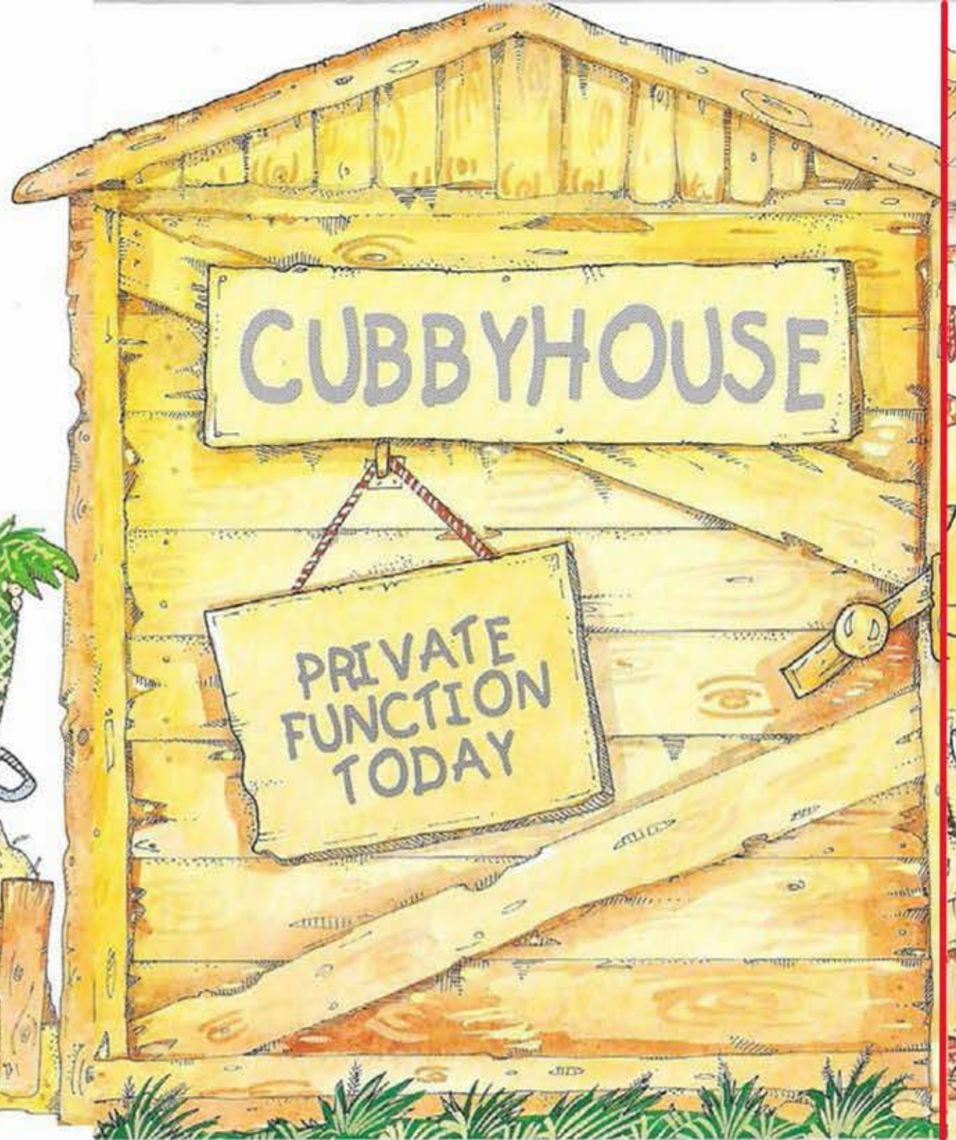
Something is happening inside the cubbyhouse.

I can hear SIP

GNAW NIBBLE

What can it be?



It's my cuddly toys. They're having a tea party and they haven't invited me! I suppose they're going to eat all those tasty-looking cupcakes as well.

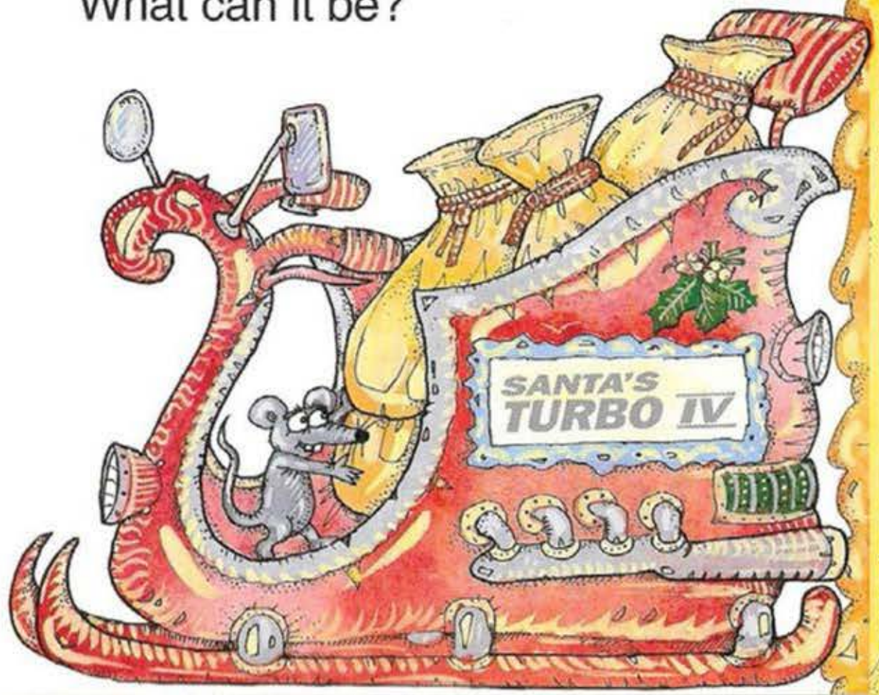
What greedy animals!

