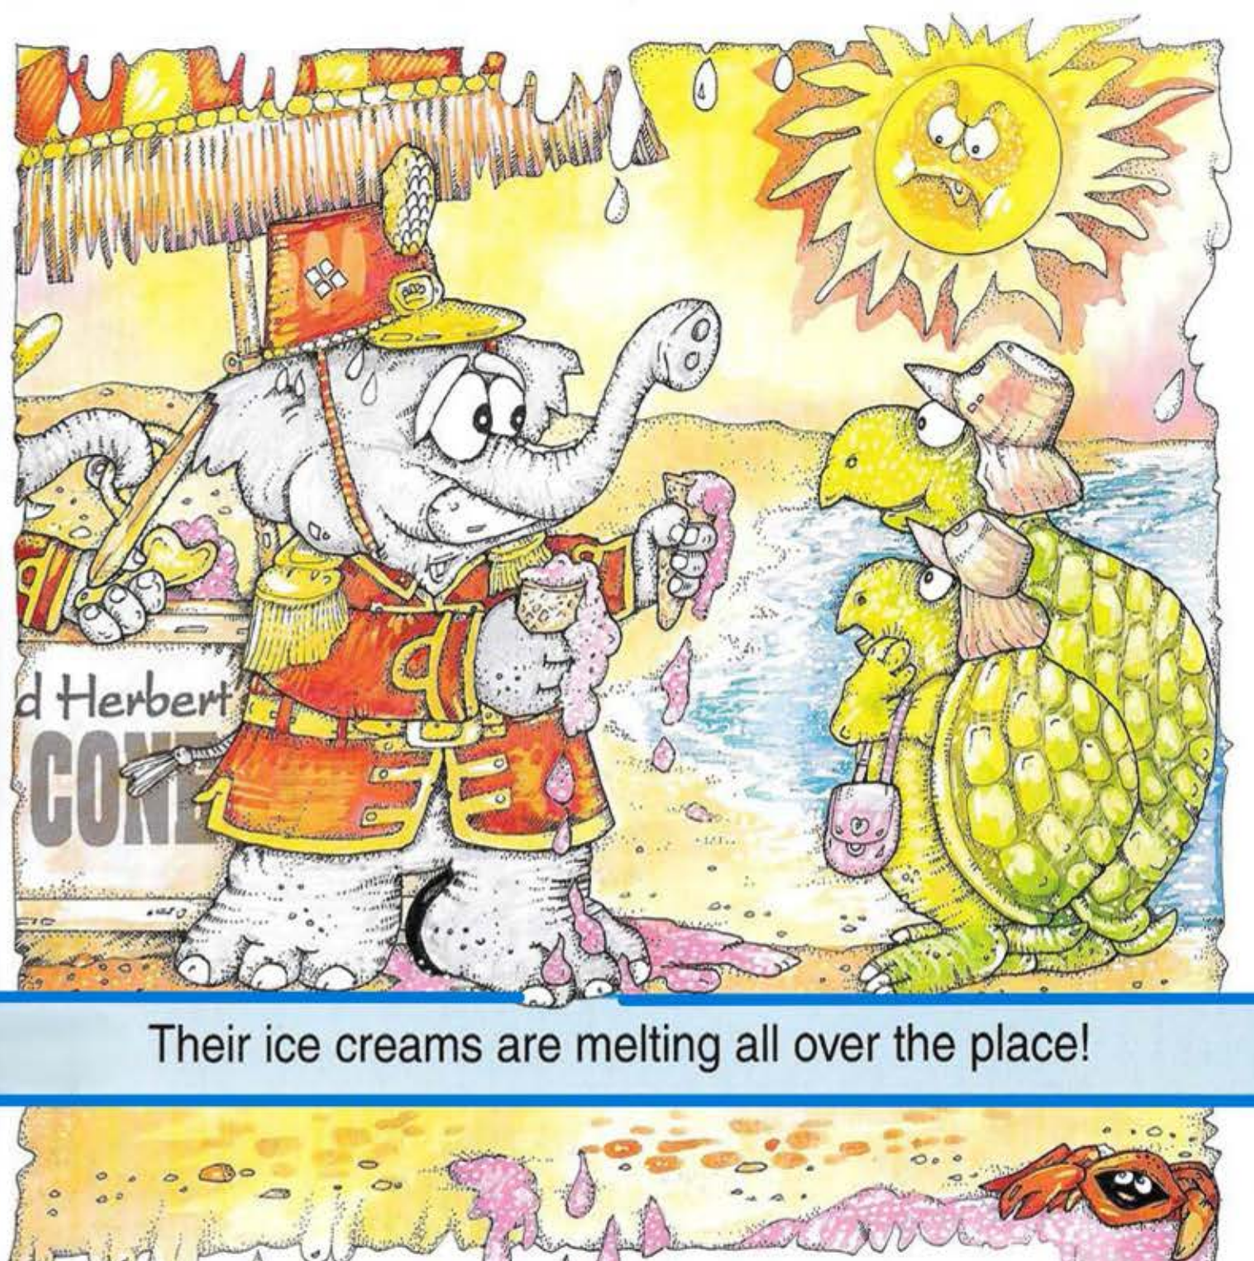
The pandas haven't