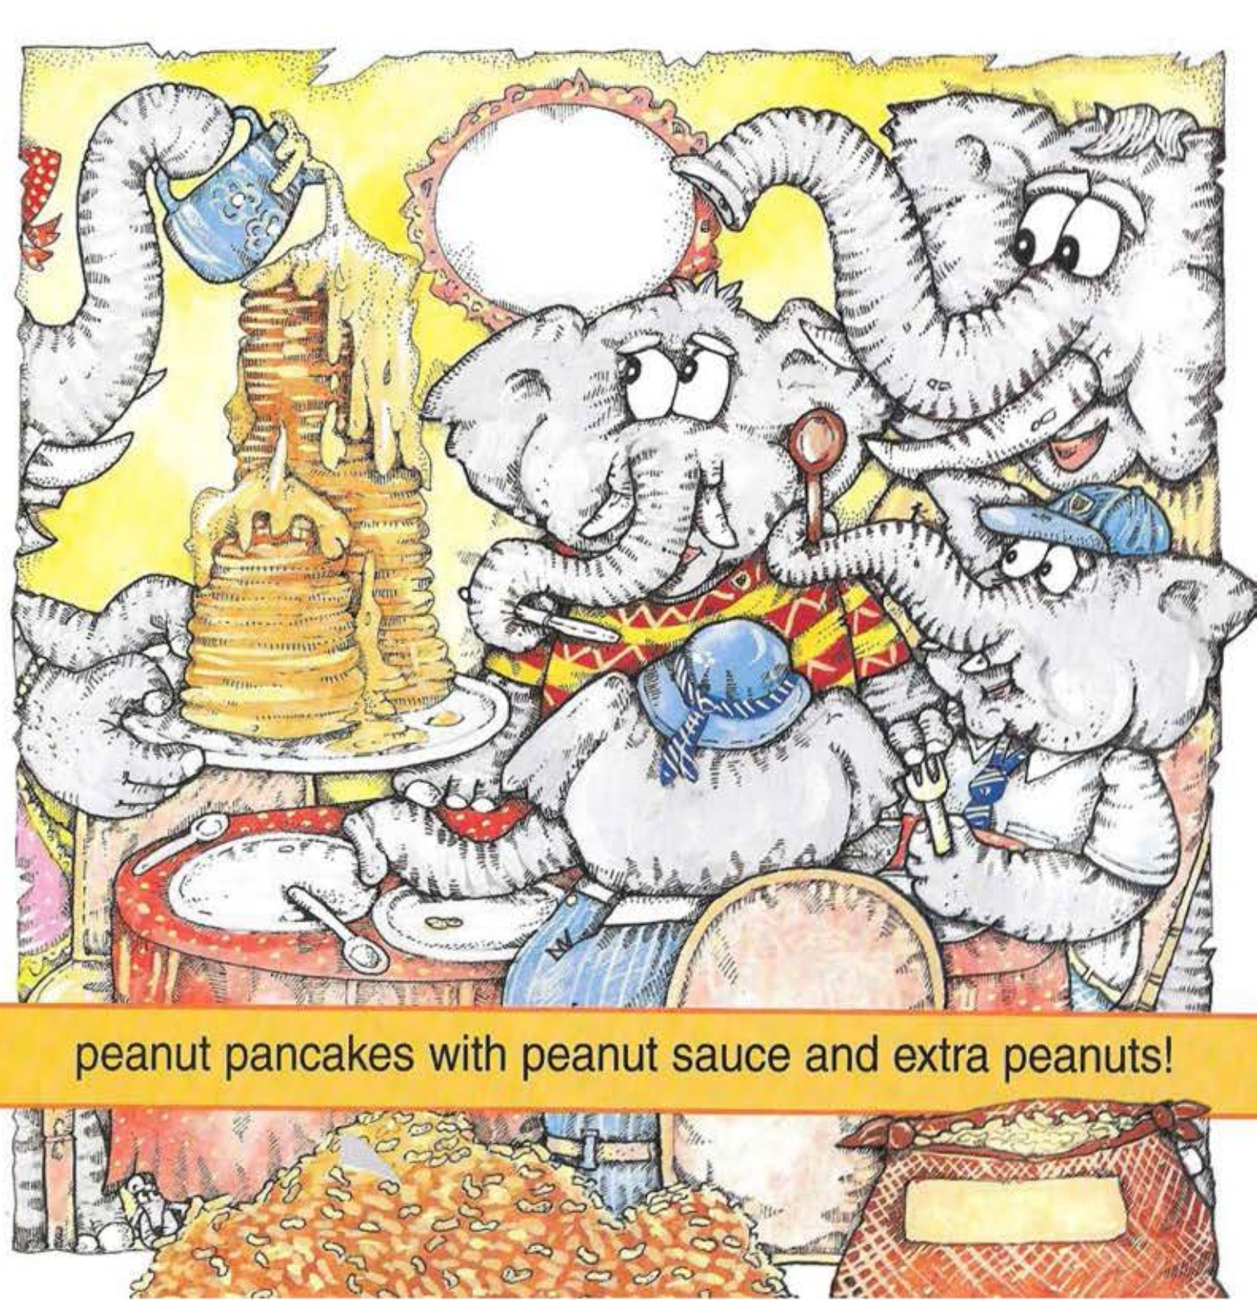
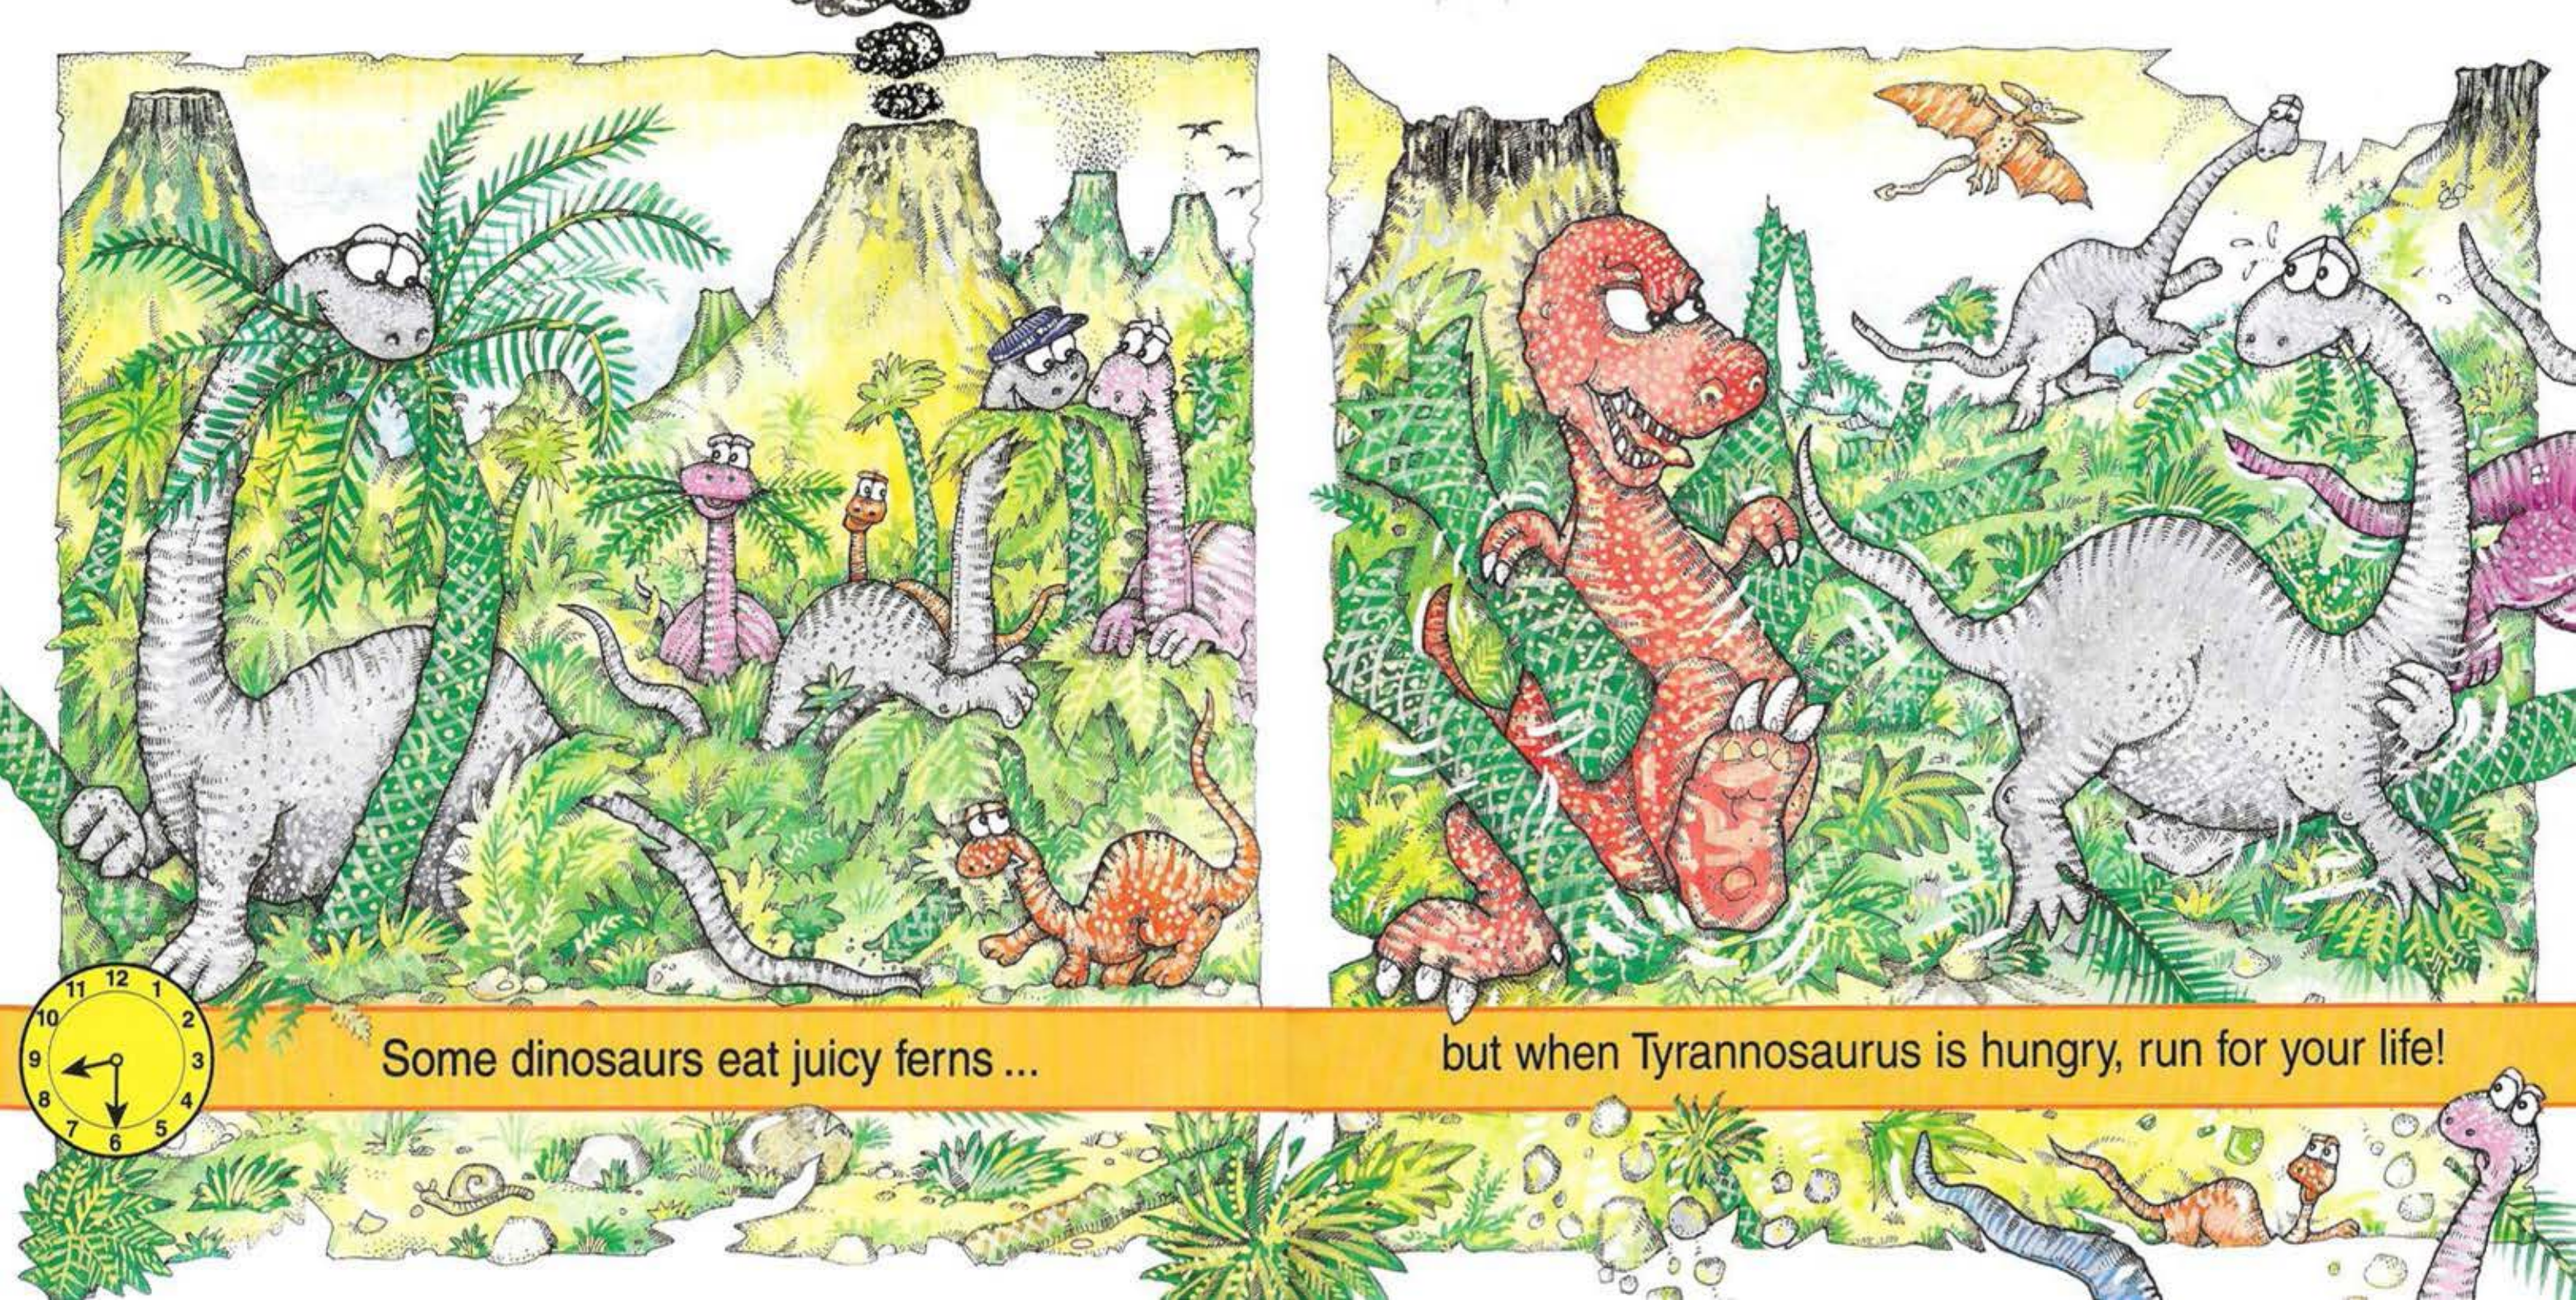
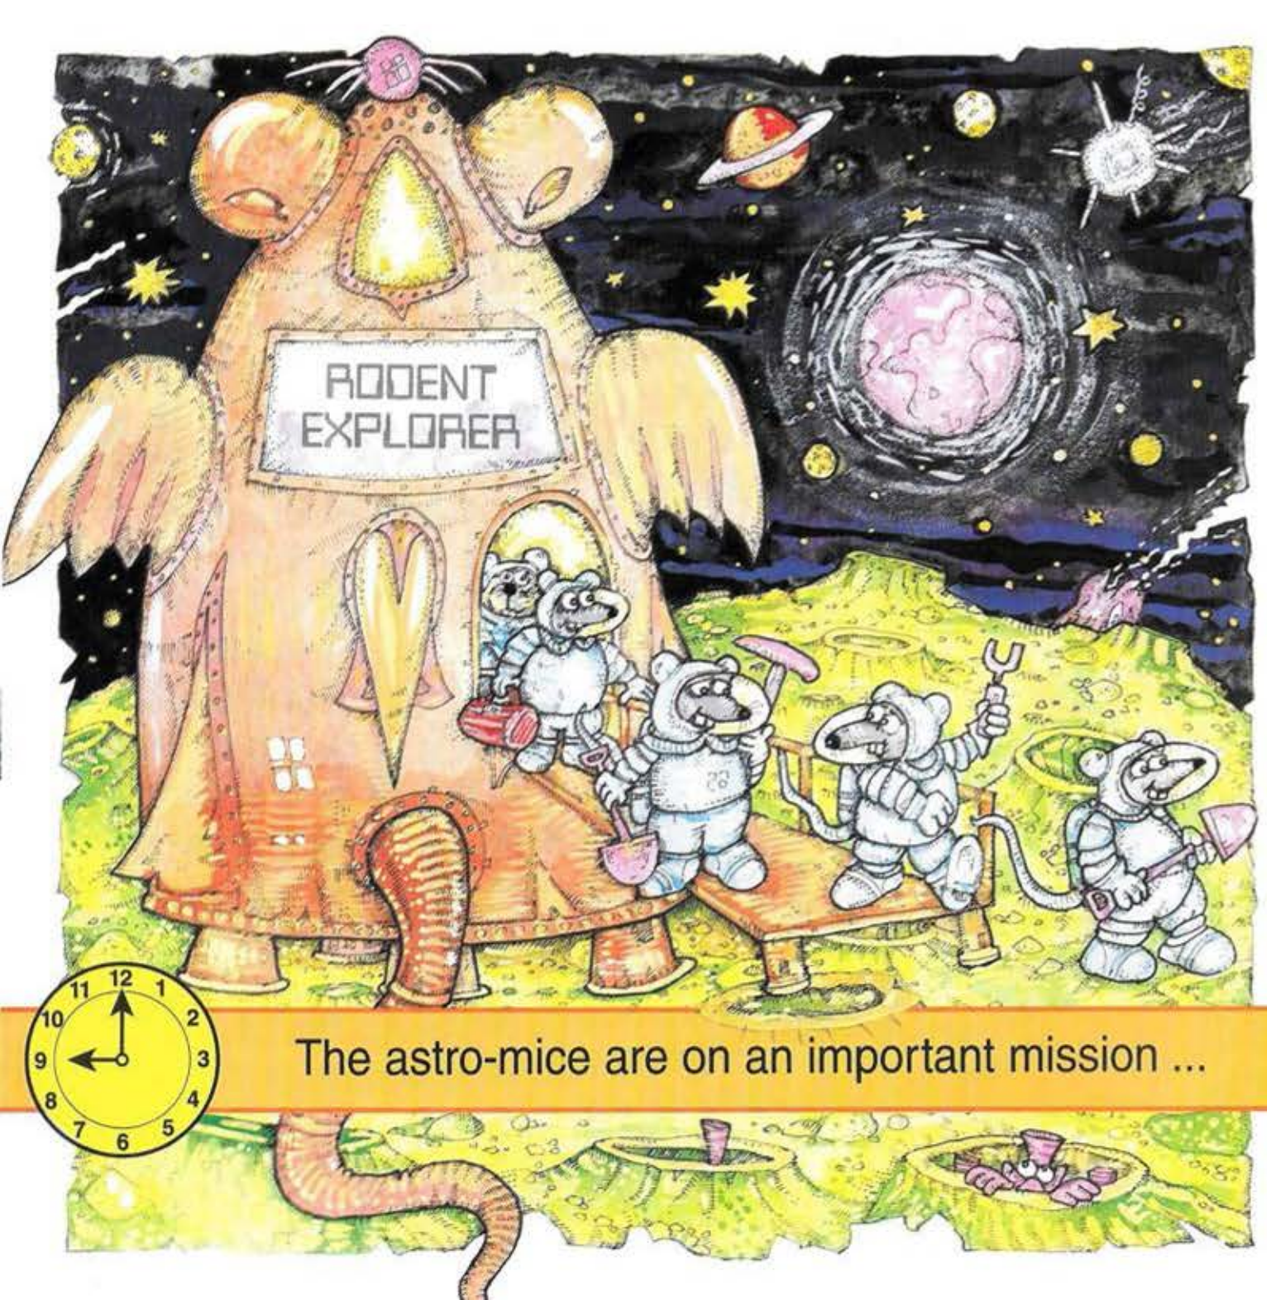
The elephant family loves breakfast ...



