As Brian reads the news each night,
He keeps his huge claws out of sight,
He is very careful not to scare,
The T.V. viewers everywhere!

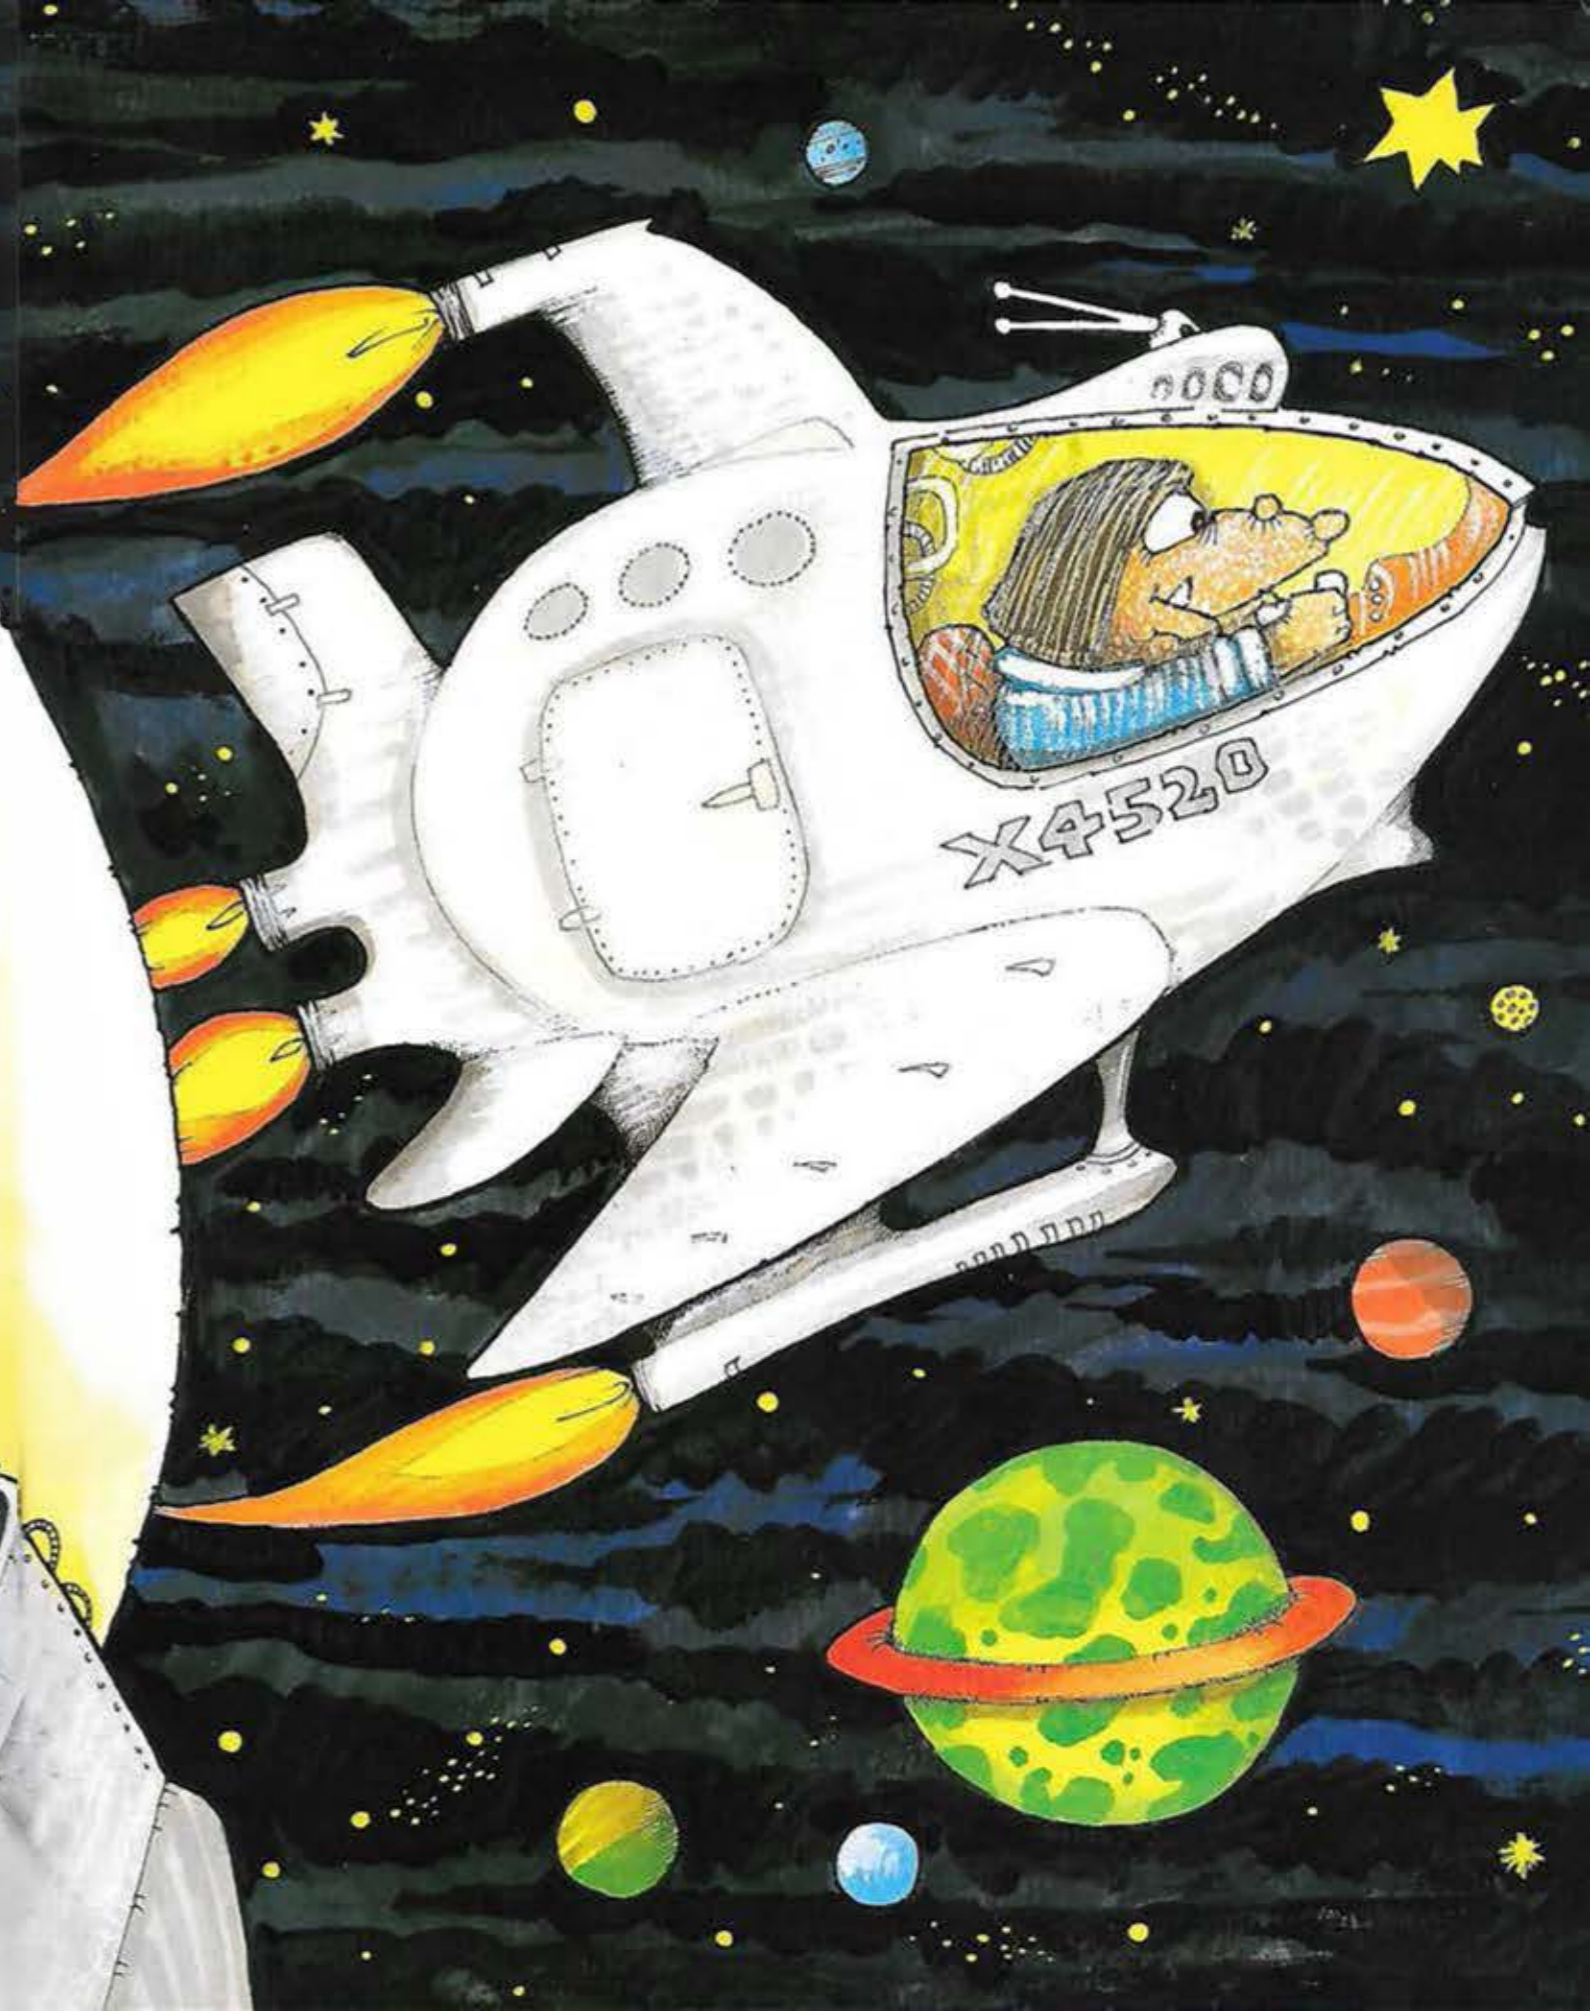

NELLIE'S TEAM	100
OTHER TEAM	0

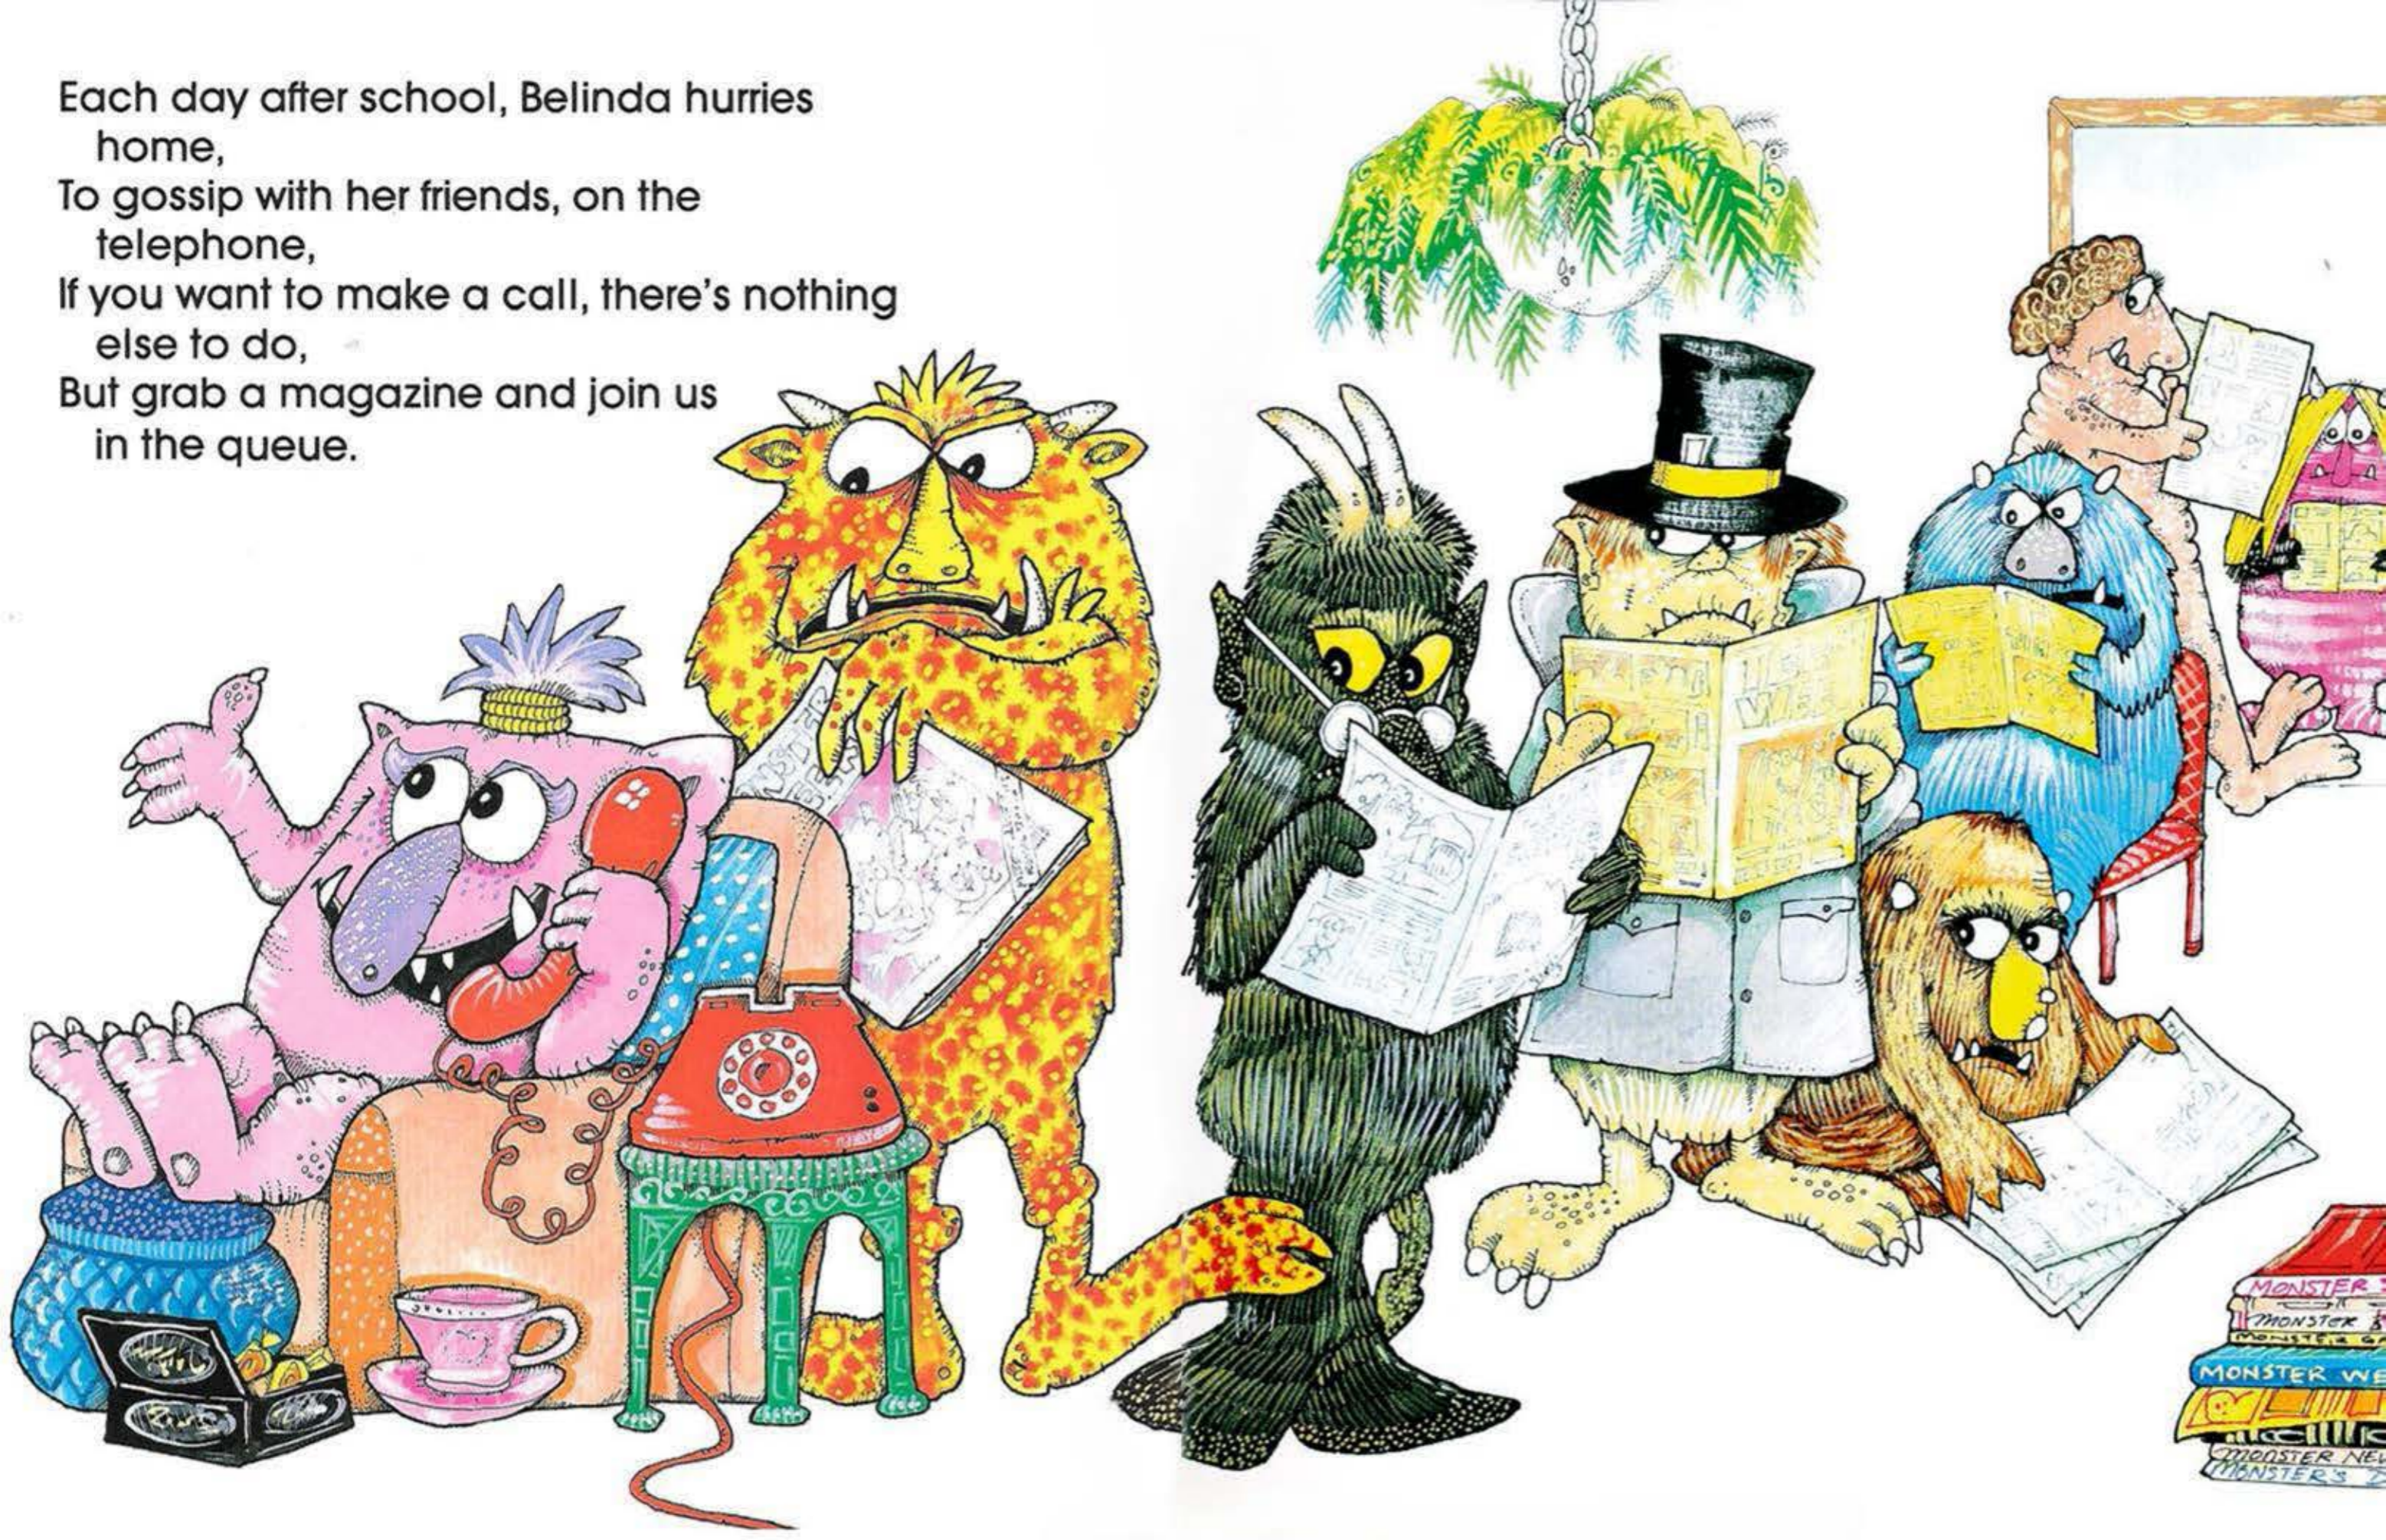

Nellie's netball team is tops,
They all wear long, striped, cotton
socks,
Every game becomes a bore,
The other teams just never score.