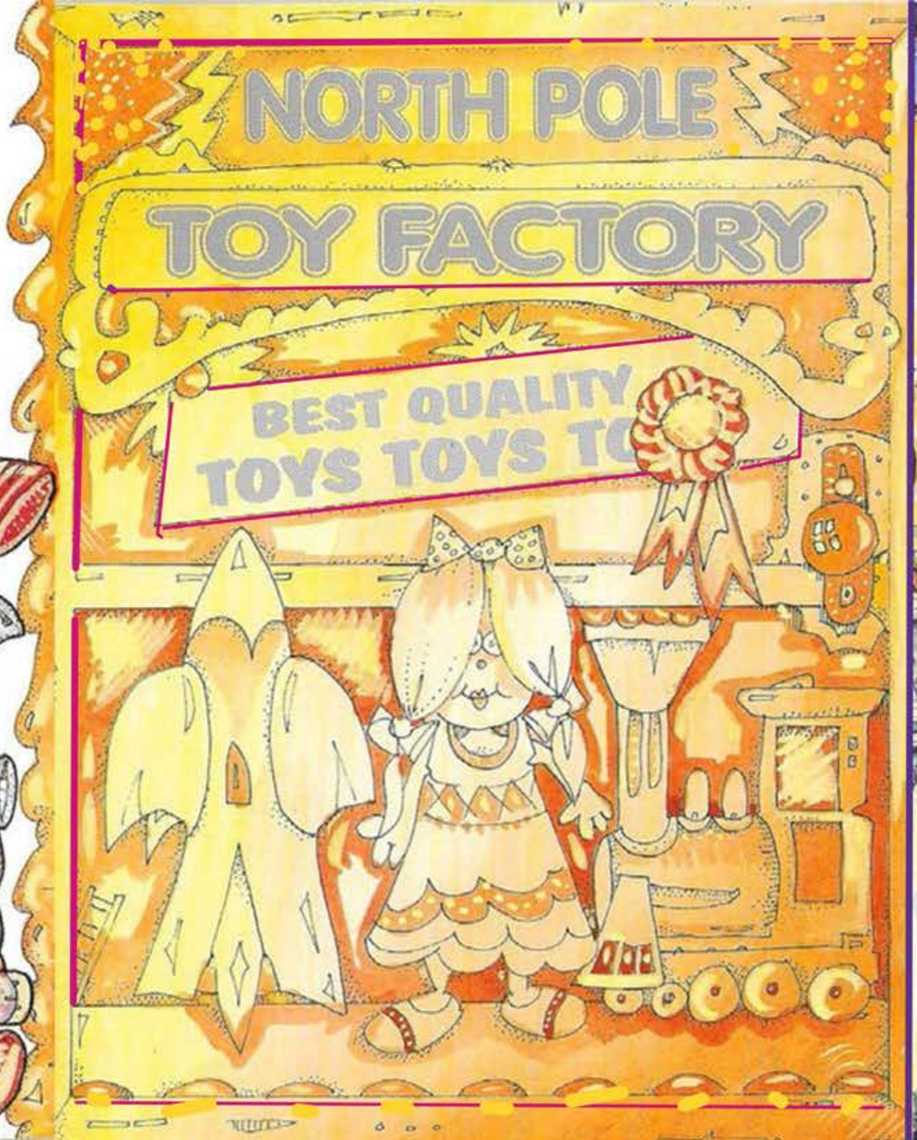
Something is happening inside the toy factory.

I can hear. ROAR

SNAP OUCH!

What can it be?





It's the latest Dinosaur toy range ... they walk, they talk and they gnash their teeth.

GRRRRRRR

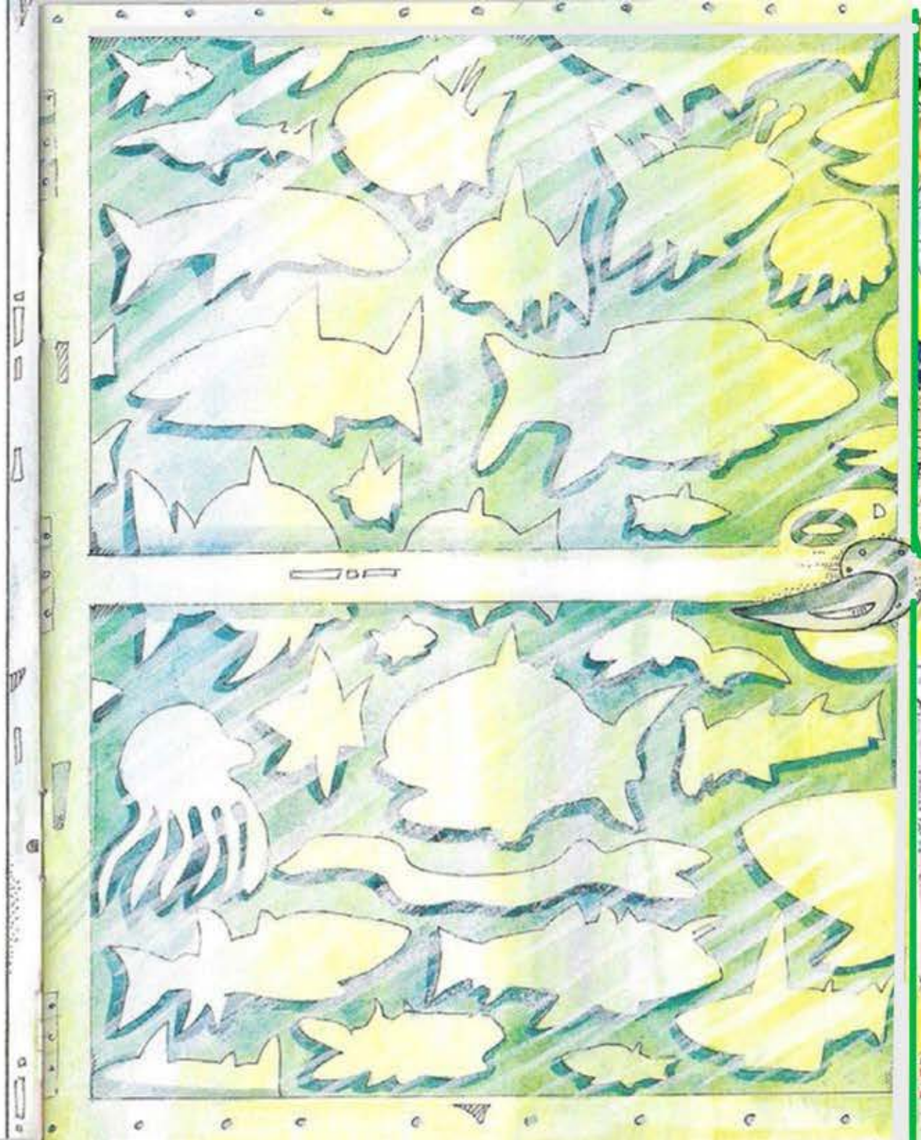
They look really lifelike, don't they?

Watch out for your fingers!