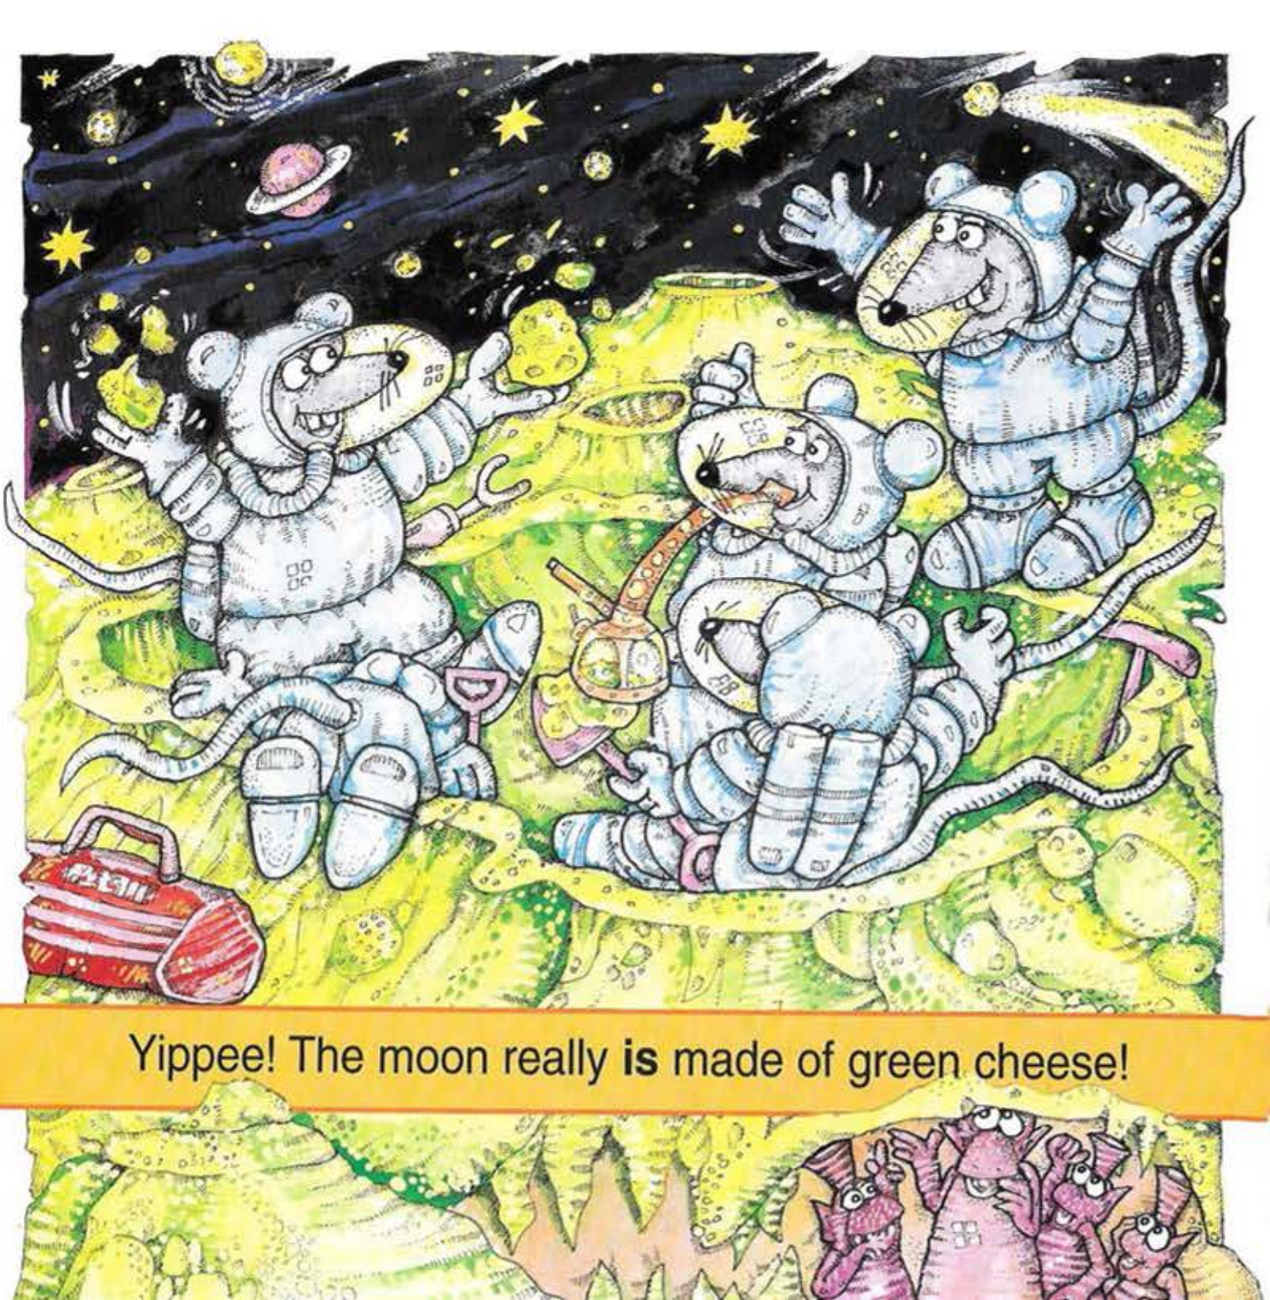
peanut pancakes with peanut sauce and extra peanuts!