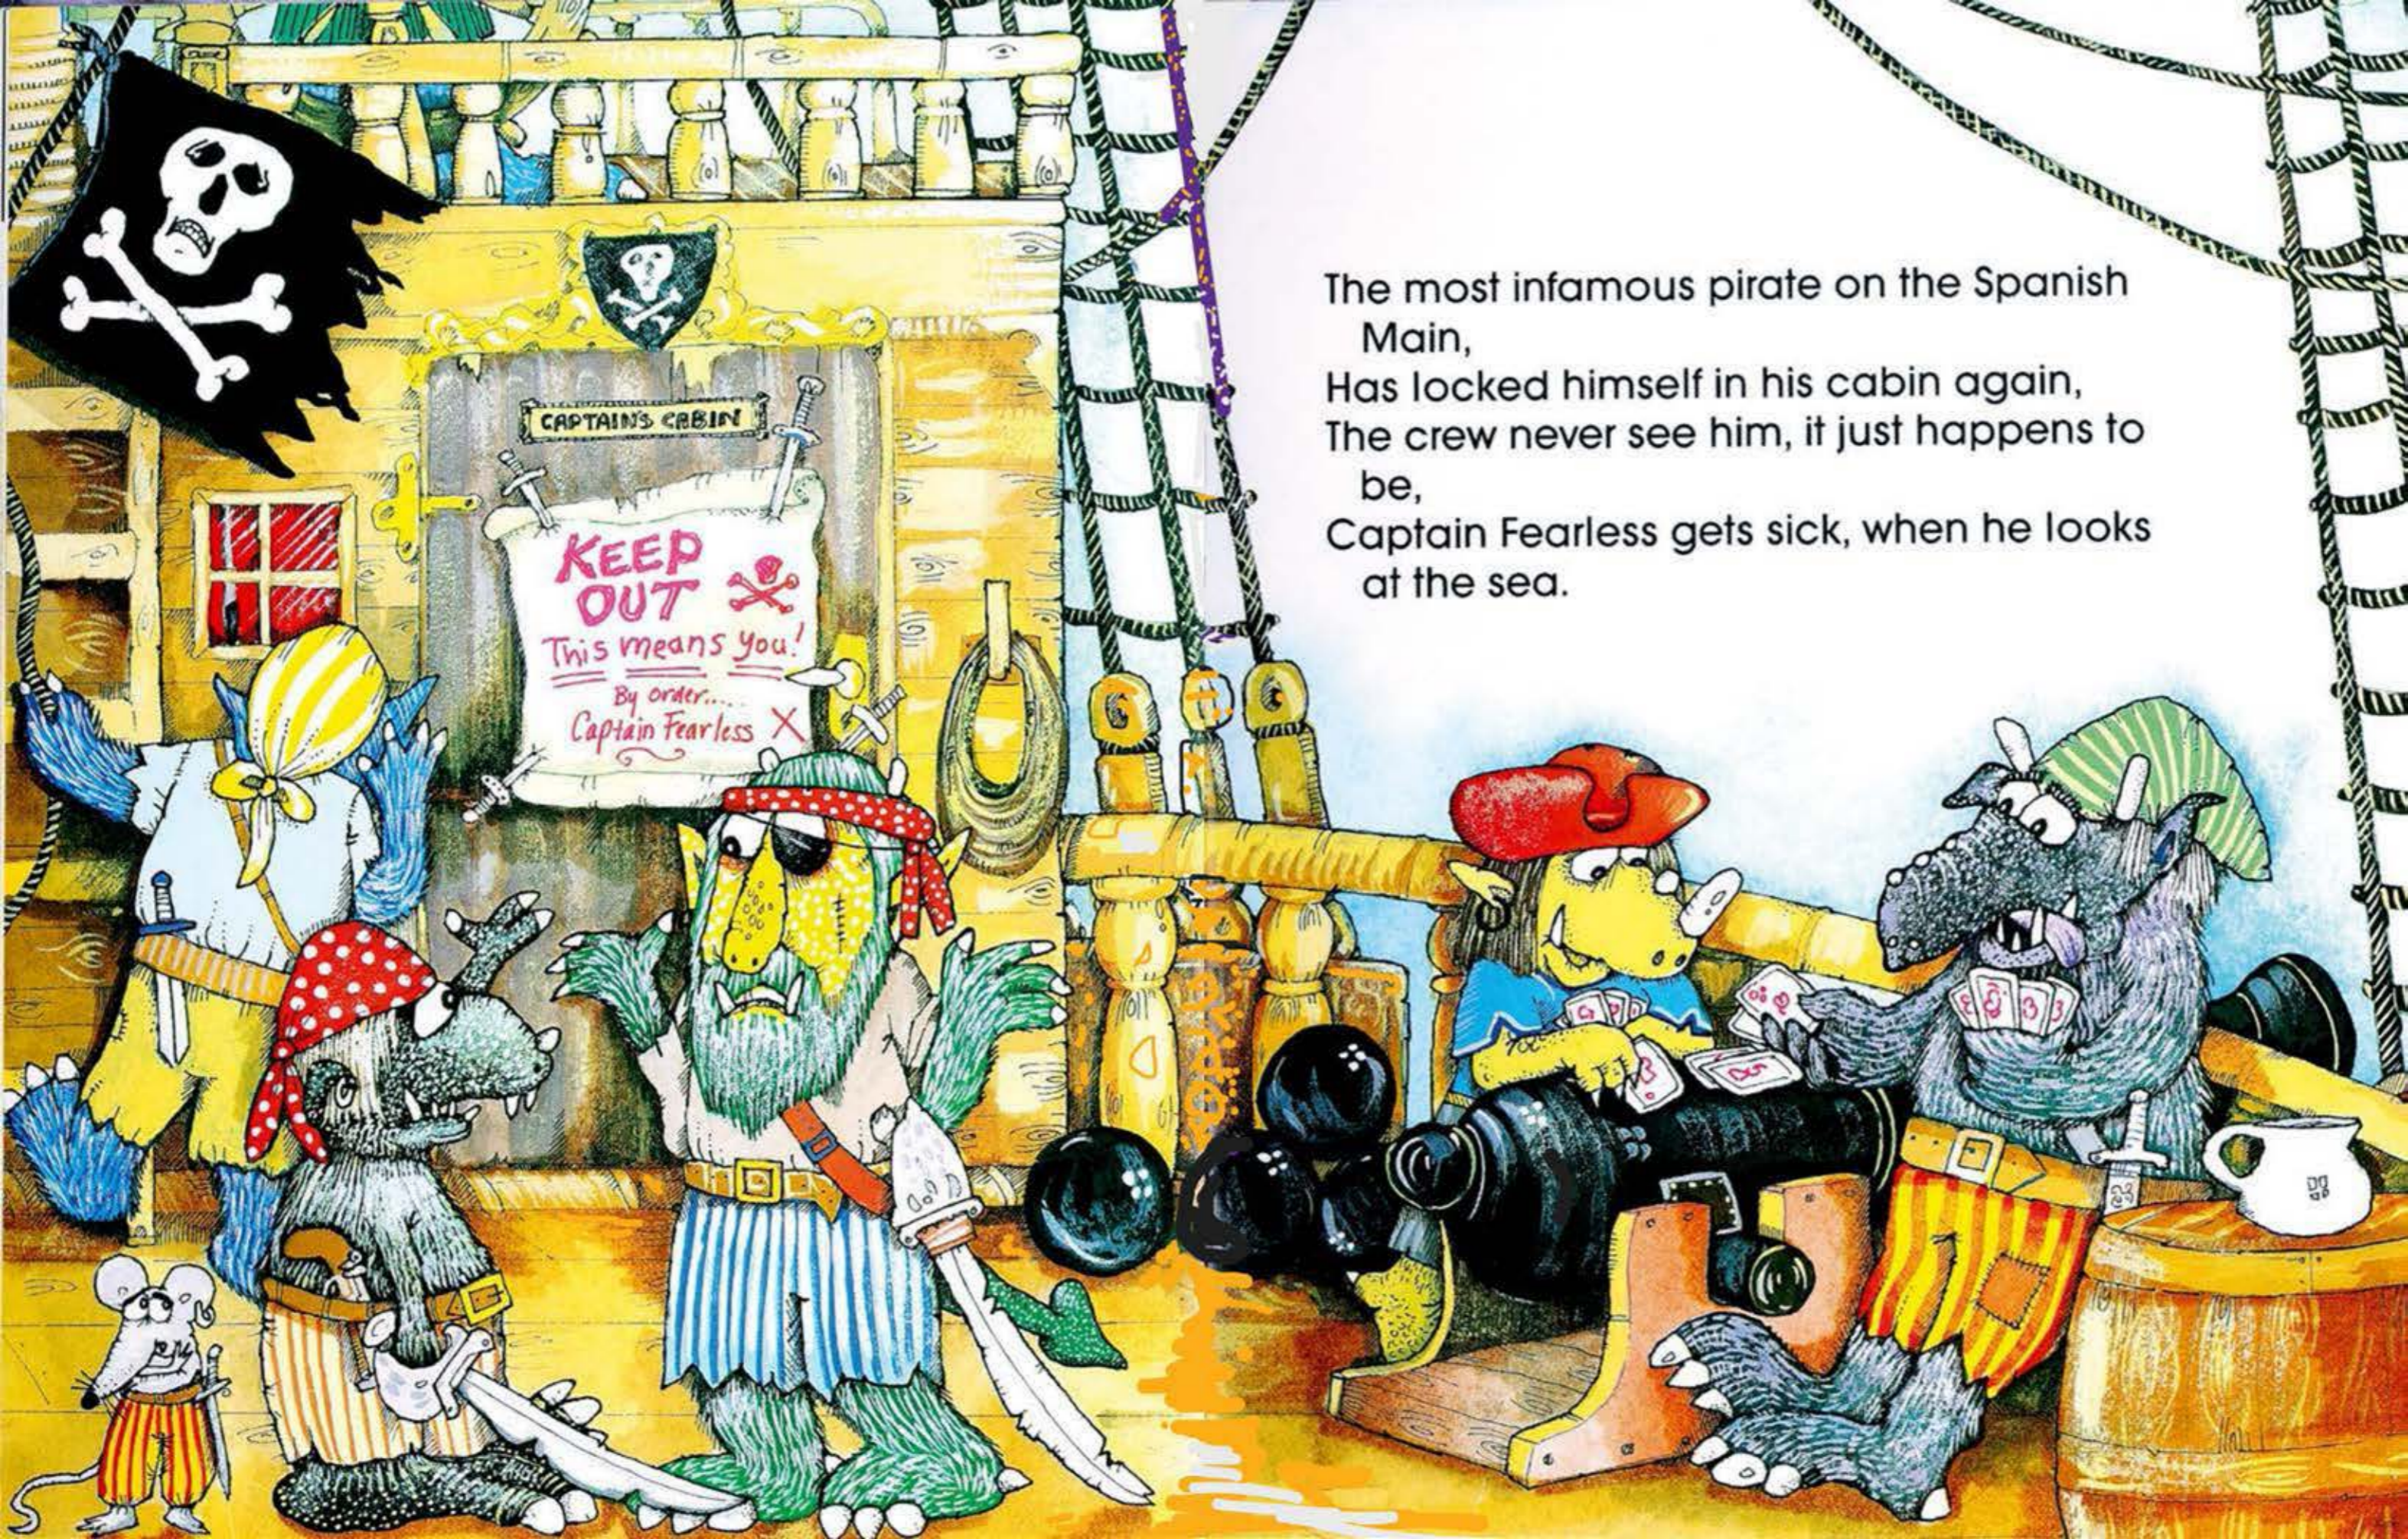

Marvin's an astronaut, a high-flying ace,
He flies in a rocketship, zooming through
space,
The scientists hope their calculations are
right,
Or Marvin will have a much longer flight!