caught anything ...



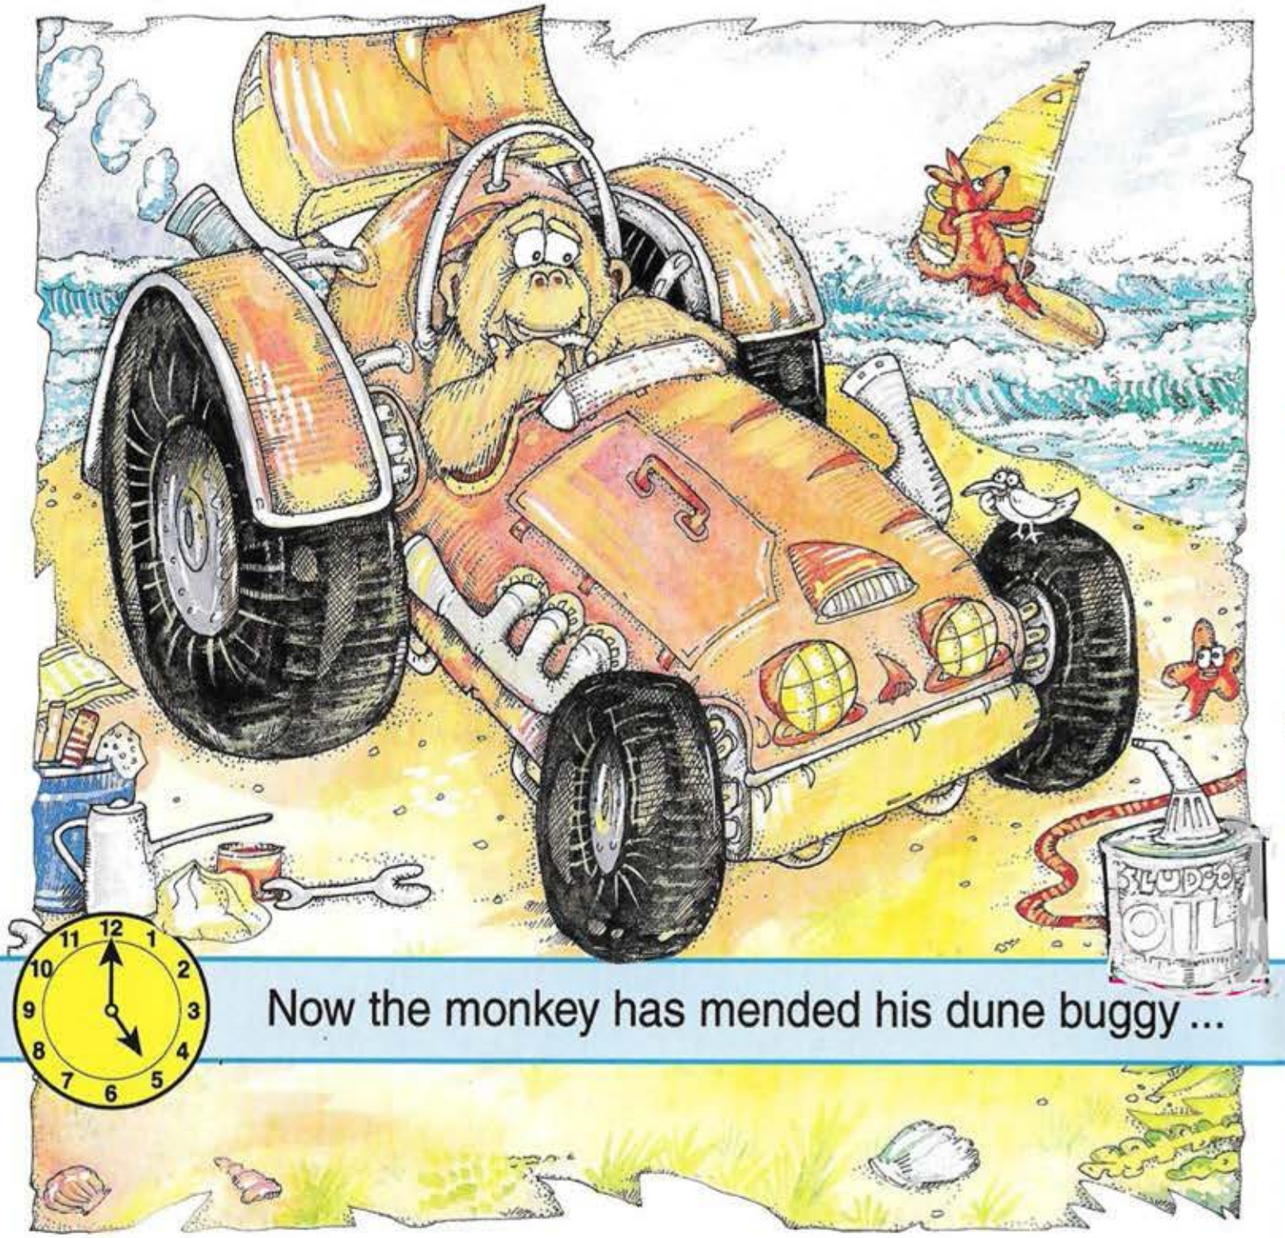