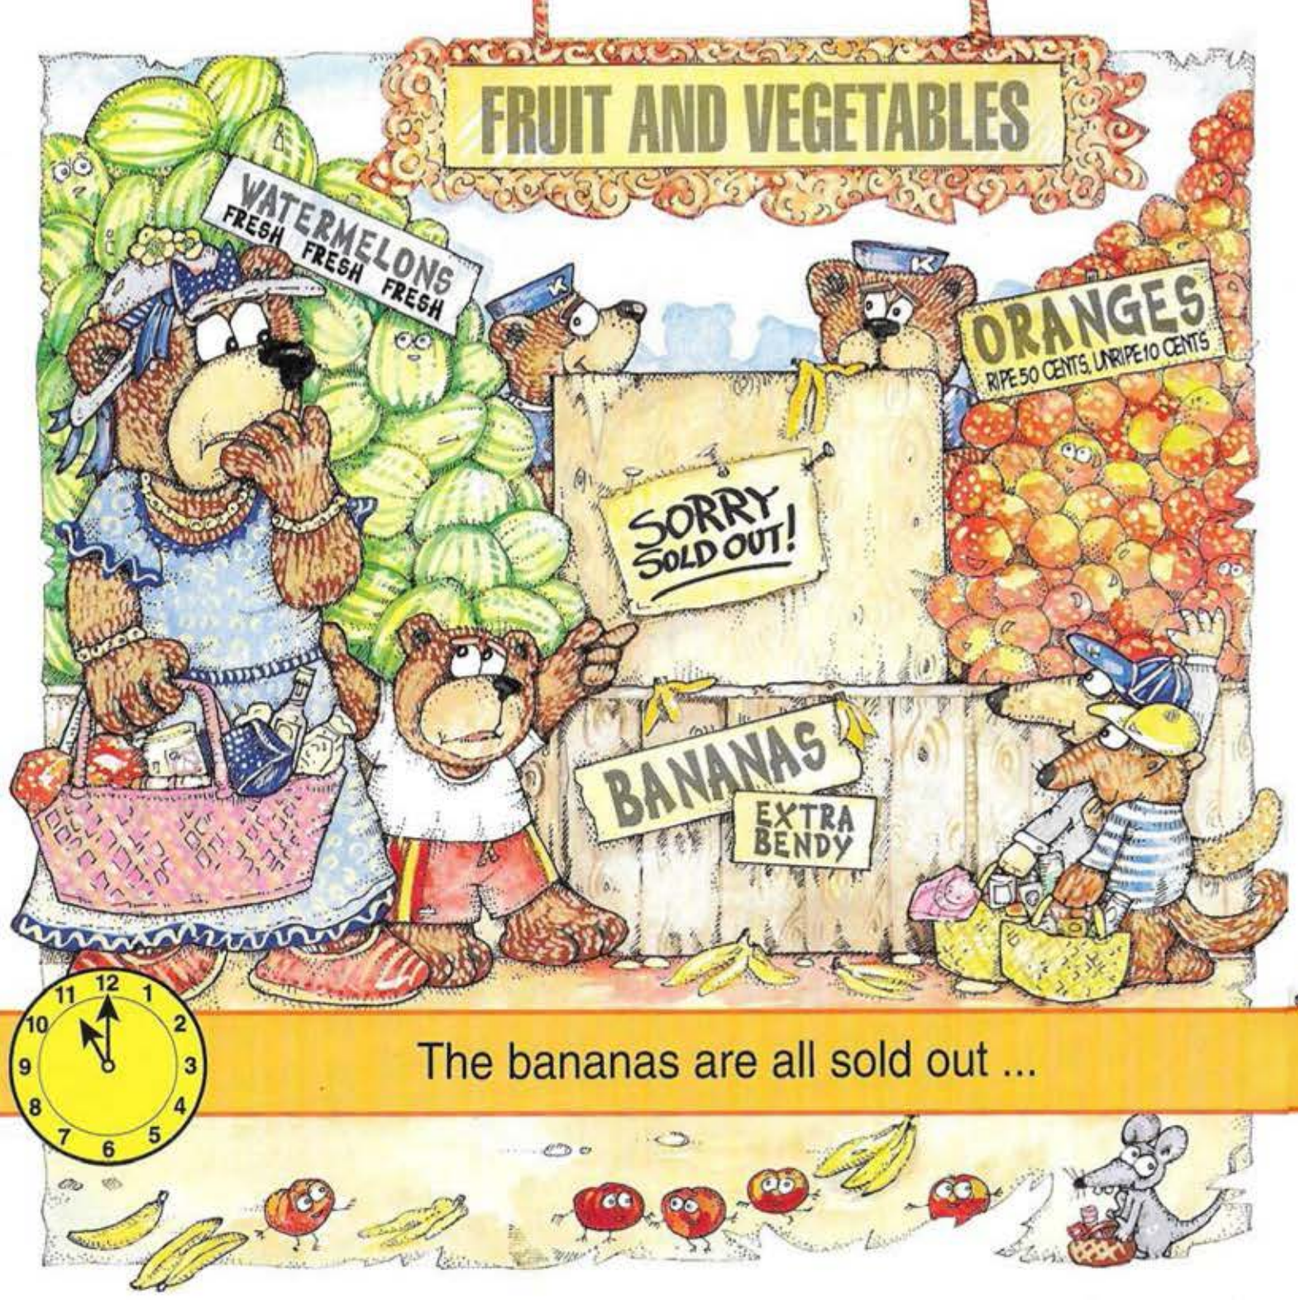
Some dinosaurs eat juicy ferns ...
but when Tyrannosaurus is hungry, run for your life!



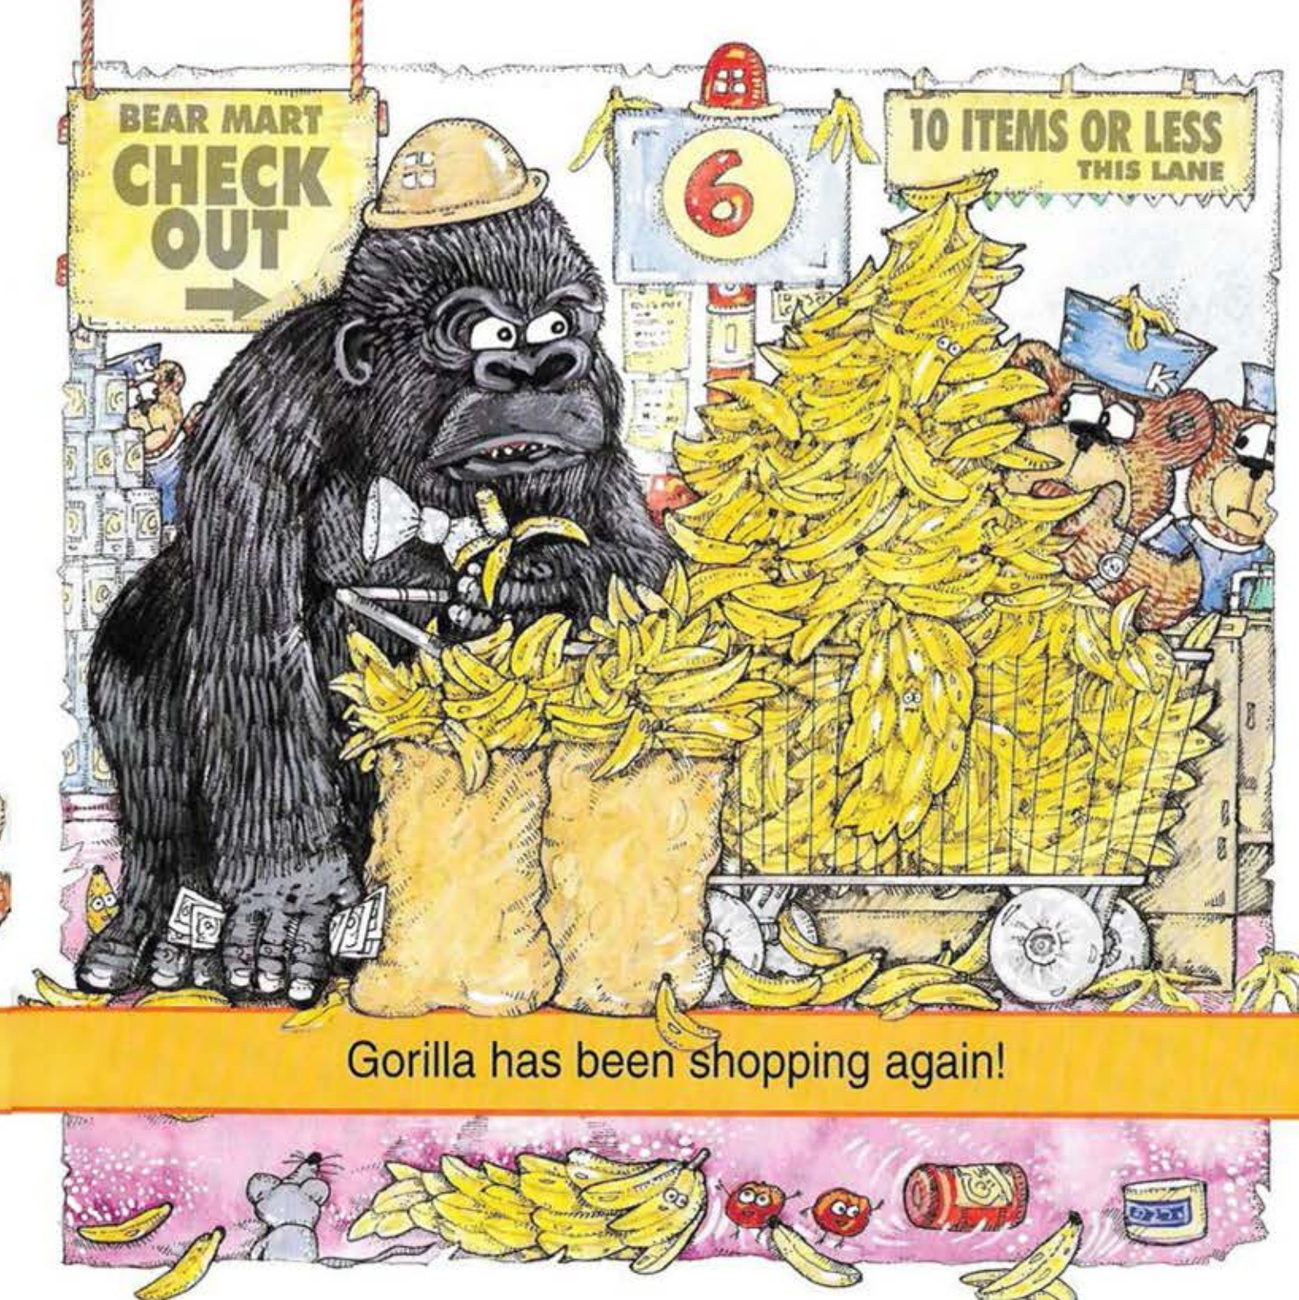
The astro-mice are on an important mission ...