Something is happening in the bathroom.

I can hear SPLISH SPLASH QUACK

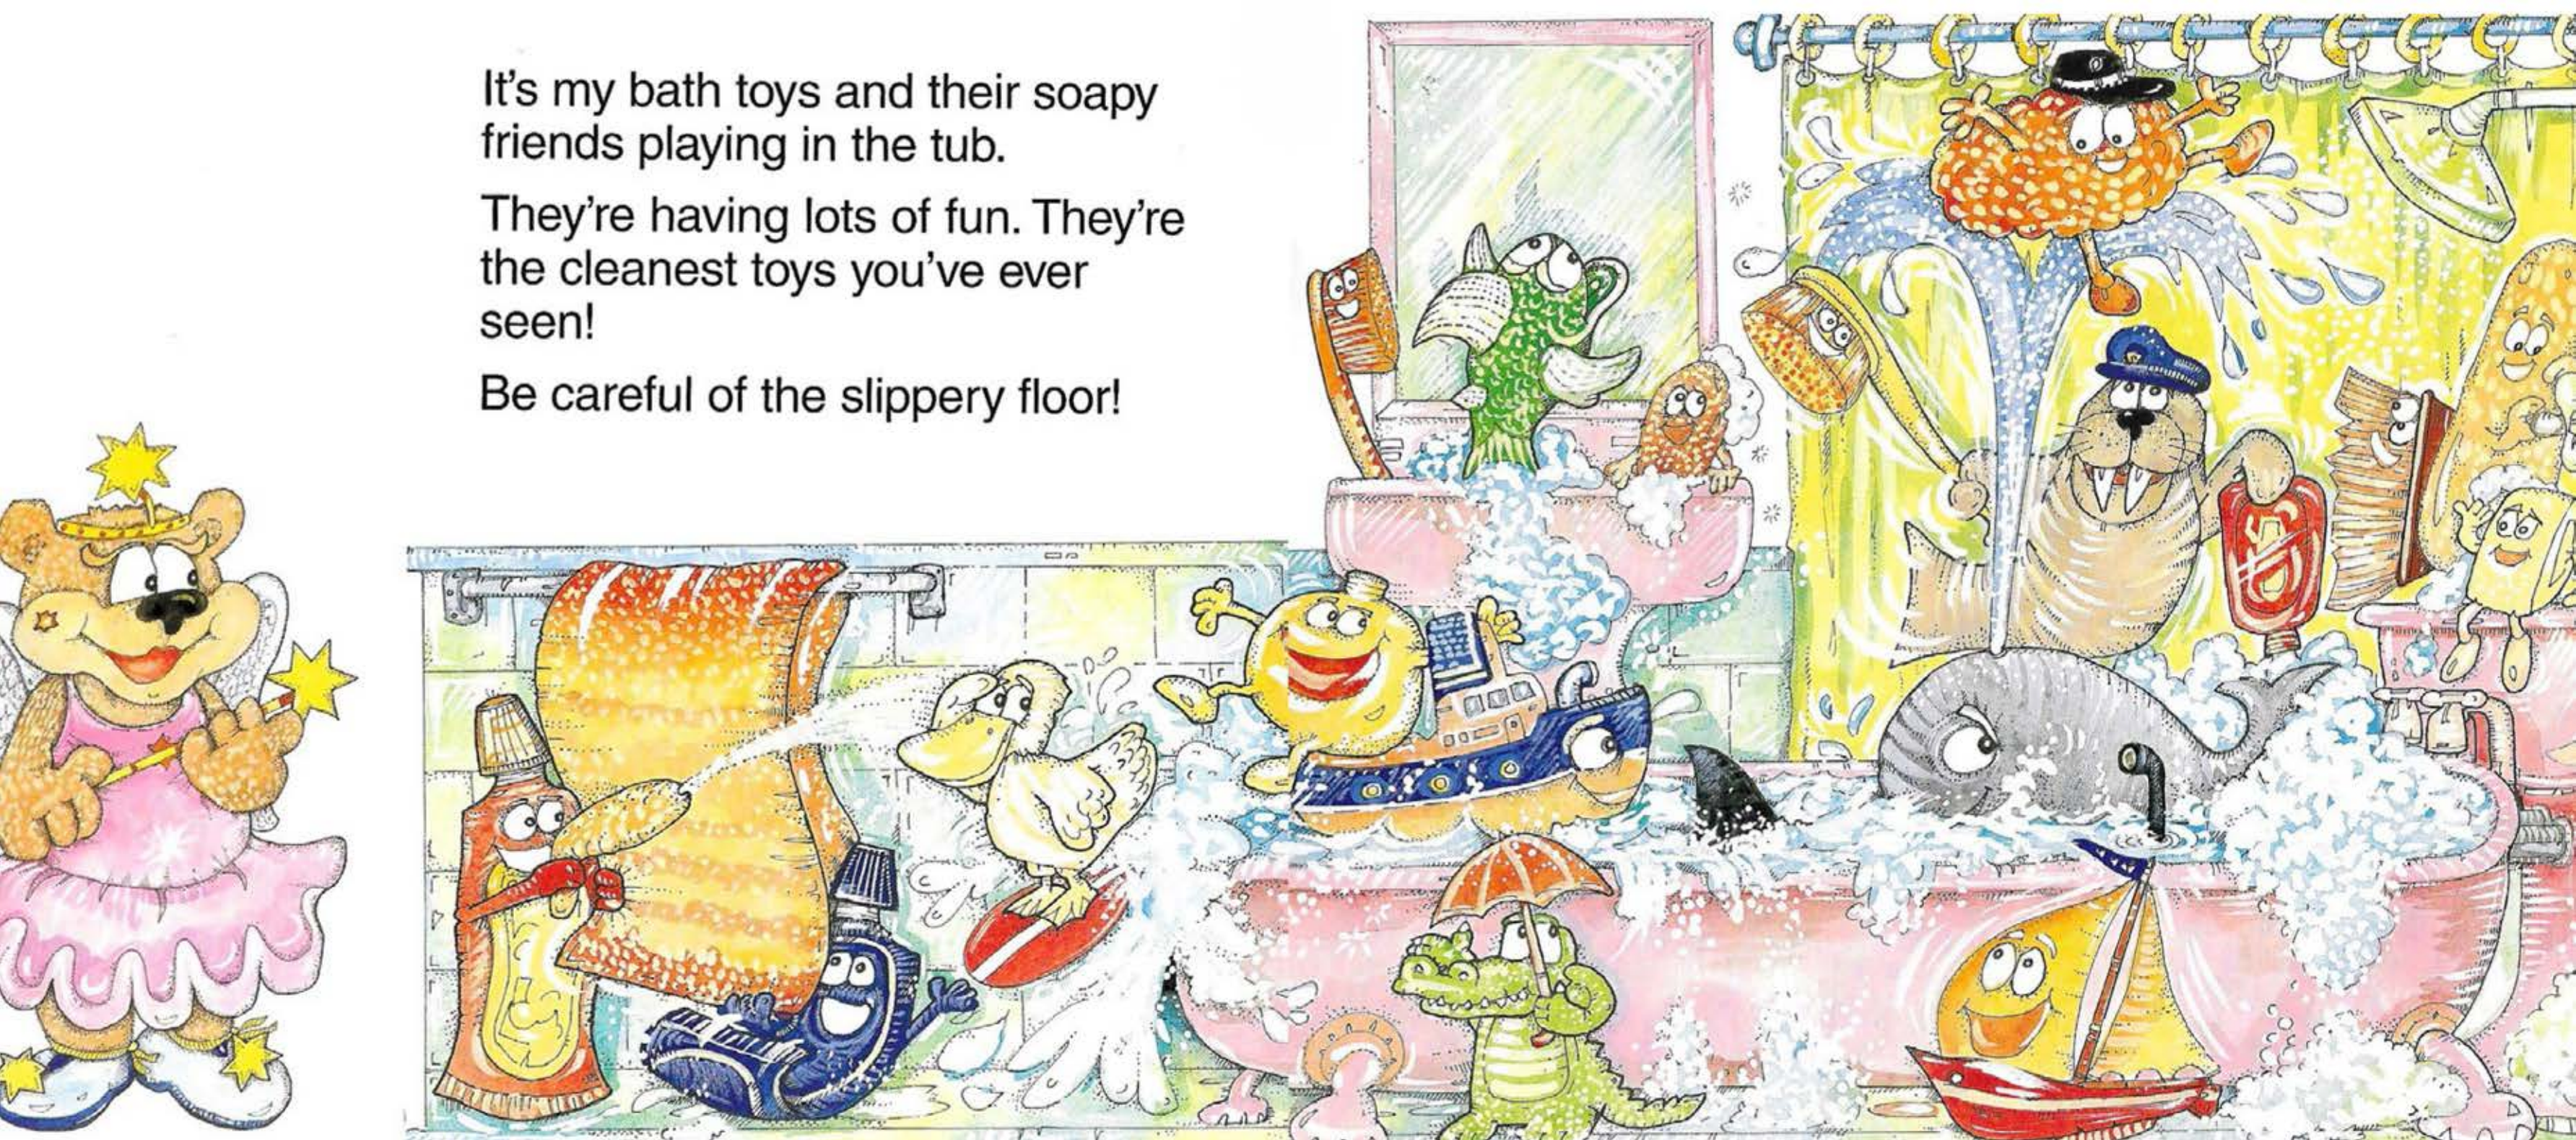
What can it be?