Sometimes fish can be very tricky!



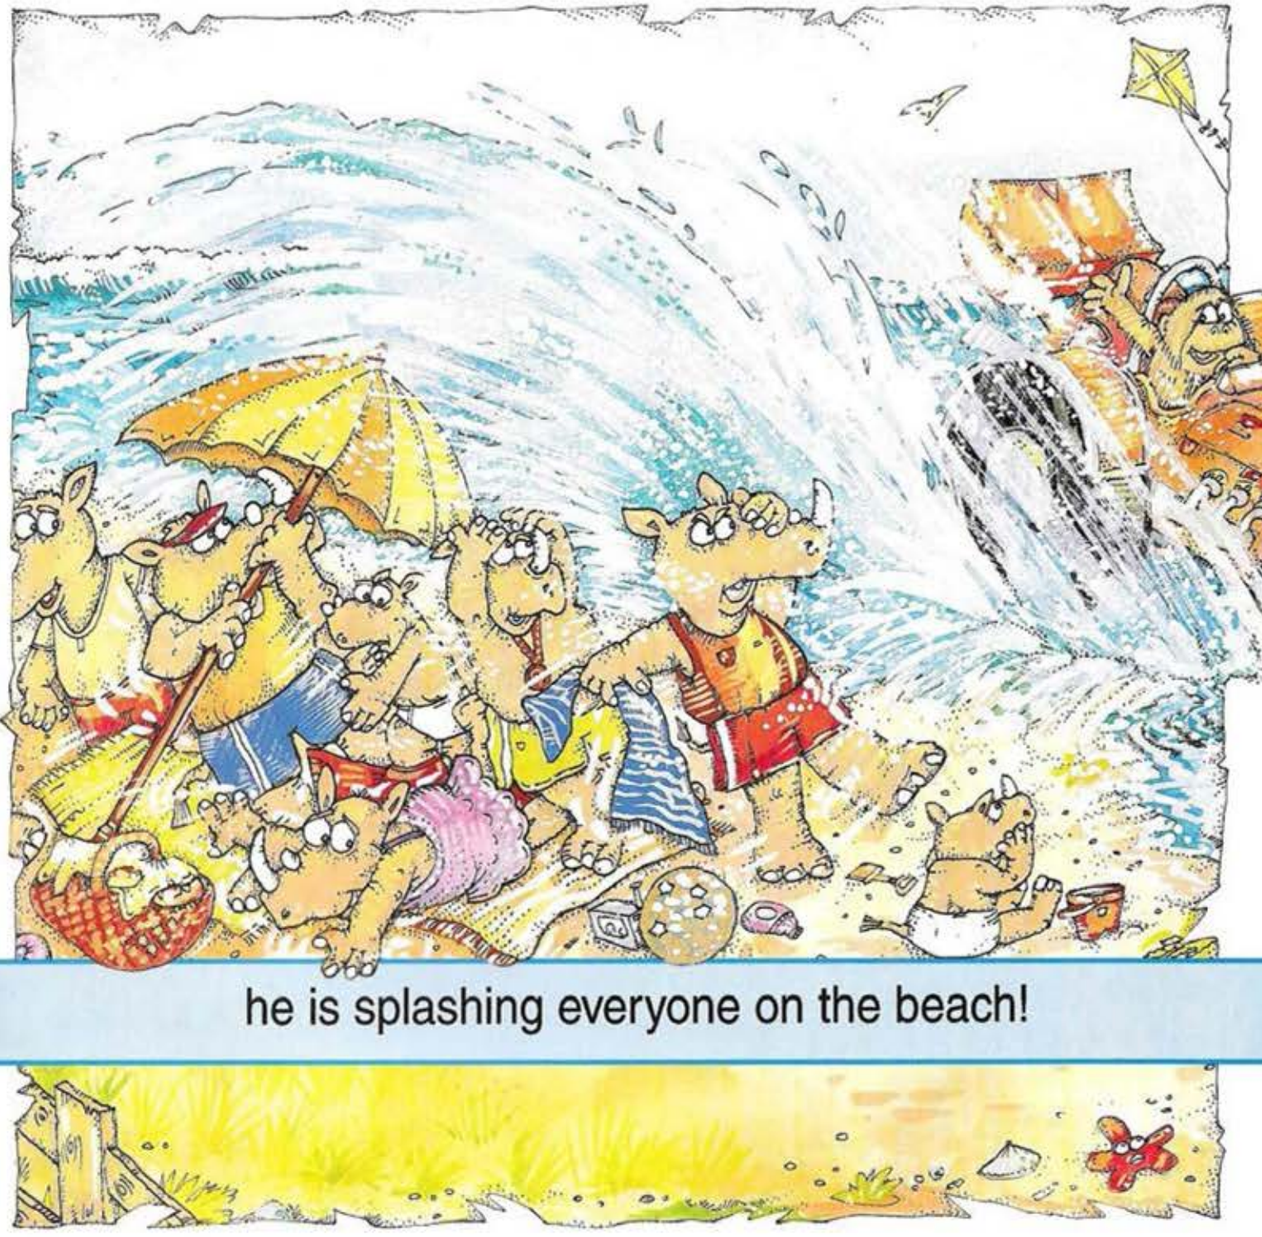
The elephants are having trouble ...