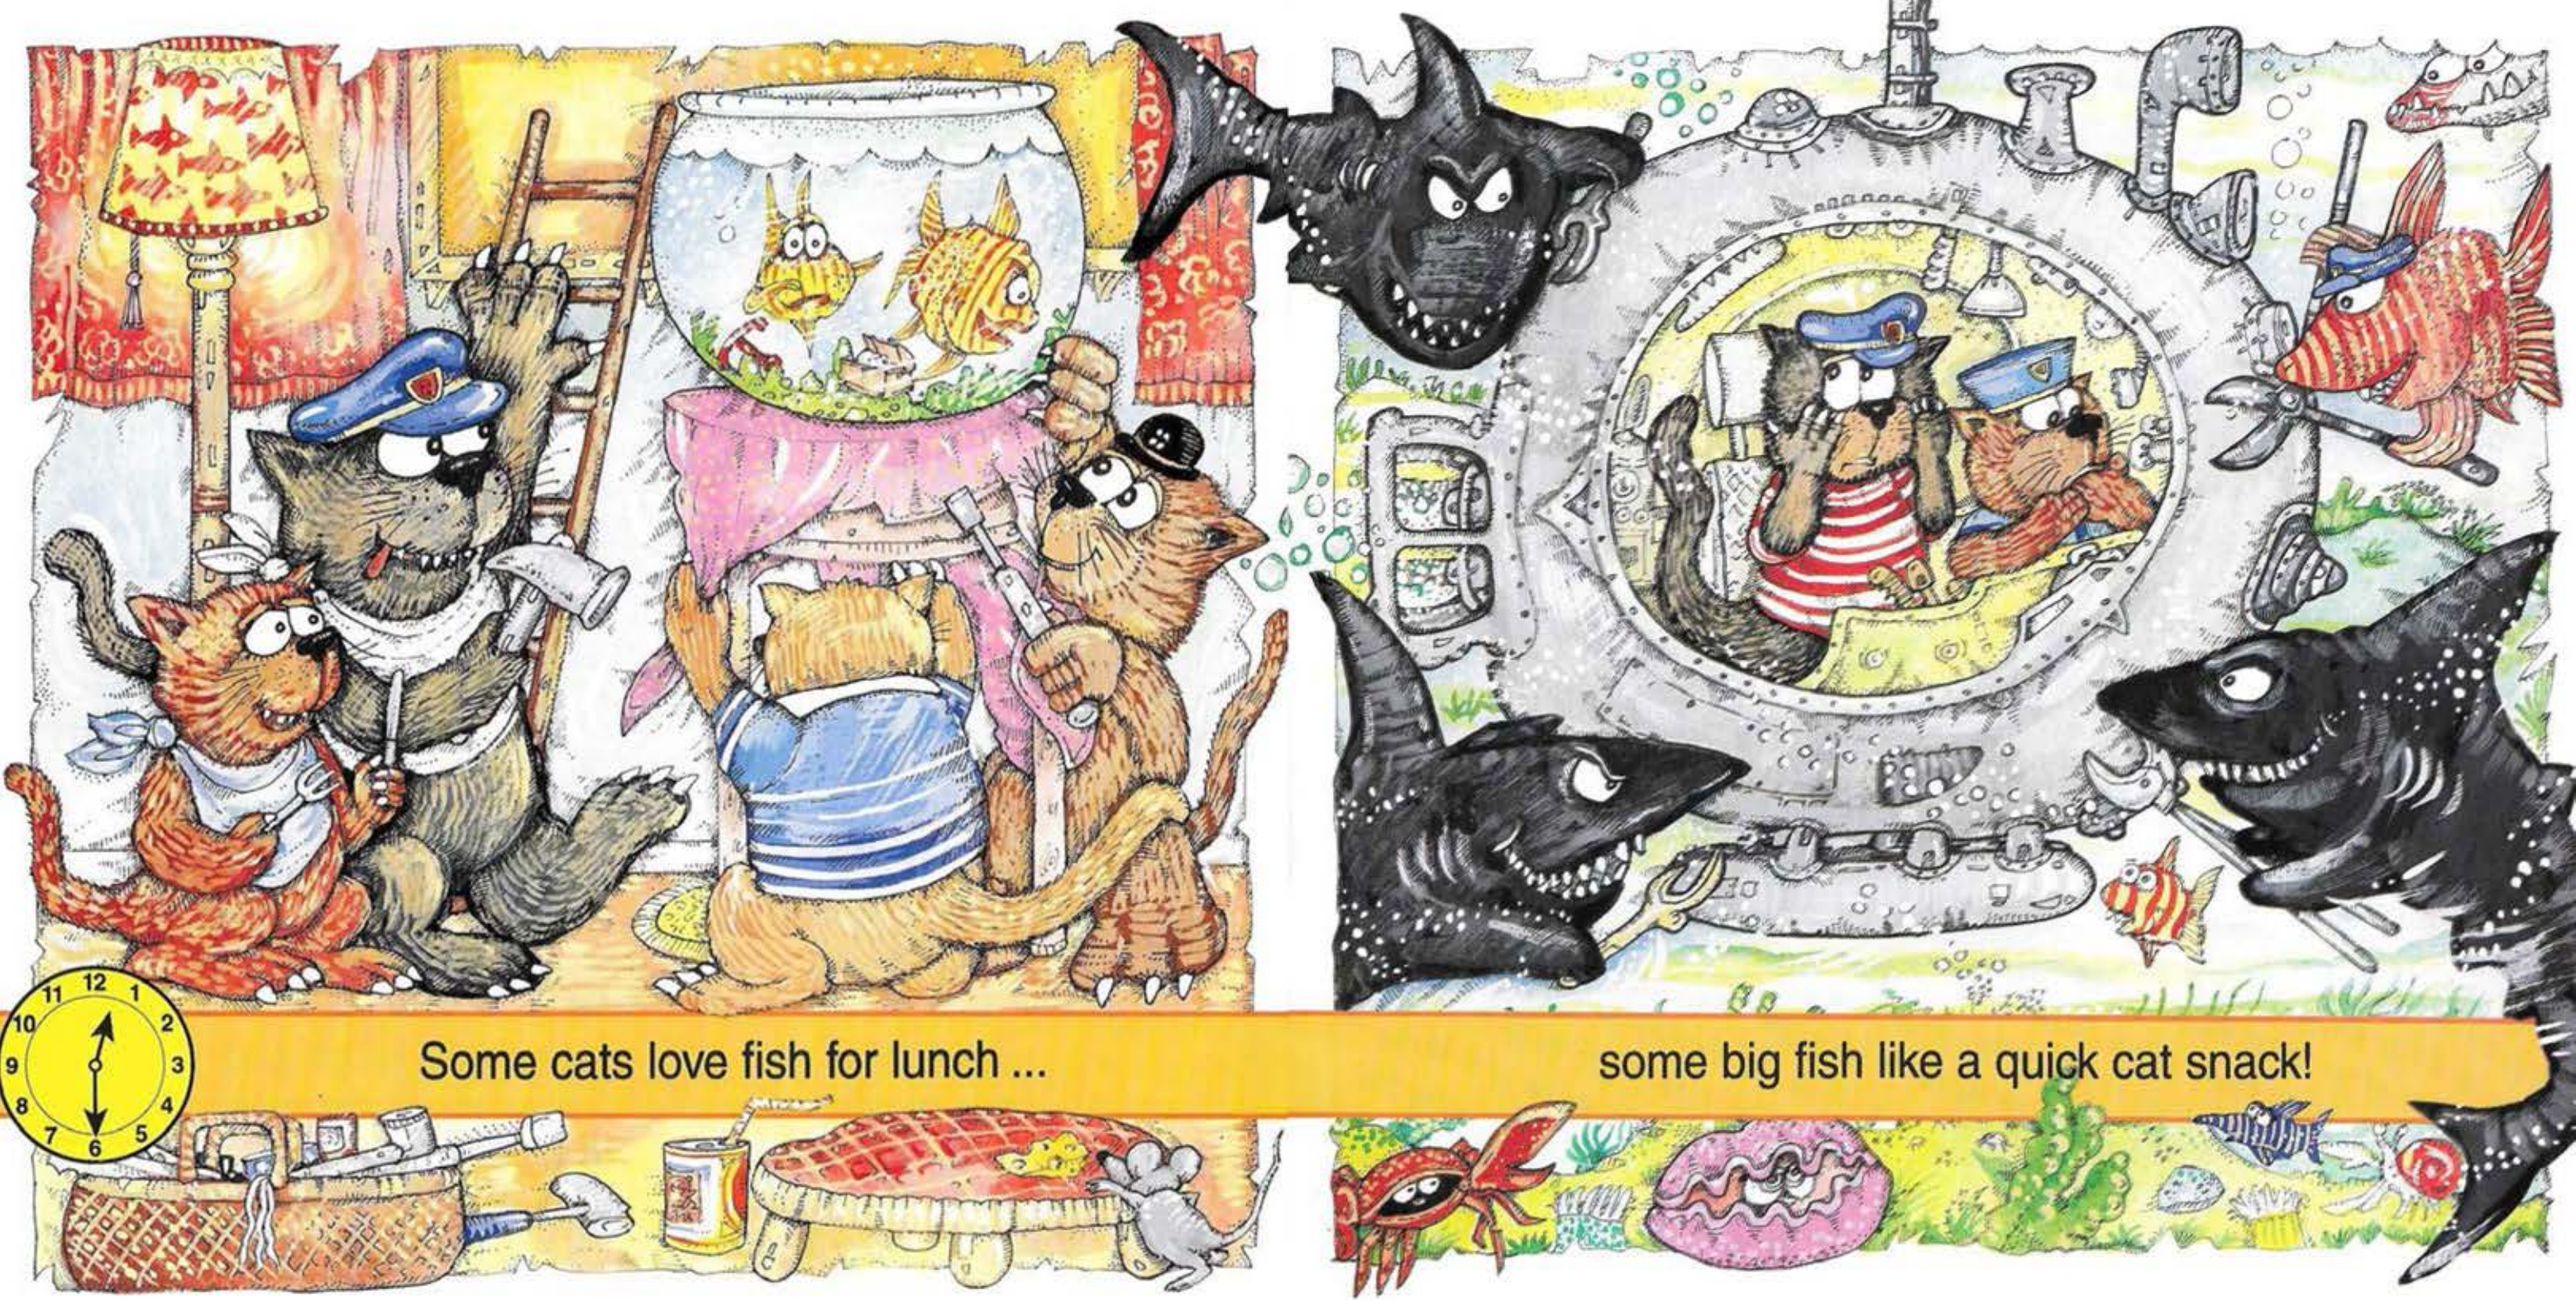
Yippee! The moon really **is** made of green cheese!