It's my bath toys and their soapy friends playing in the tub.

They're having lots of fun. They're the cleanest toys you've ever seen!

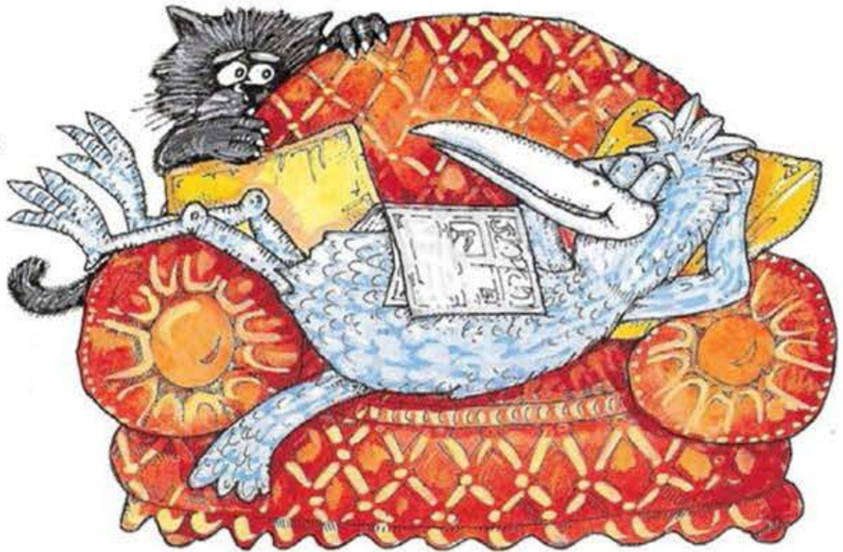
Be careful of the slippery floor!