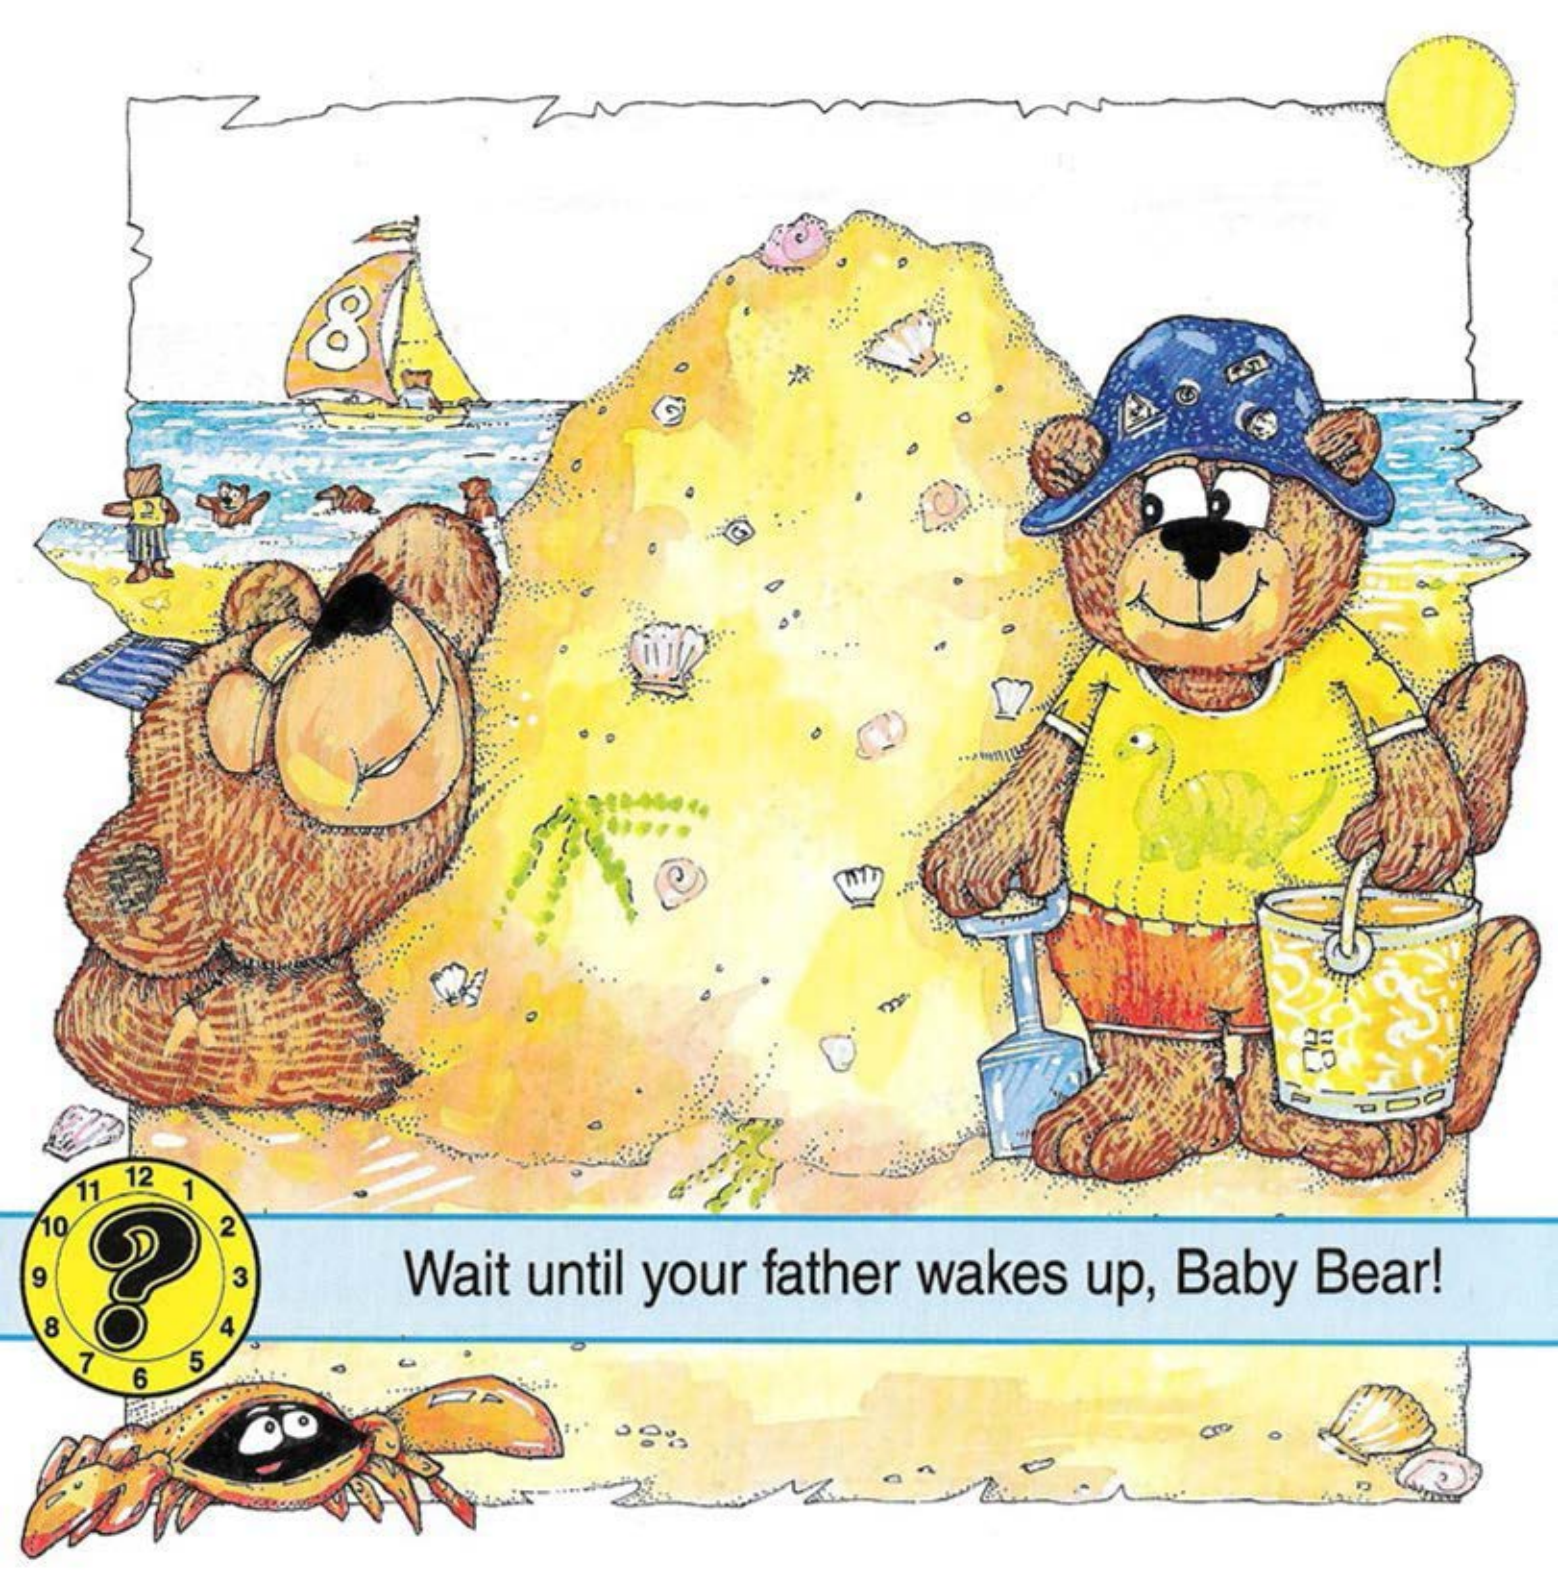
Their ice creams are melting all over the place!



Now the monkey has mended his dune buggy ...



he is splashing everyone on the beach!



Wait until your father wakes up, Baby Bear!