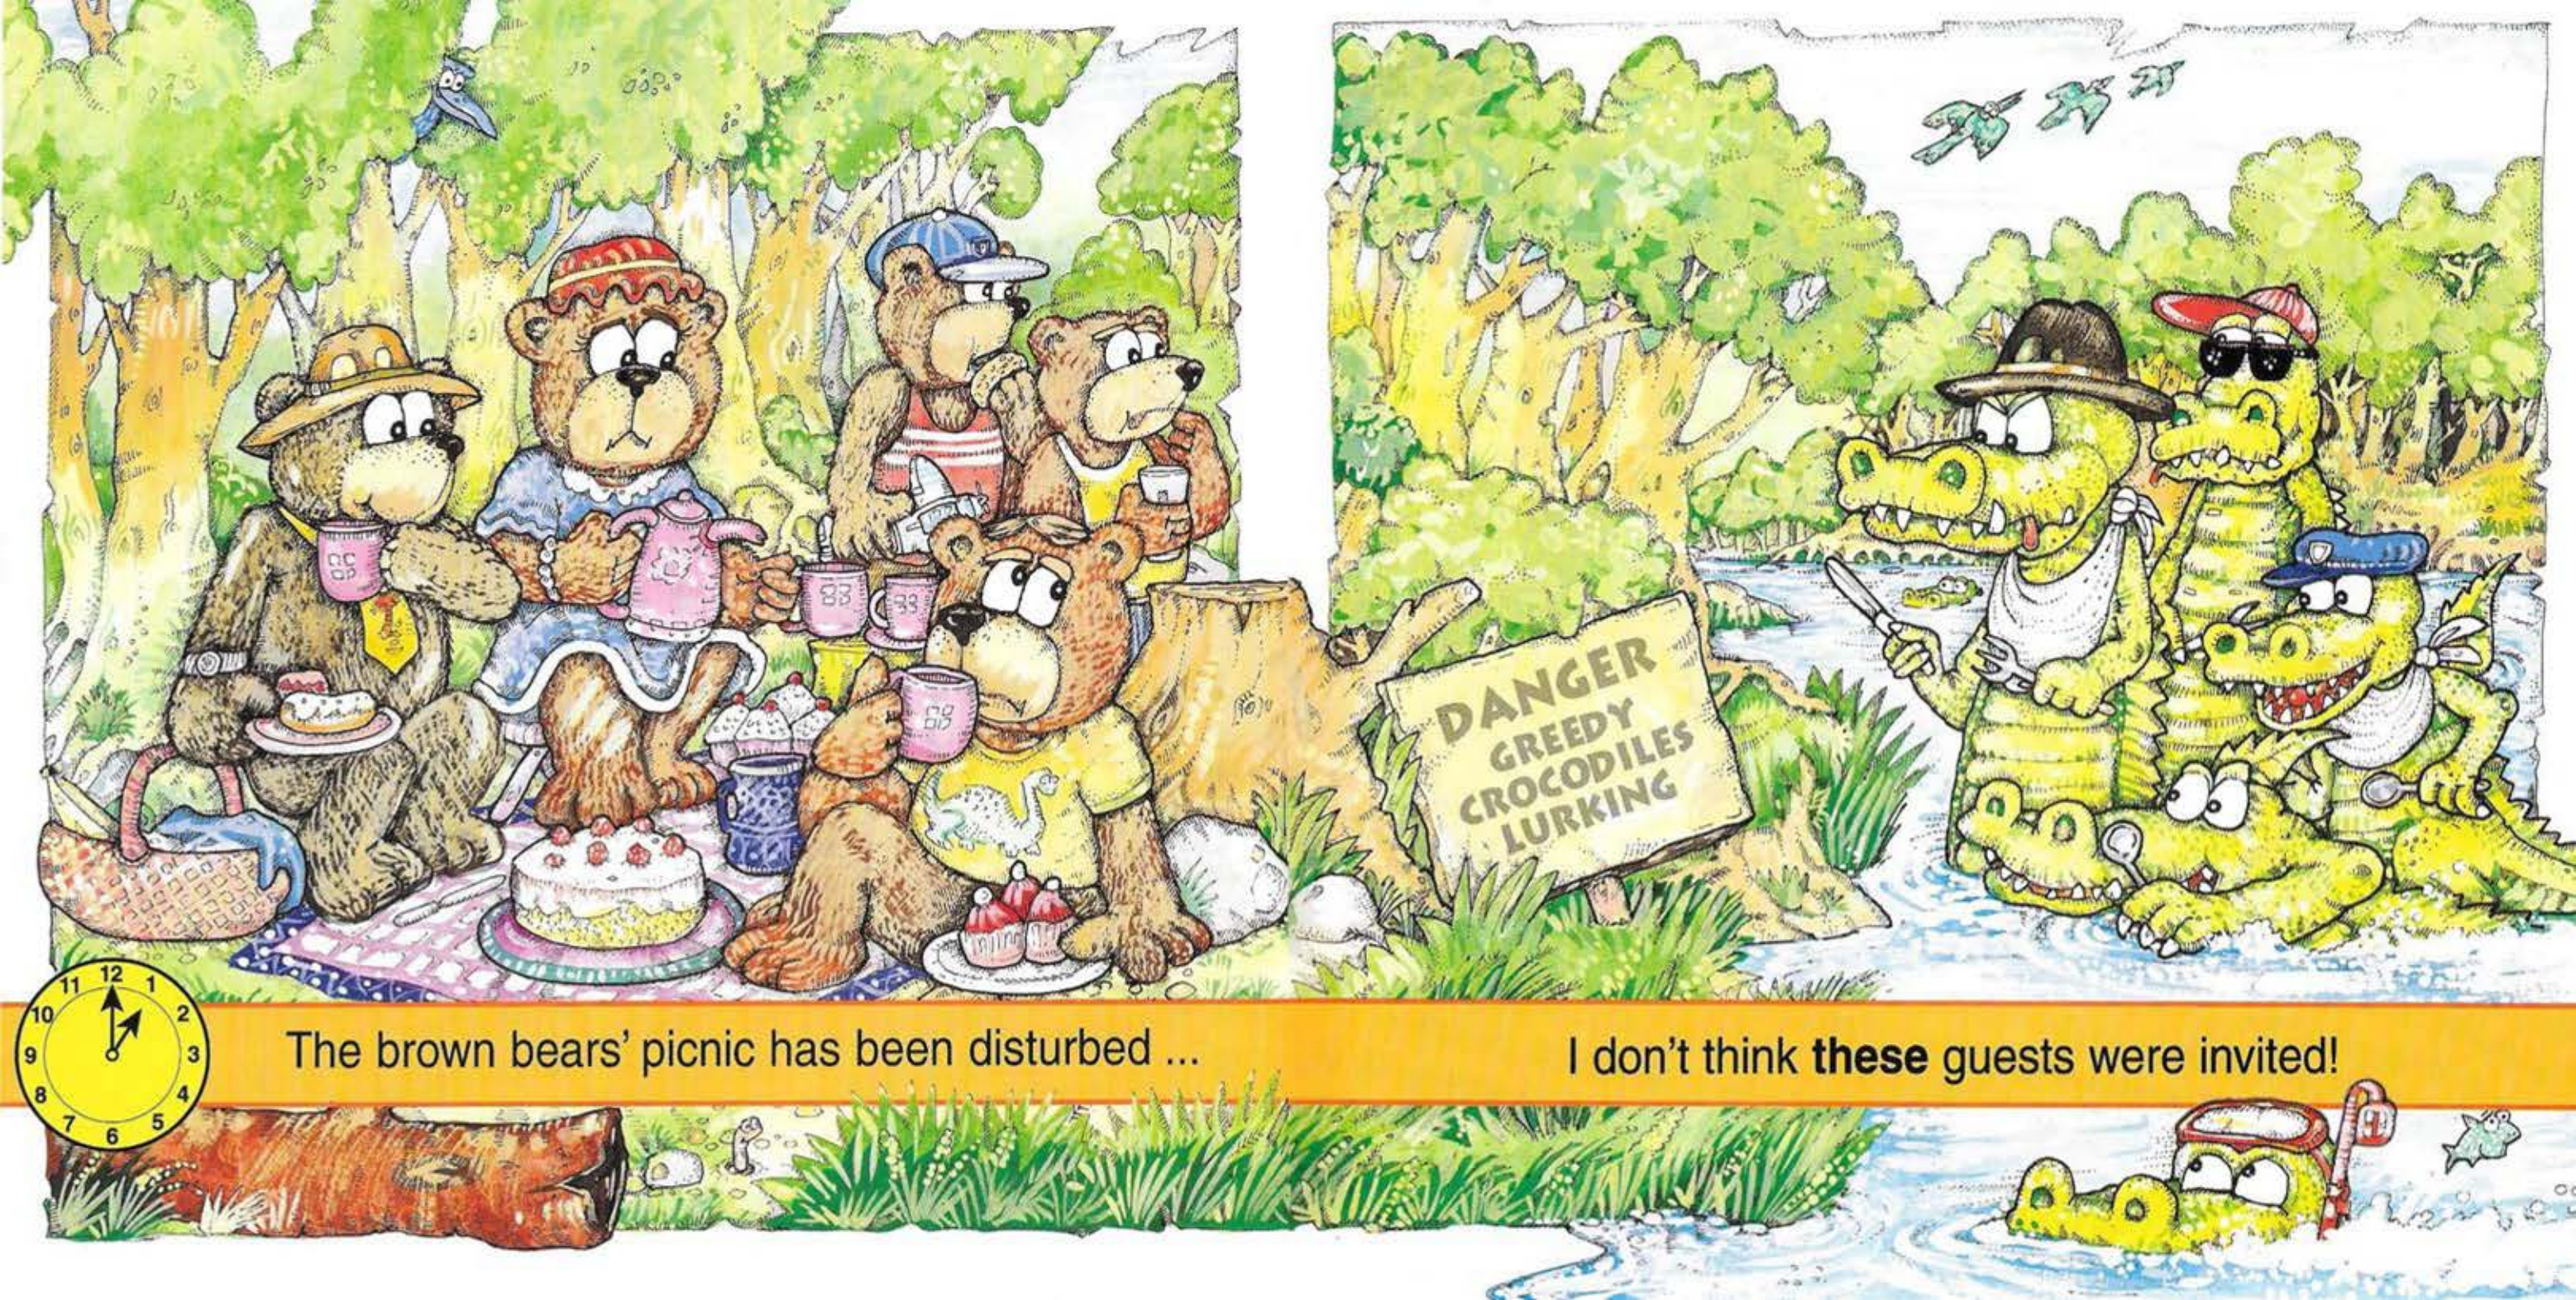
The bananas are all sold out ...



Gorilla has been shopping again!

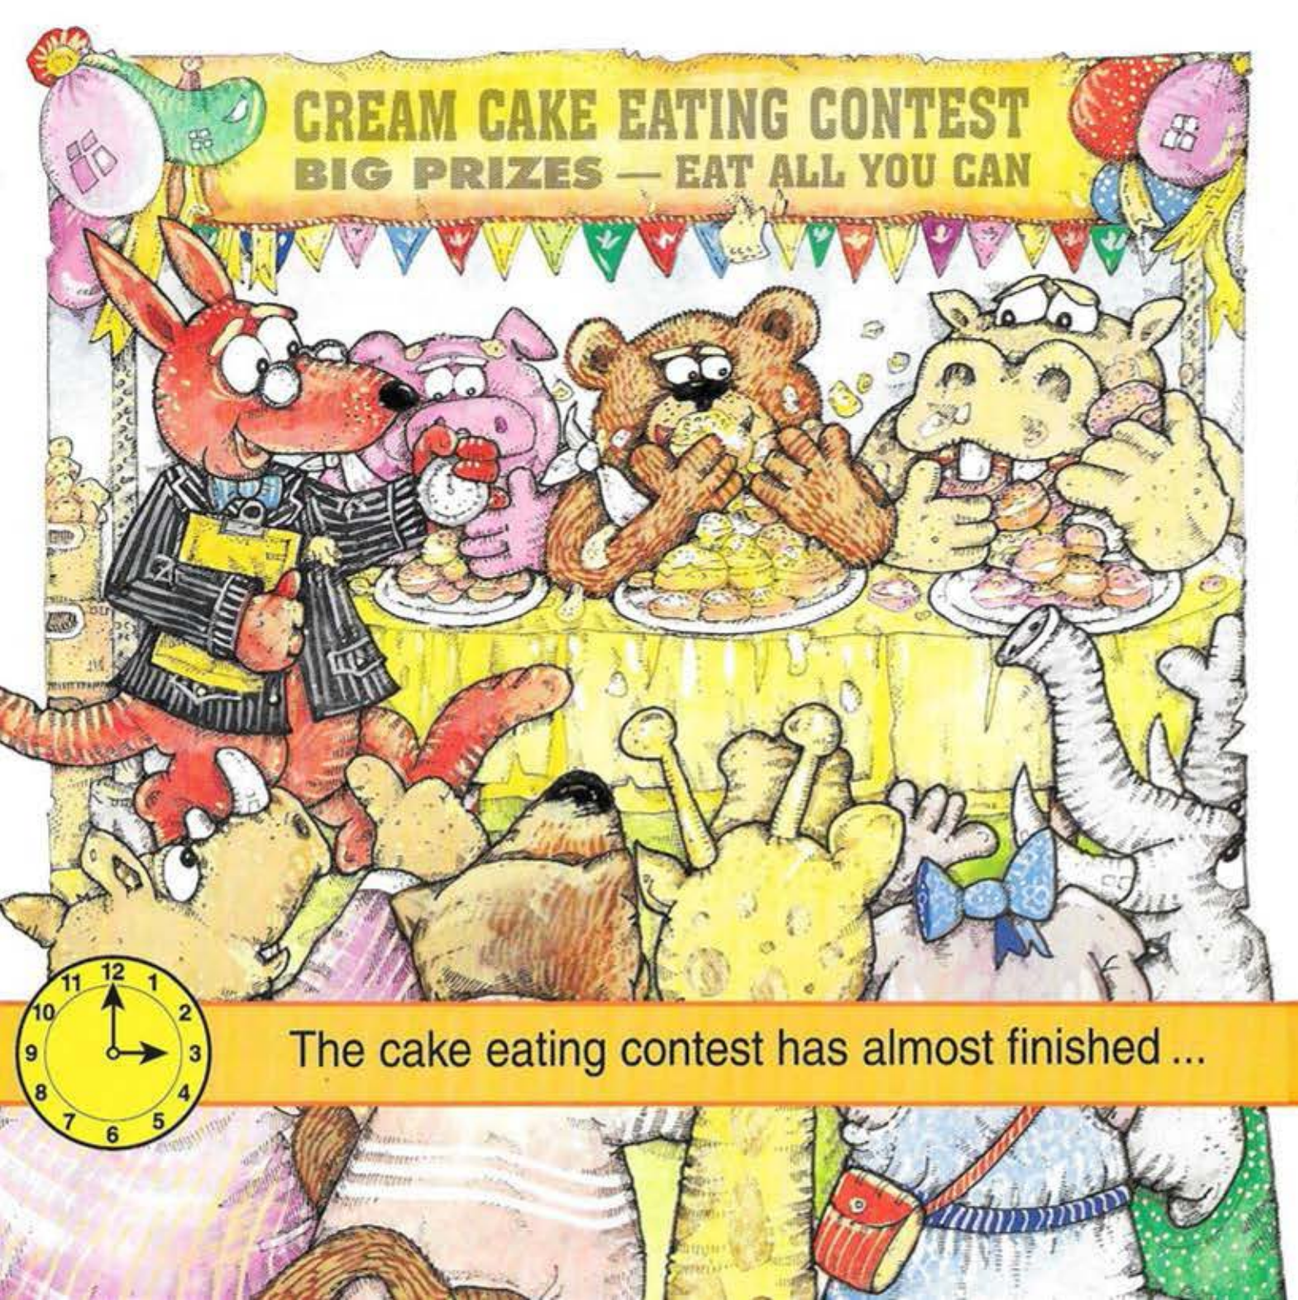


Some cats love fish for lunch ...
some big fish like a quick cat snack!