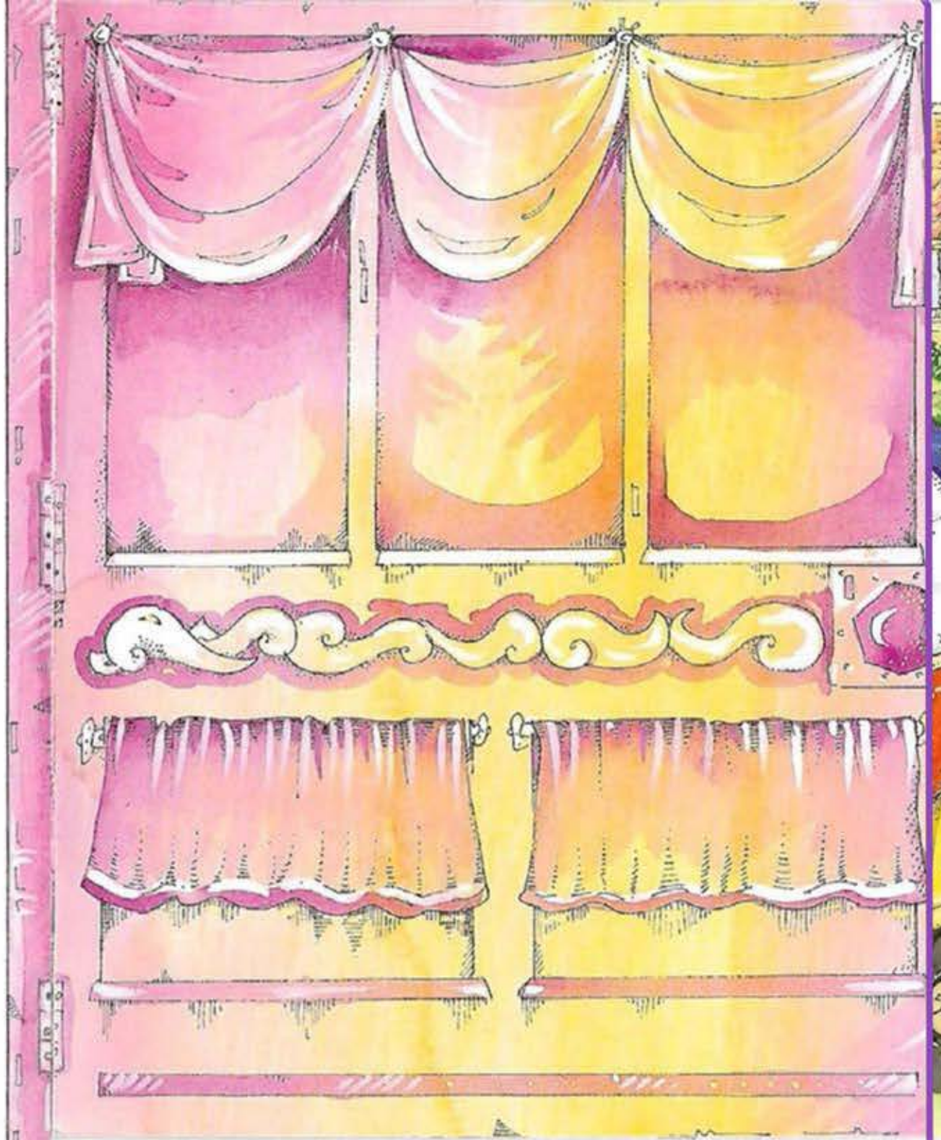


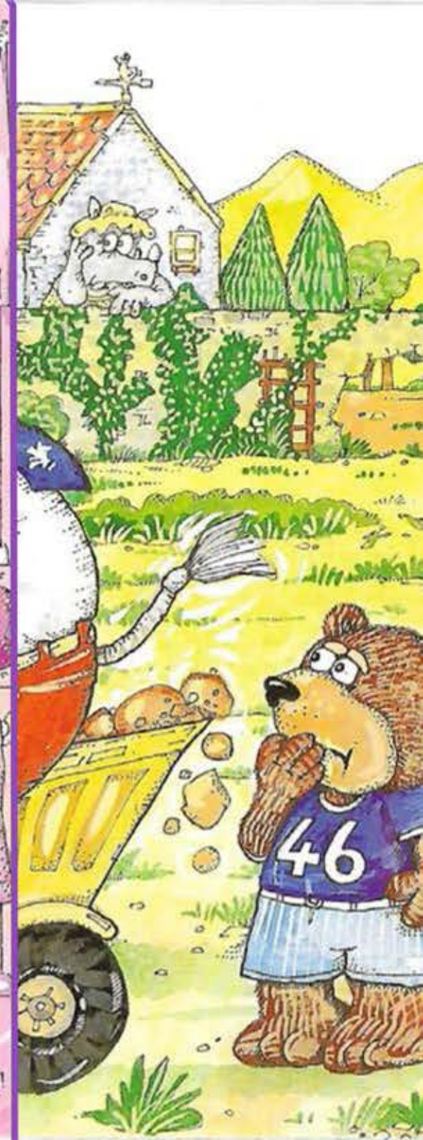
Something is happening outside in the garden.

I can hear PUSH PEDAL CRUNCH

What can it be?