Each day after school, Belinda hurries home,
To gossip with her friends, on the telephone,
If you want to make a call, there's nothing else to do,
But grab a magazine and join us in the queue.

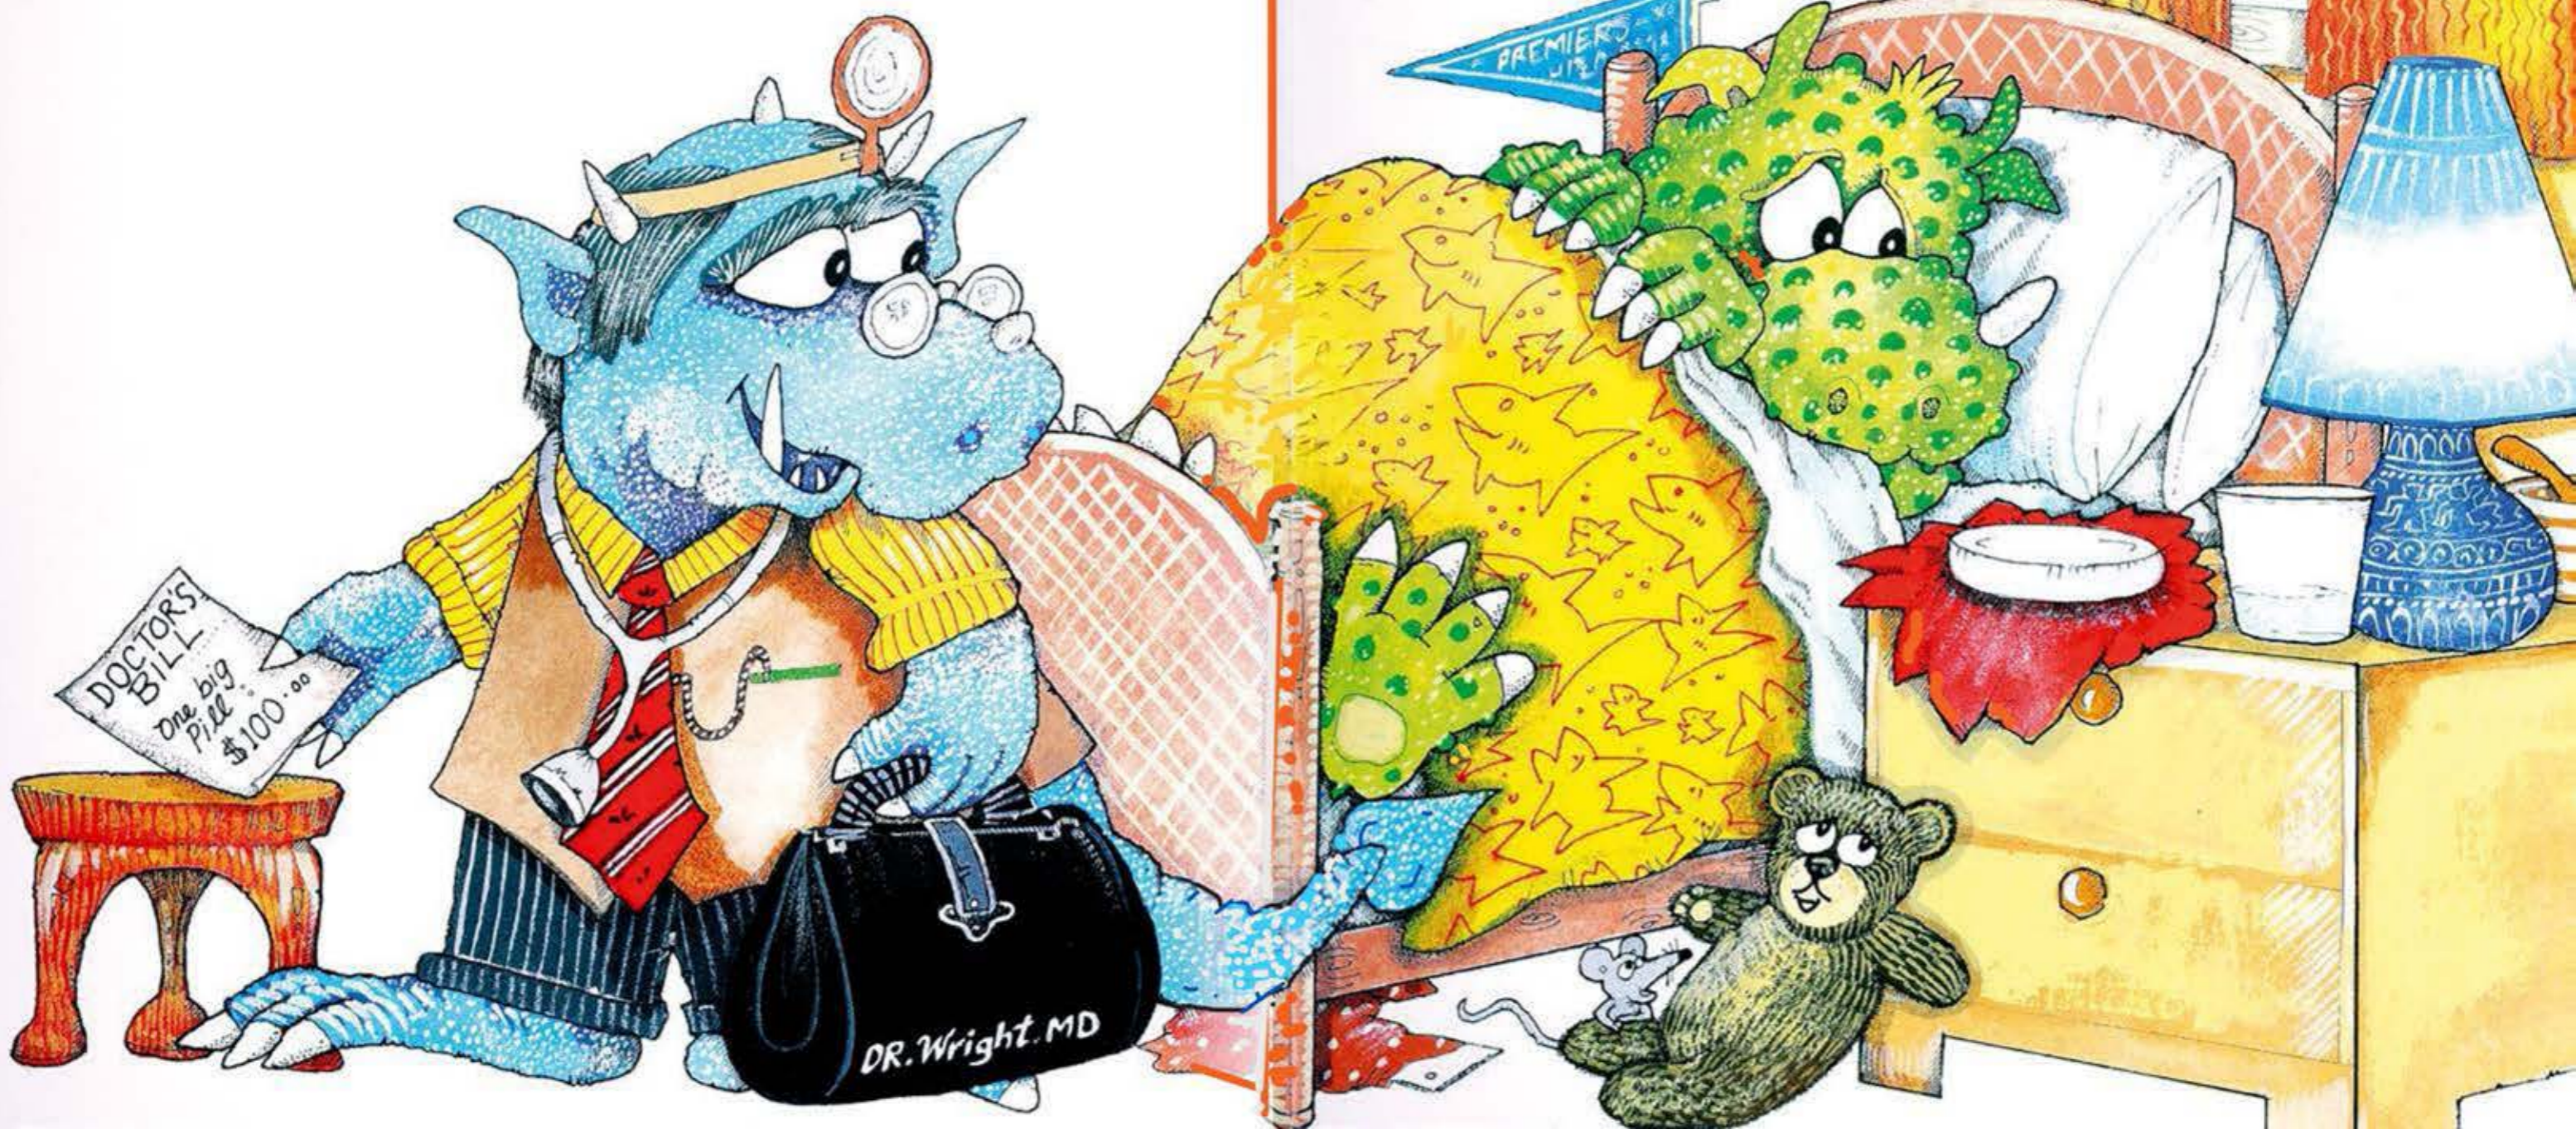

The most infamous pirate on the Spanish Main,
Has locked himself in his cabin again,
The crew never see him, it just happens to be,
Captain Fearless gets sick, when he looks
at the sea.

MONSTER BEACH SKATEBOARD COMPETITION

The skateboard competition is finally here,
Sophie has practised each day for a year,
The crowds gather round, to cheer the
new champ,
As she performs tricks, never seen on the
ramp.