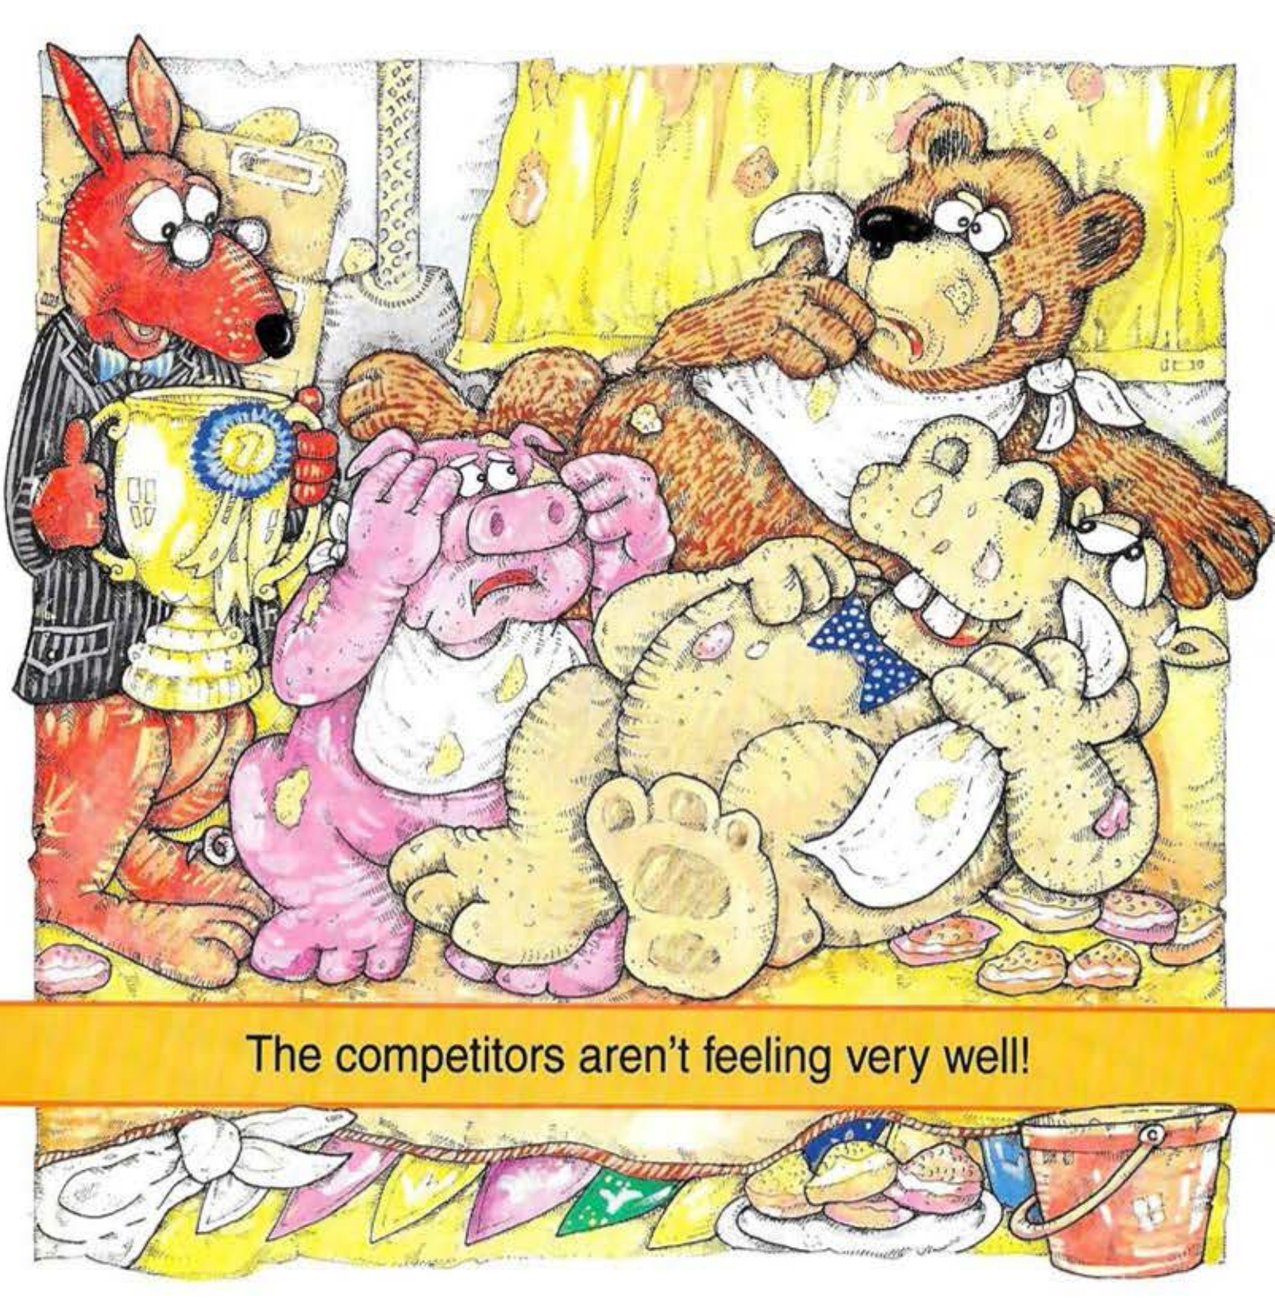


The brown bears' picnic has been disturbed ...

I don't think **these** guests were invited!



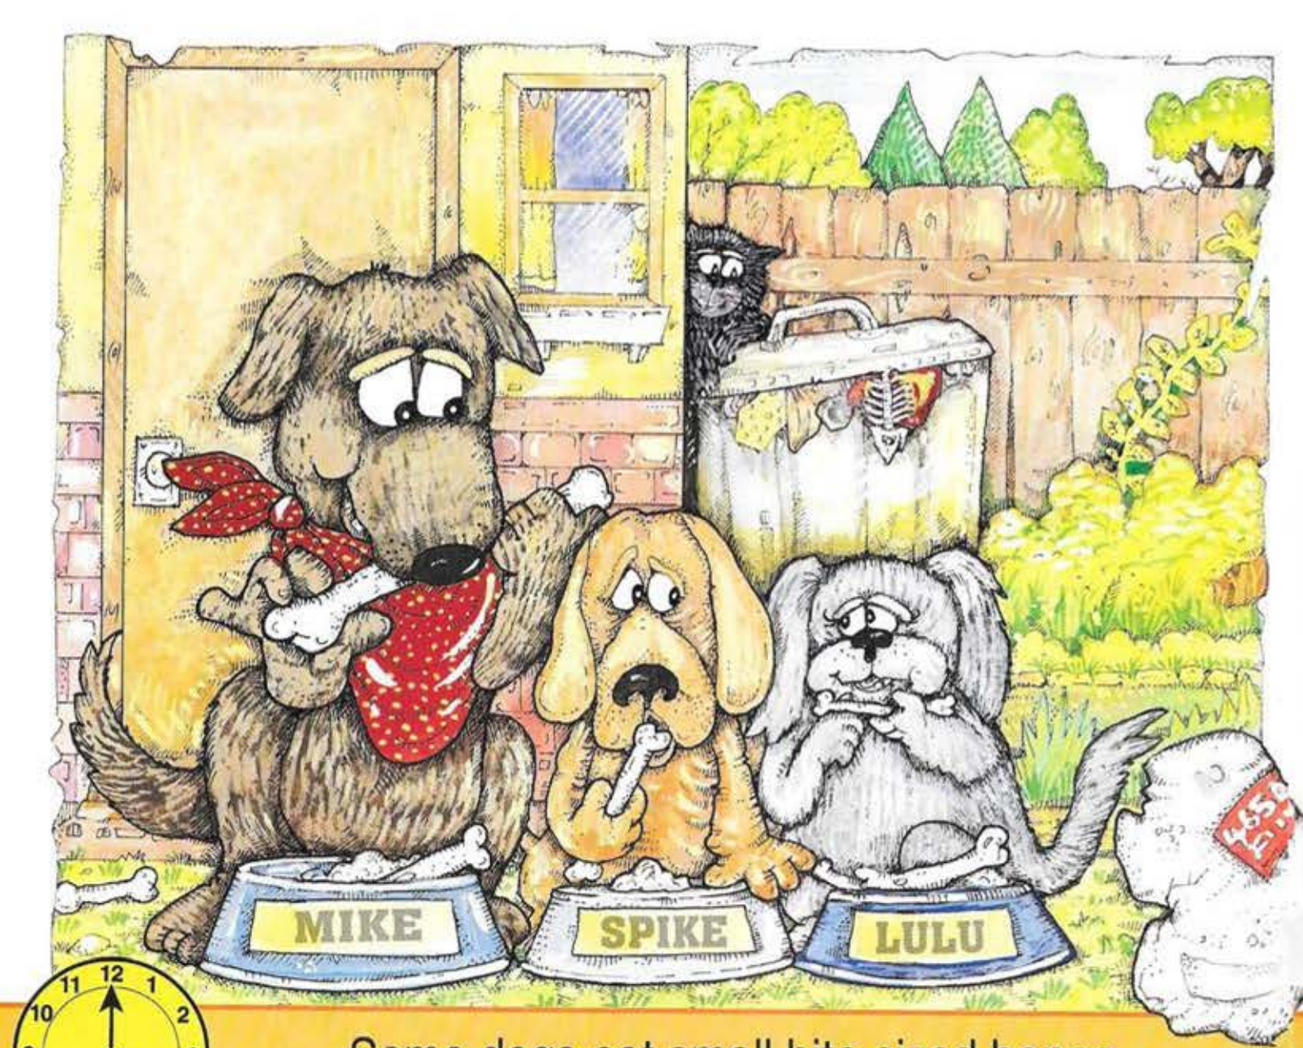
The cake eating contest has almost finished ...