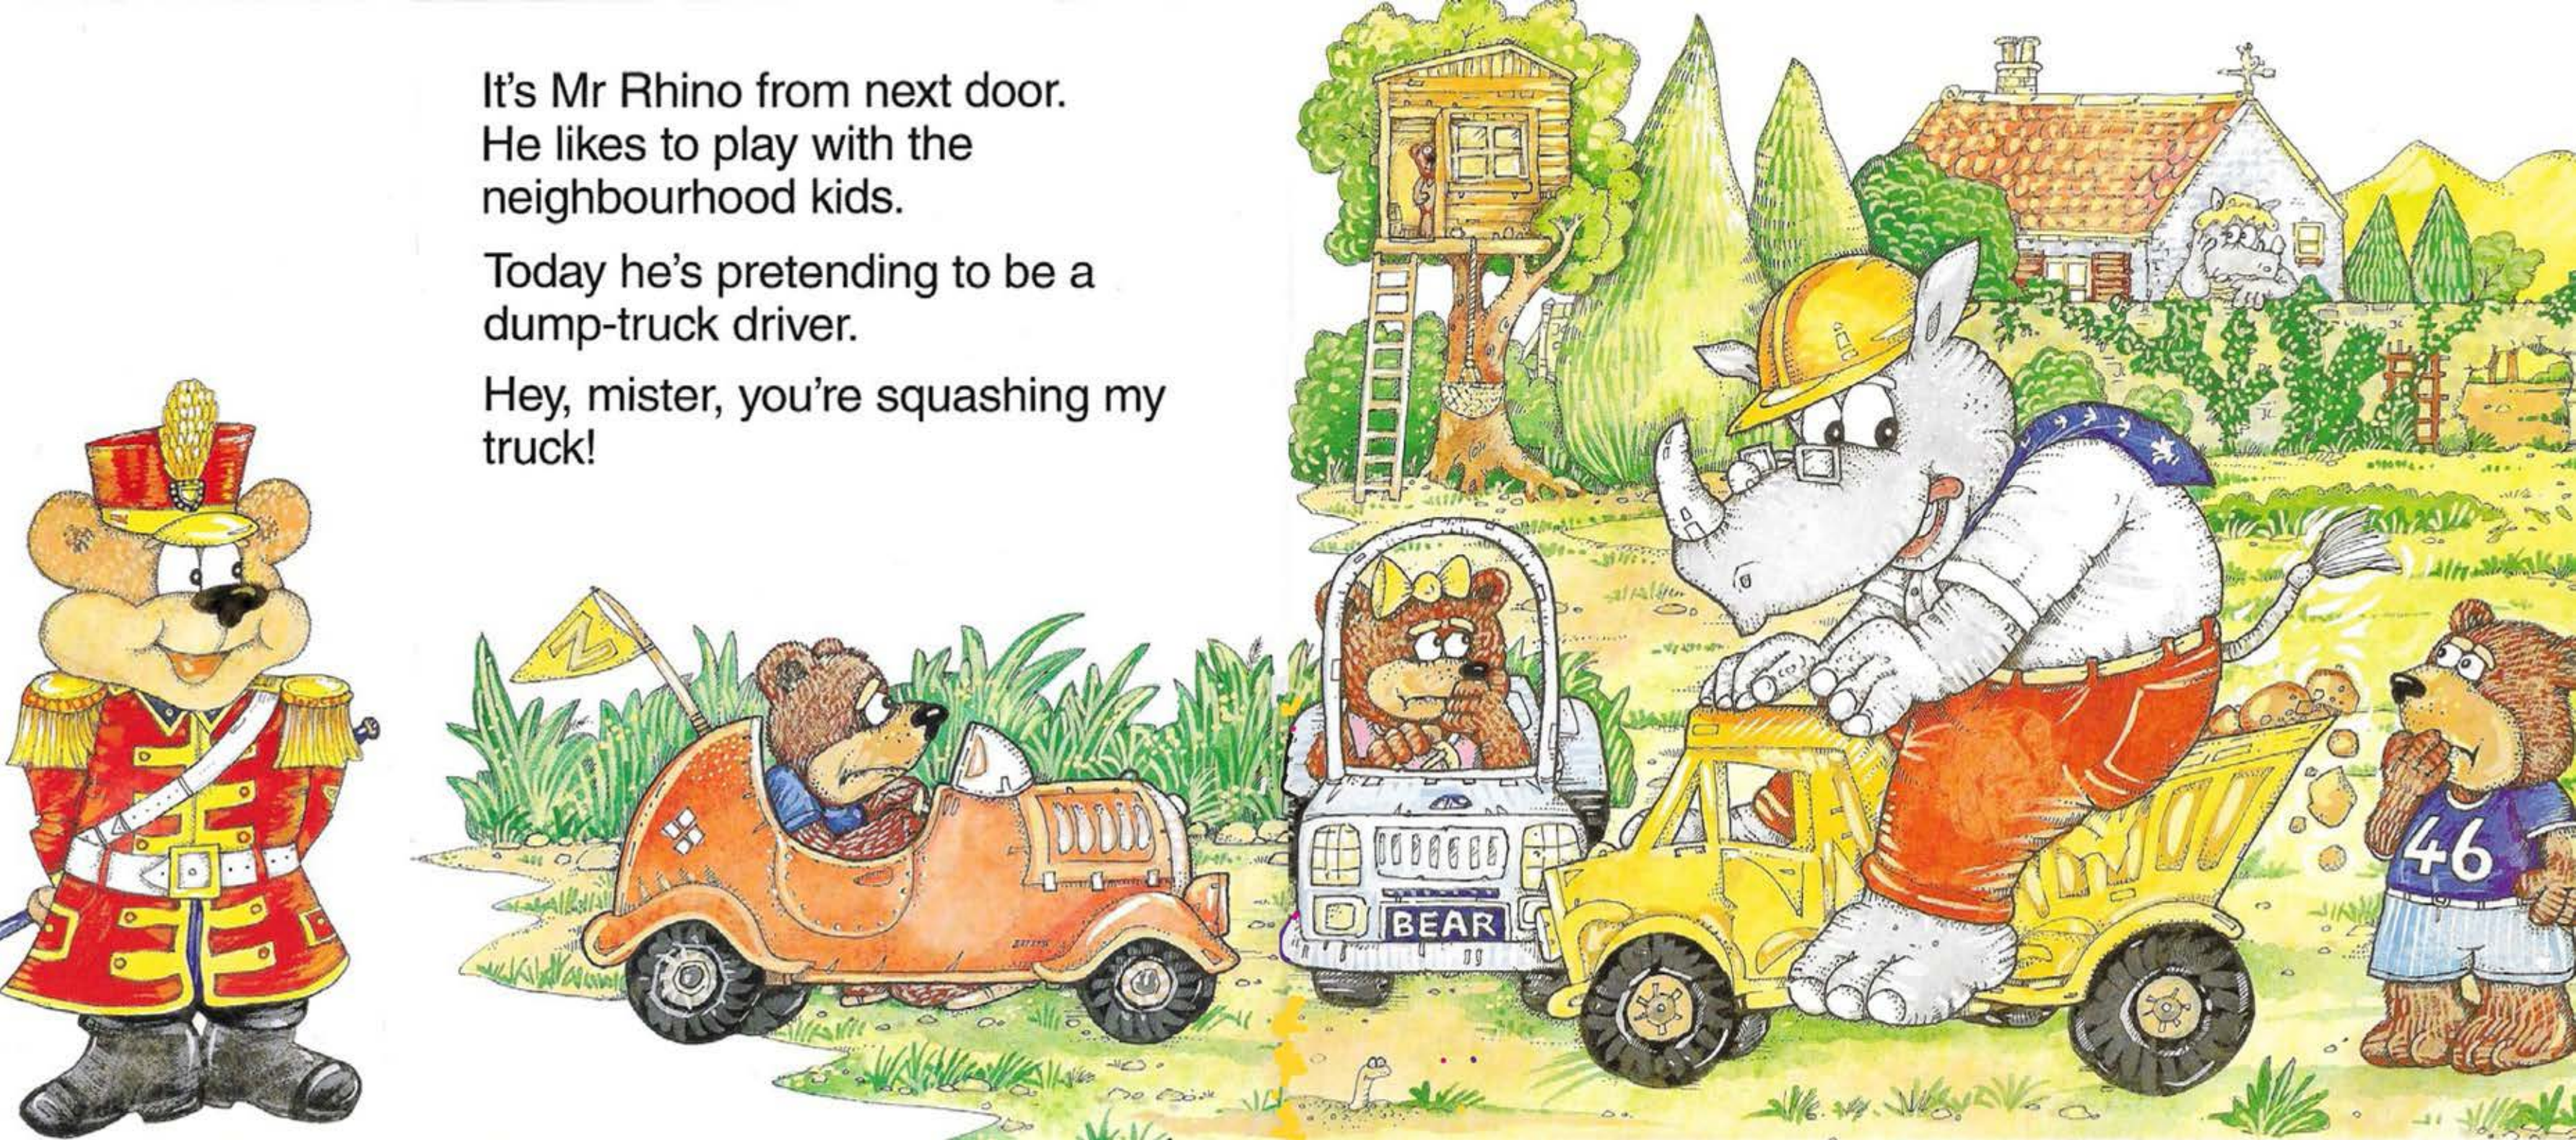




It's Mr Rhino from next door.
He likes to play with the
neighbourhood kids.