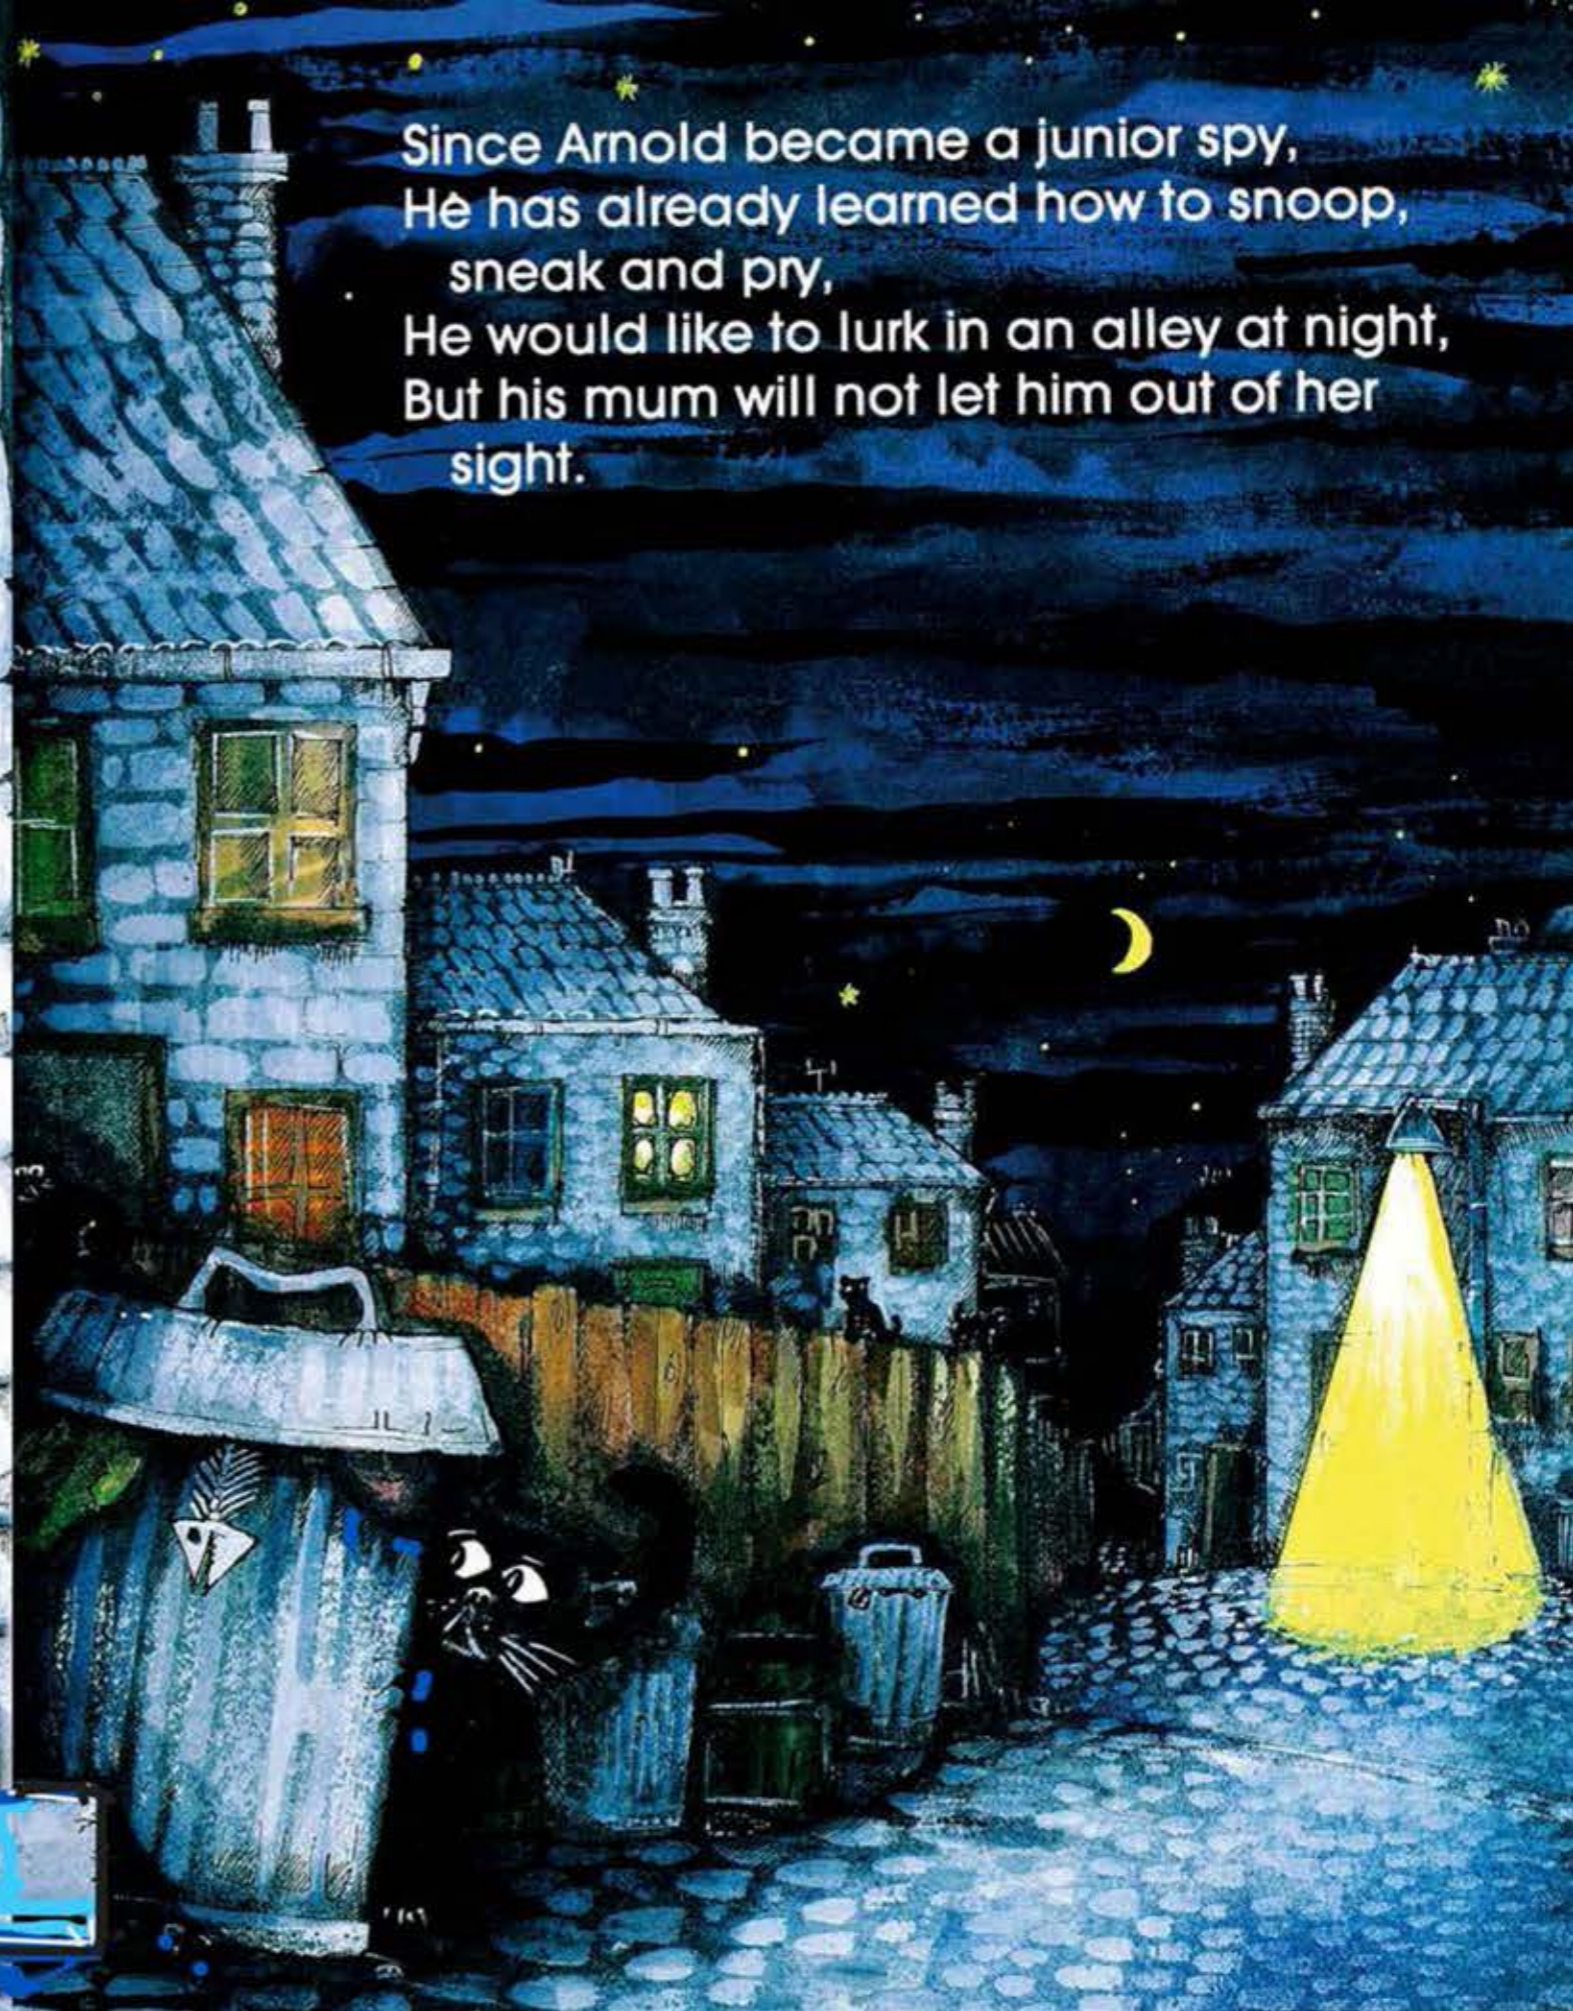

William is sick, he has the mumps,
But the doctor can't tell the lumps from
his bumps,
He has given poor William an enormous,
great pill,
If that doesn't cure him, then nothing else
will.