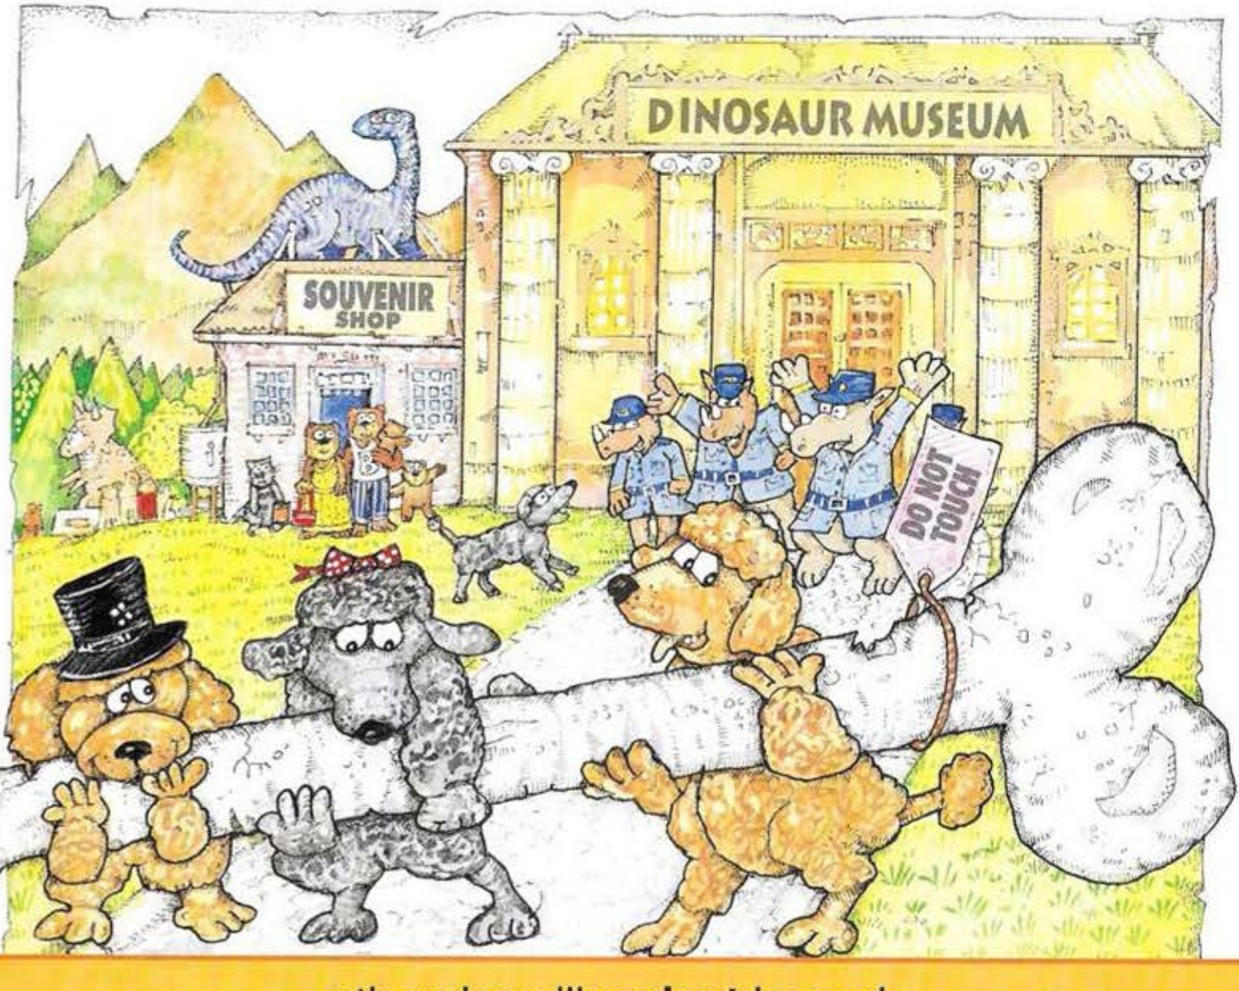
The competitors aren't feeling very well!

When pigs come to visit ...

never, **never** invite them to afternoon tea!

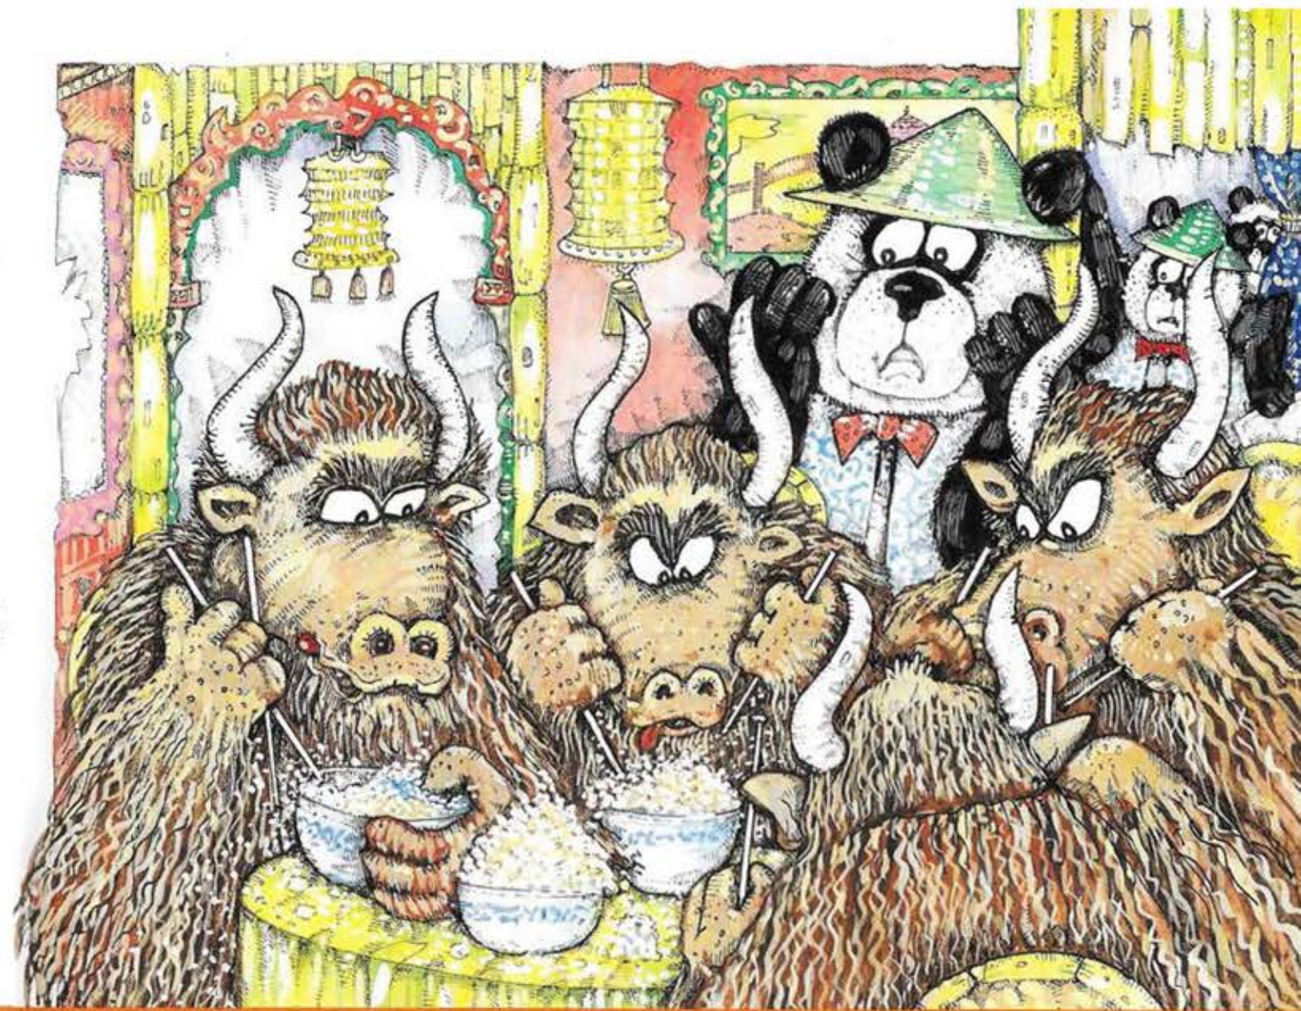


Some dogs eat small bite sized bones ...

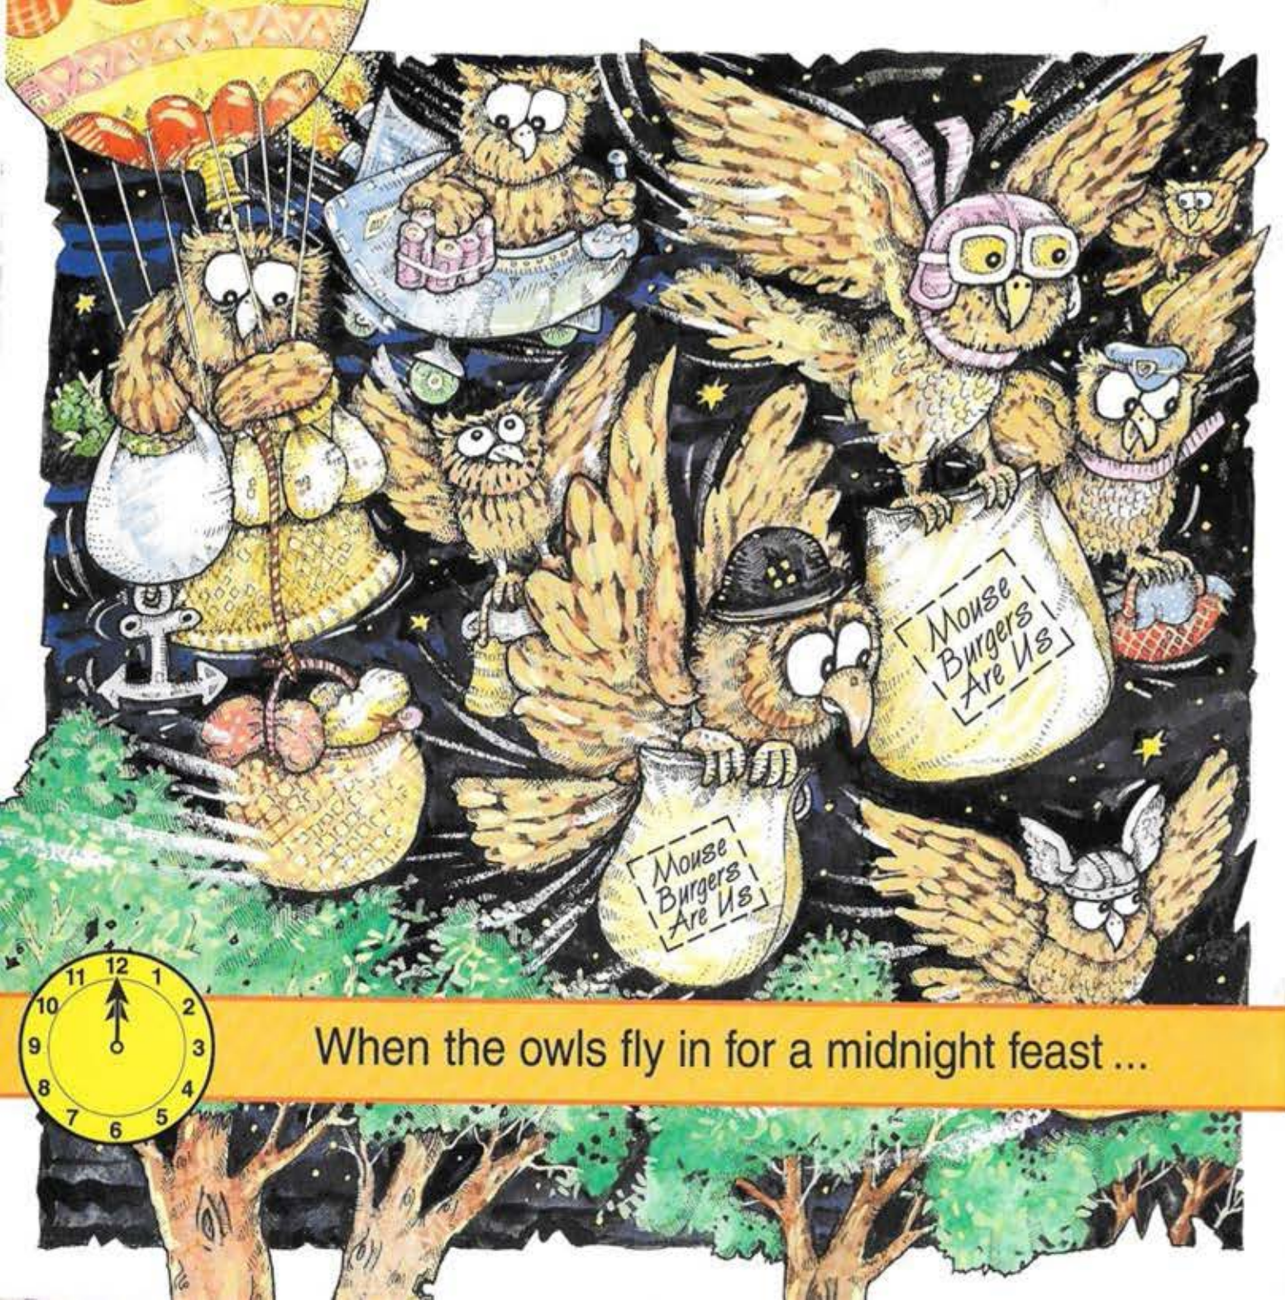


other dogs like **giant** bones!