Today he's pretending to be a
dump-truck driver.

Hey, mister, you're squashing my
truck!

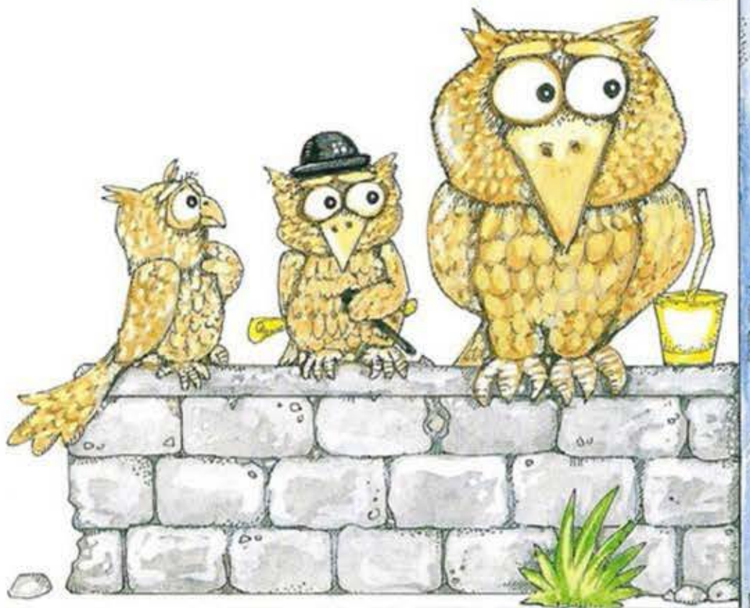


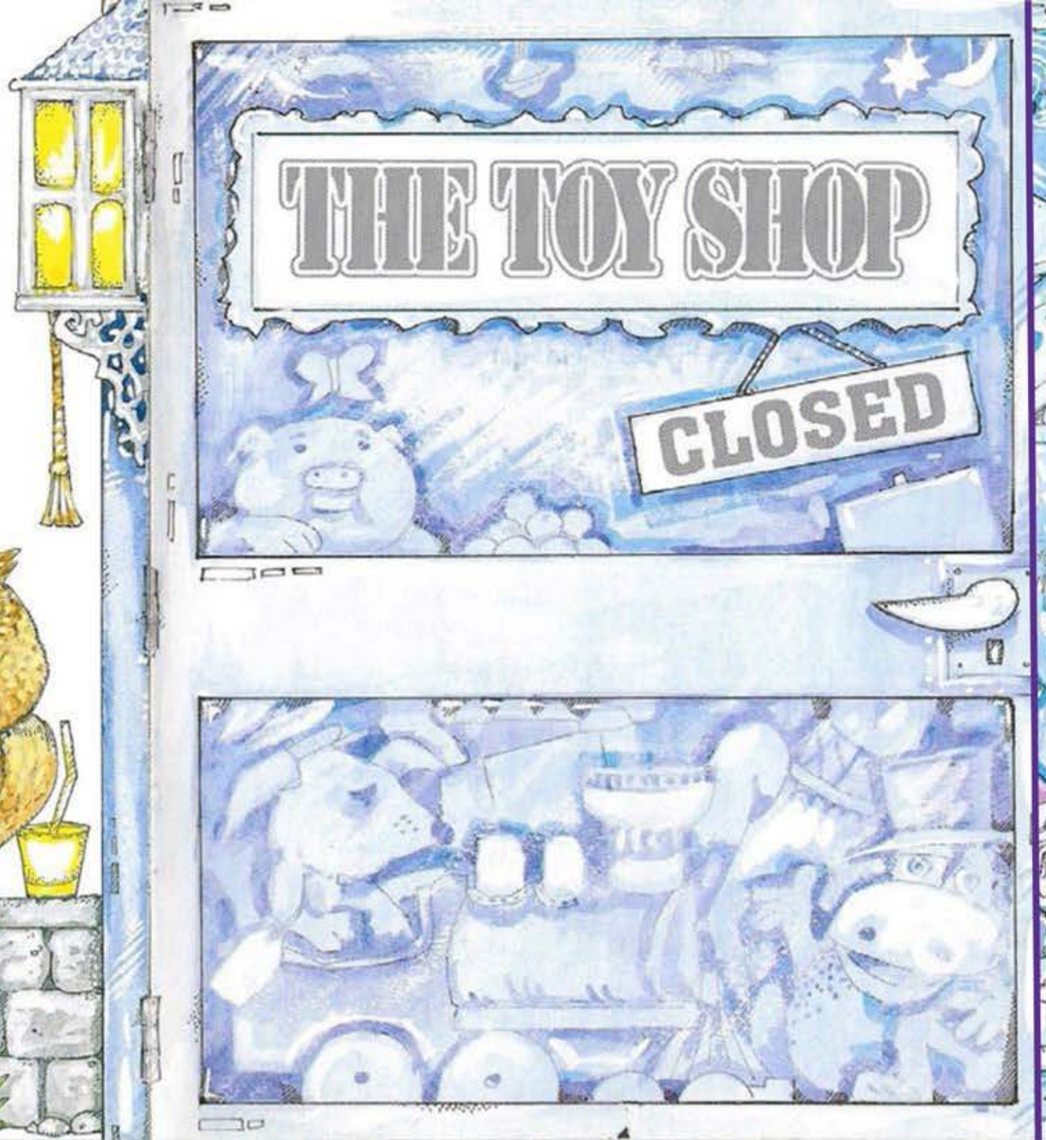
Something is happening inside the toy shop.

I can hear YAY

BOP WHIRR

What can it be?

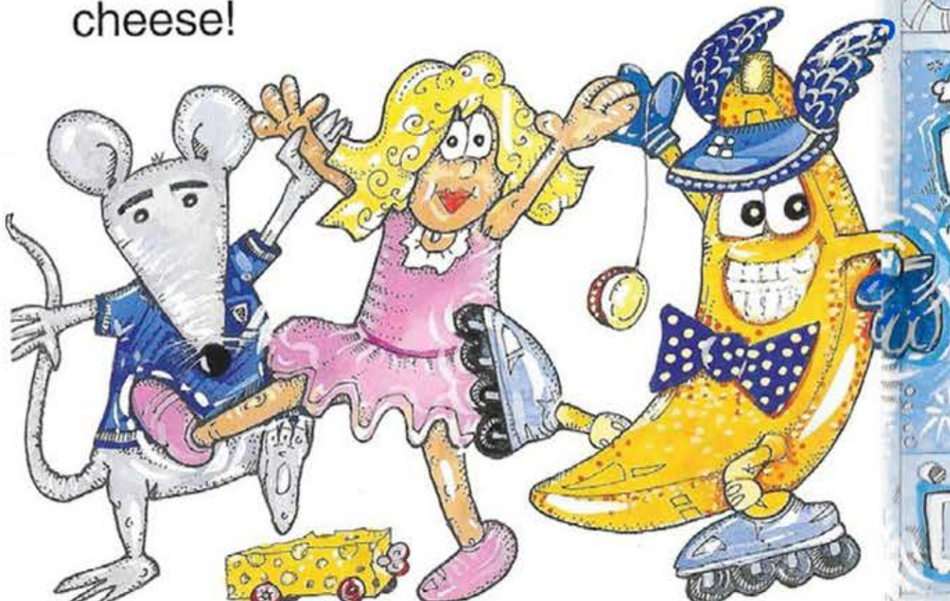




It's all the toys having fun. They always have a party after the shop closes each day.

They have to be back in their boxes by midnight so they don't look too tired for the customers tomorrow.

Don't tread on the clockwork cheese!



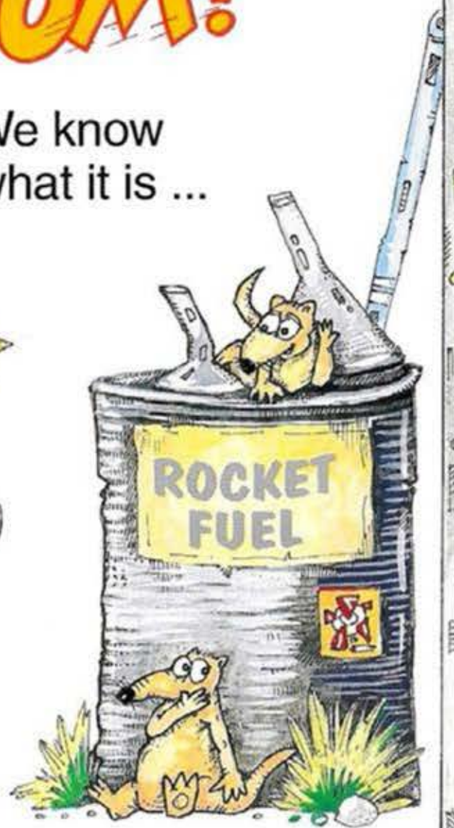
Something is happening in the garage.

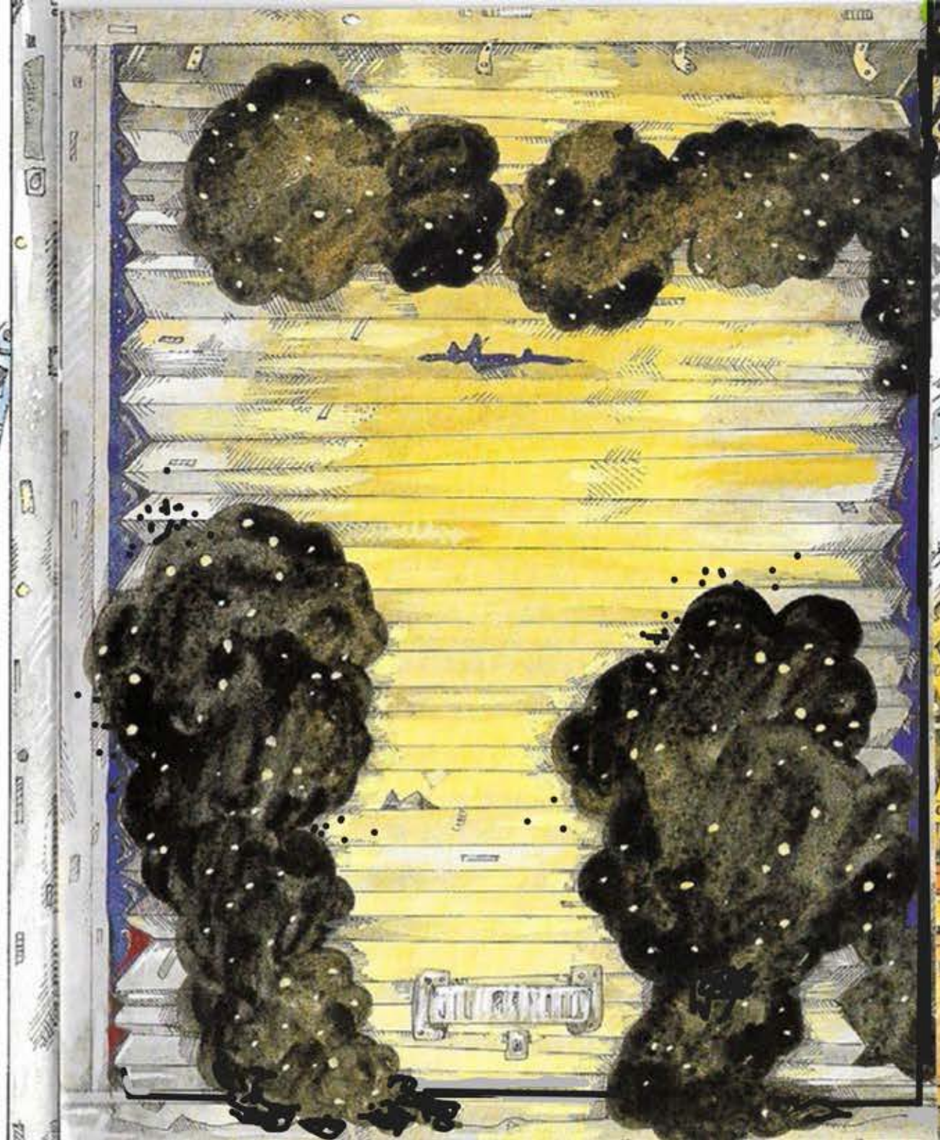
I can hear

5-4-3-2-1 LIFT-OFF

VAROOM!

We know what it is ...





It's our little brother, Robert. He's spent all weekend making his model Mars Explorer rocket and it really works.

I hope he gets back to Earth in time for breakfast!