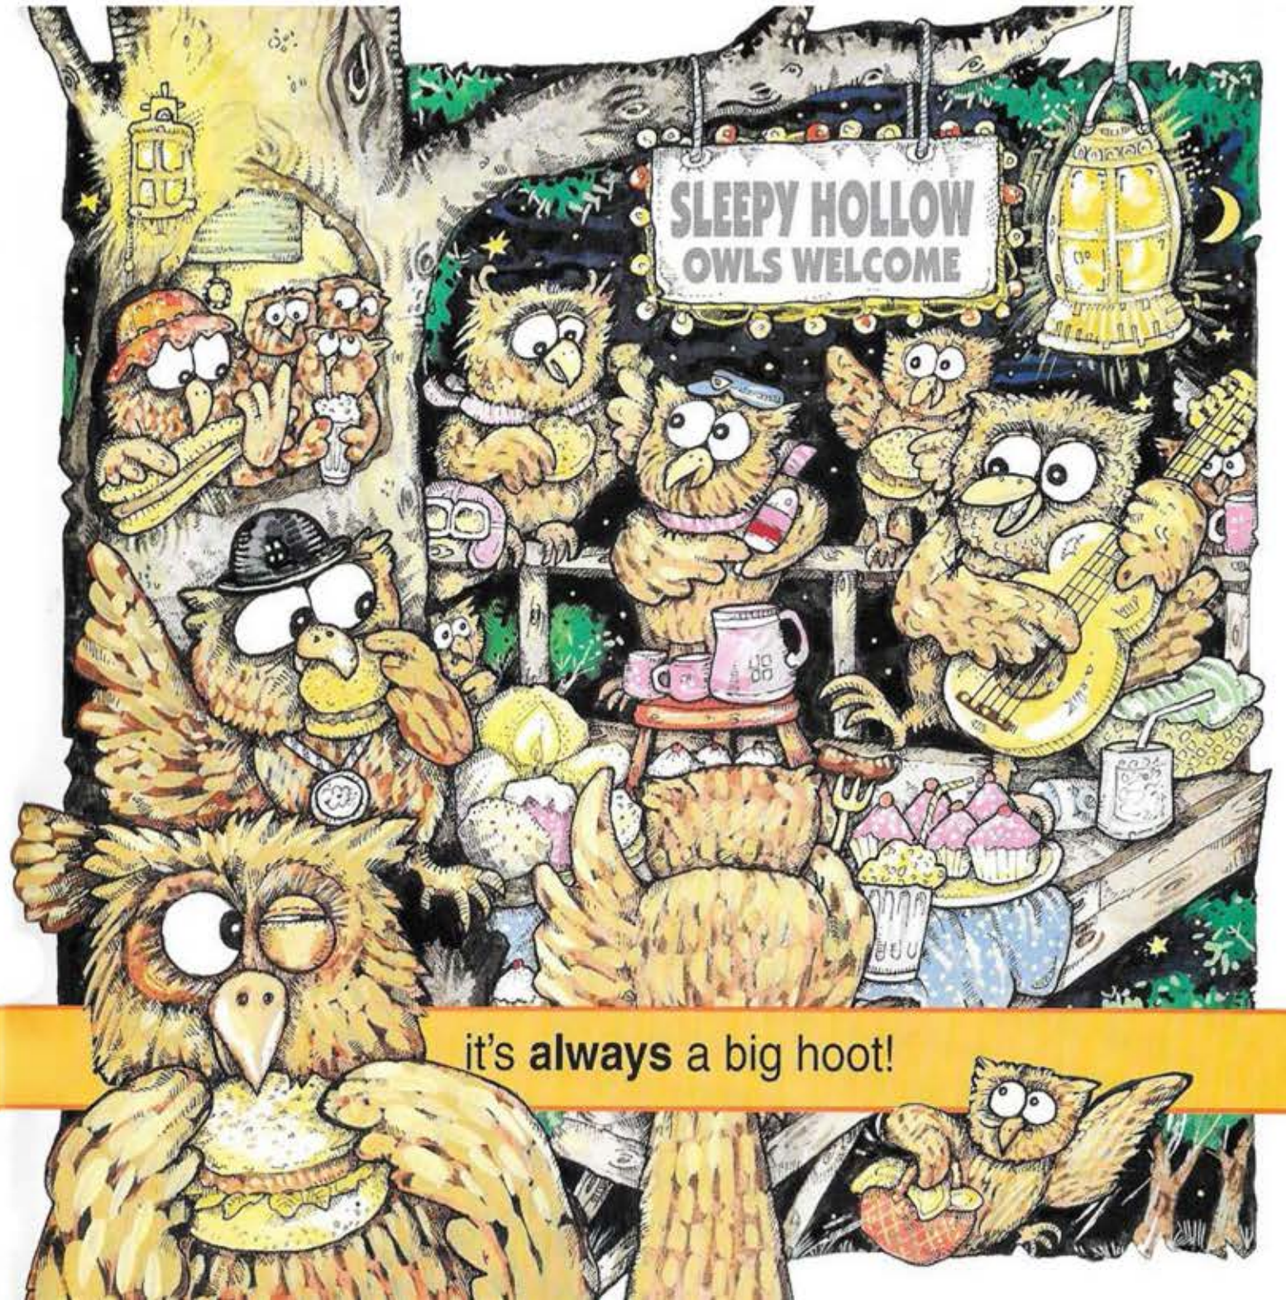
The pandas have been waiting a long time ...



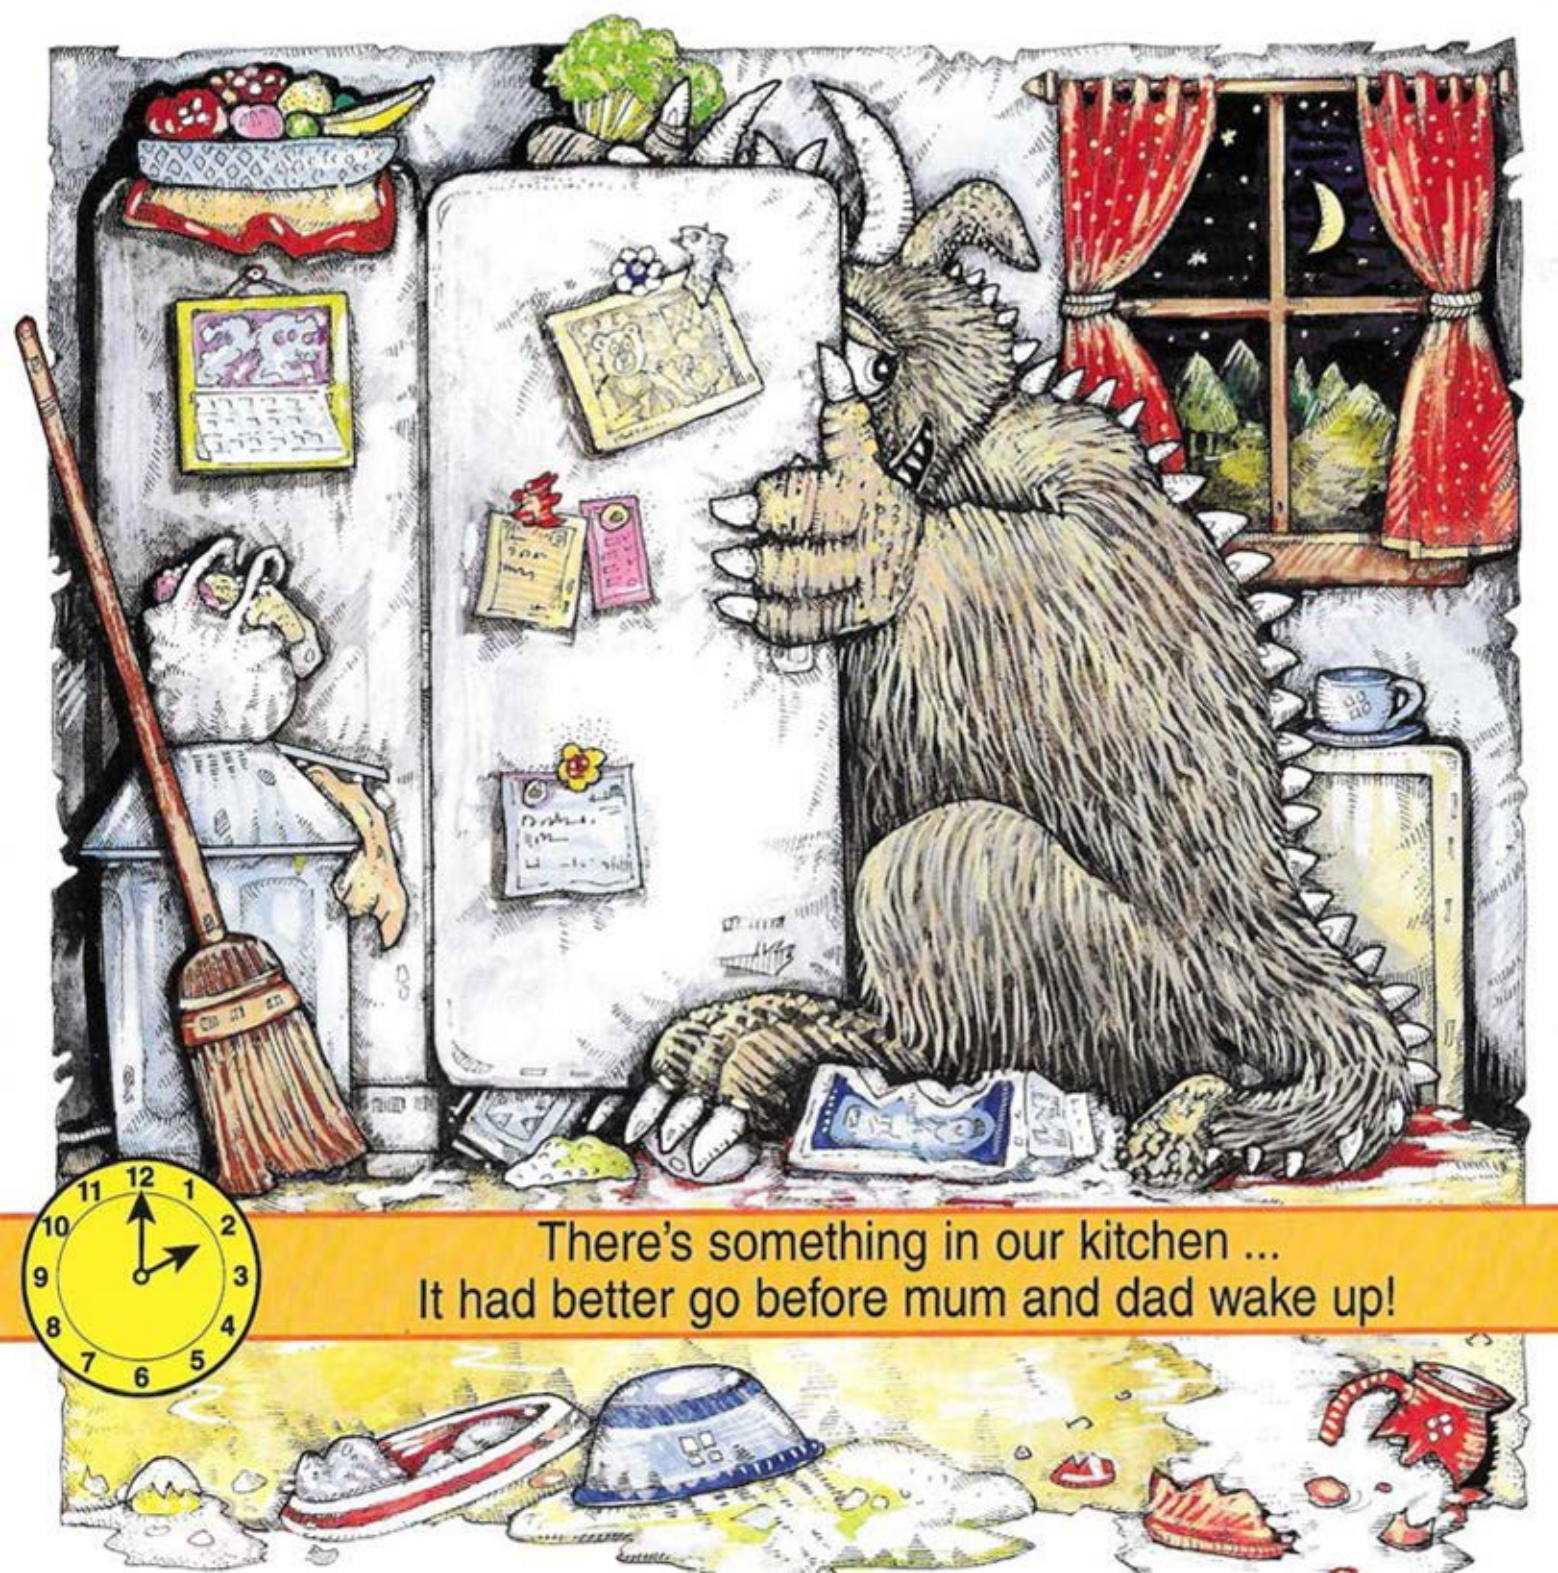
for the yaks to finish their rice!



When the owls fly in for a midnight feast ...



it's **always** a big hoot!



There's something in our kitchen ...
It had better go before mum and dad wake up!