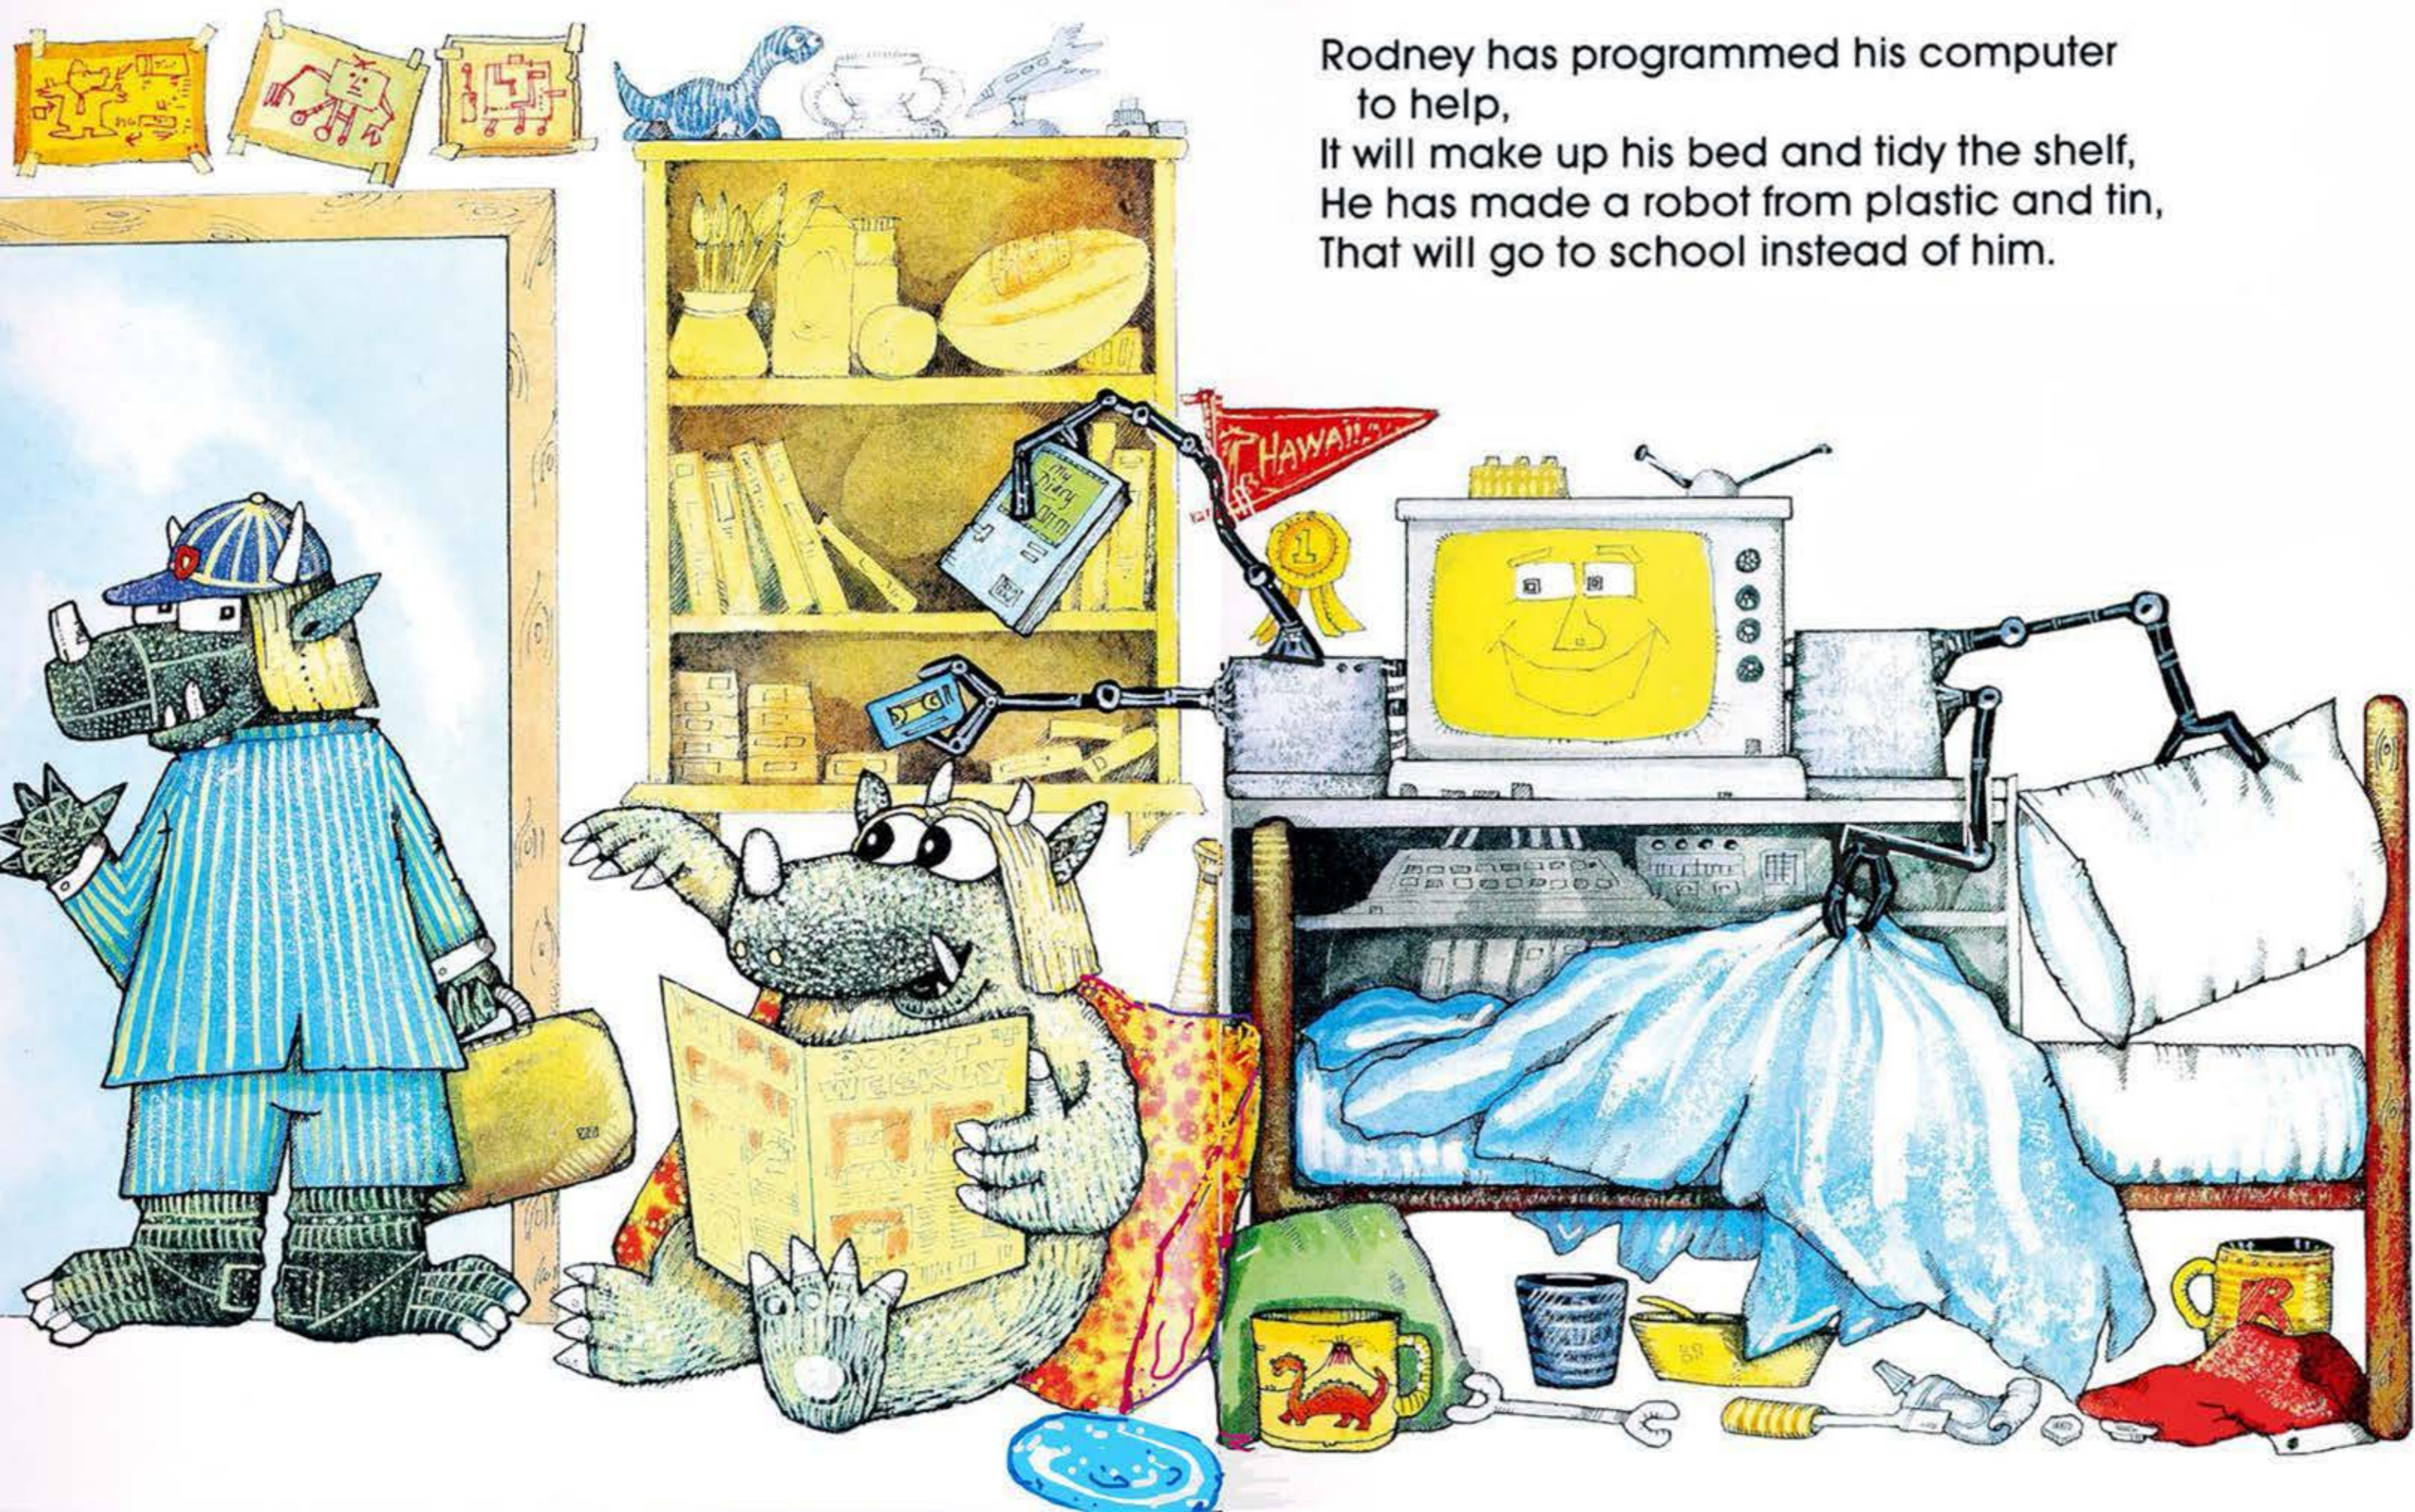

Since Arnold became a junior spy,
He has already learned how to snoop,
sneak and pry,
He would like to lurk in an alley at night,
But his mum will not let him out of her
sight.

Mrs Roberts teaches cooking,
And stirs the cake-mix without looking,
Half the mixture spills down her dress,
By the end of the class, there is one big
mess!

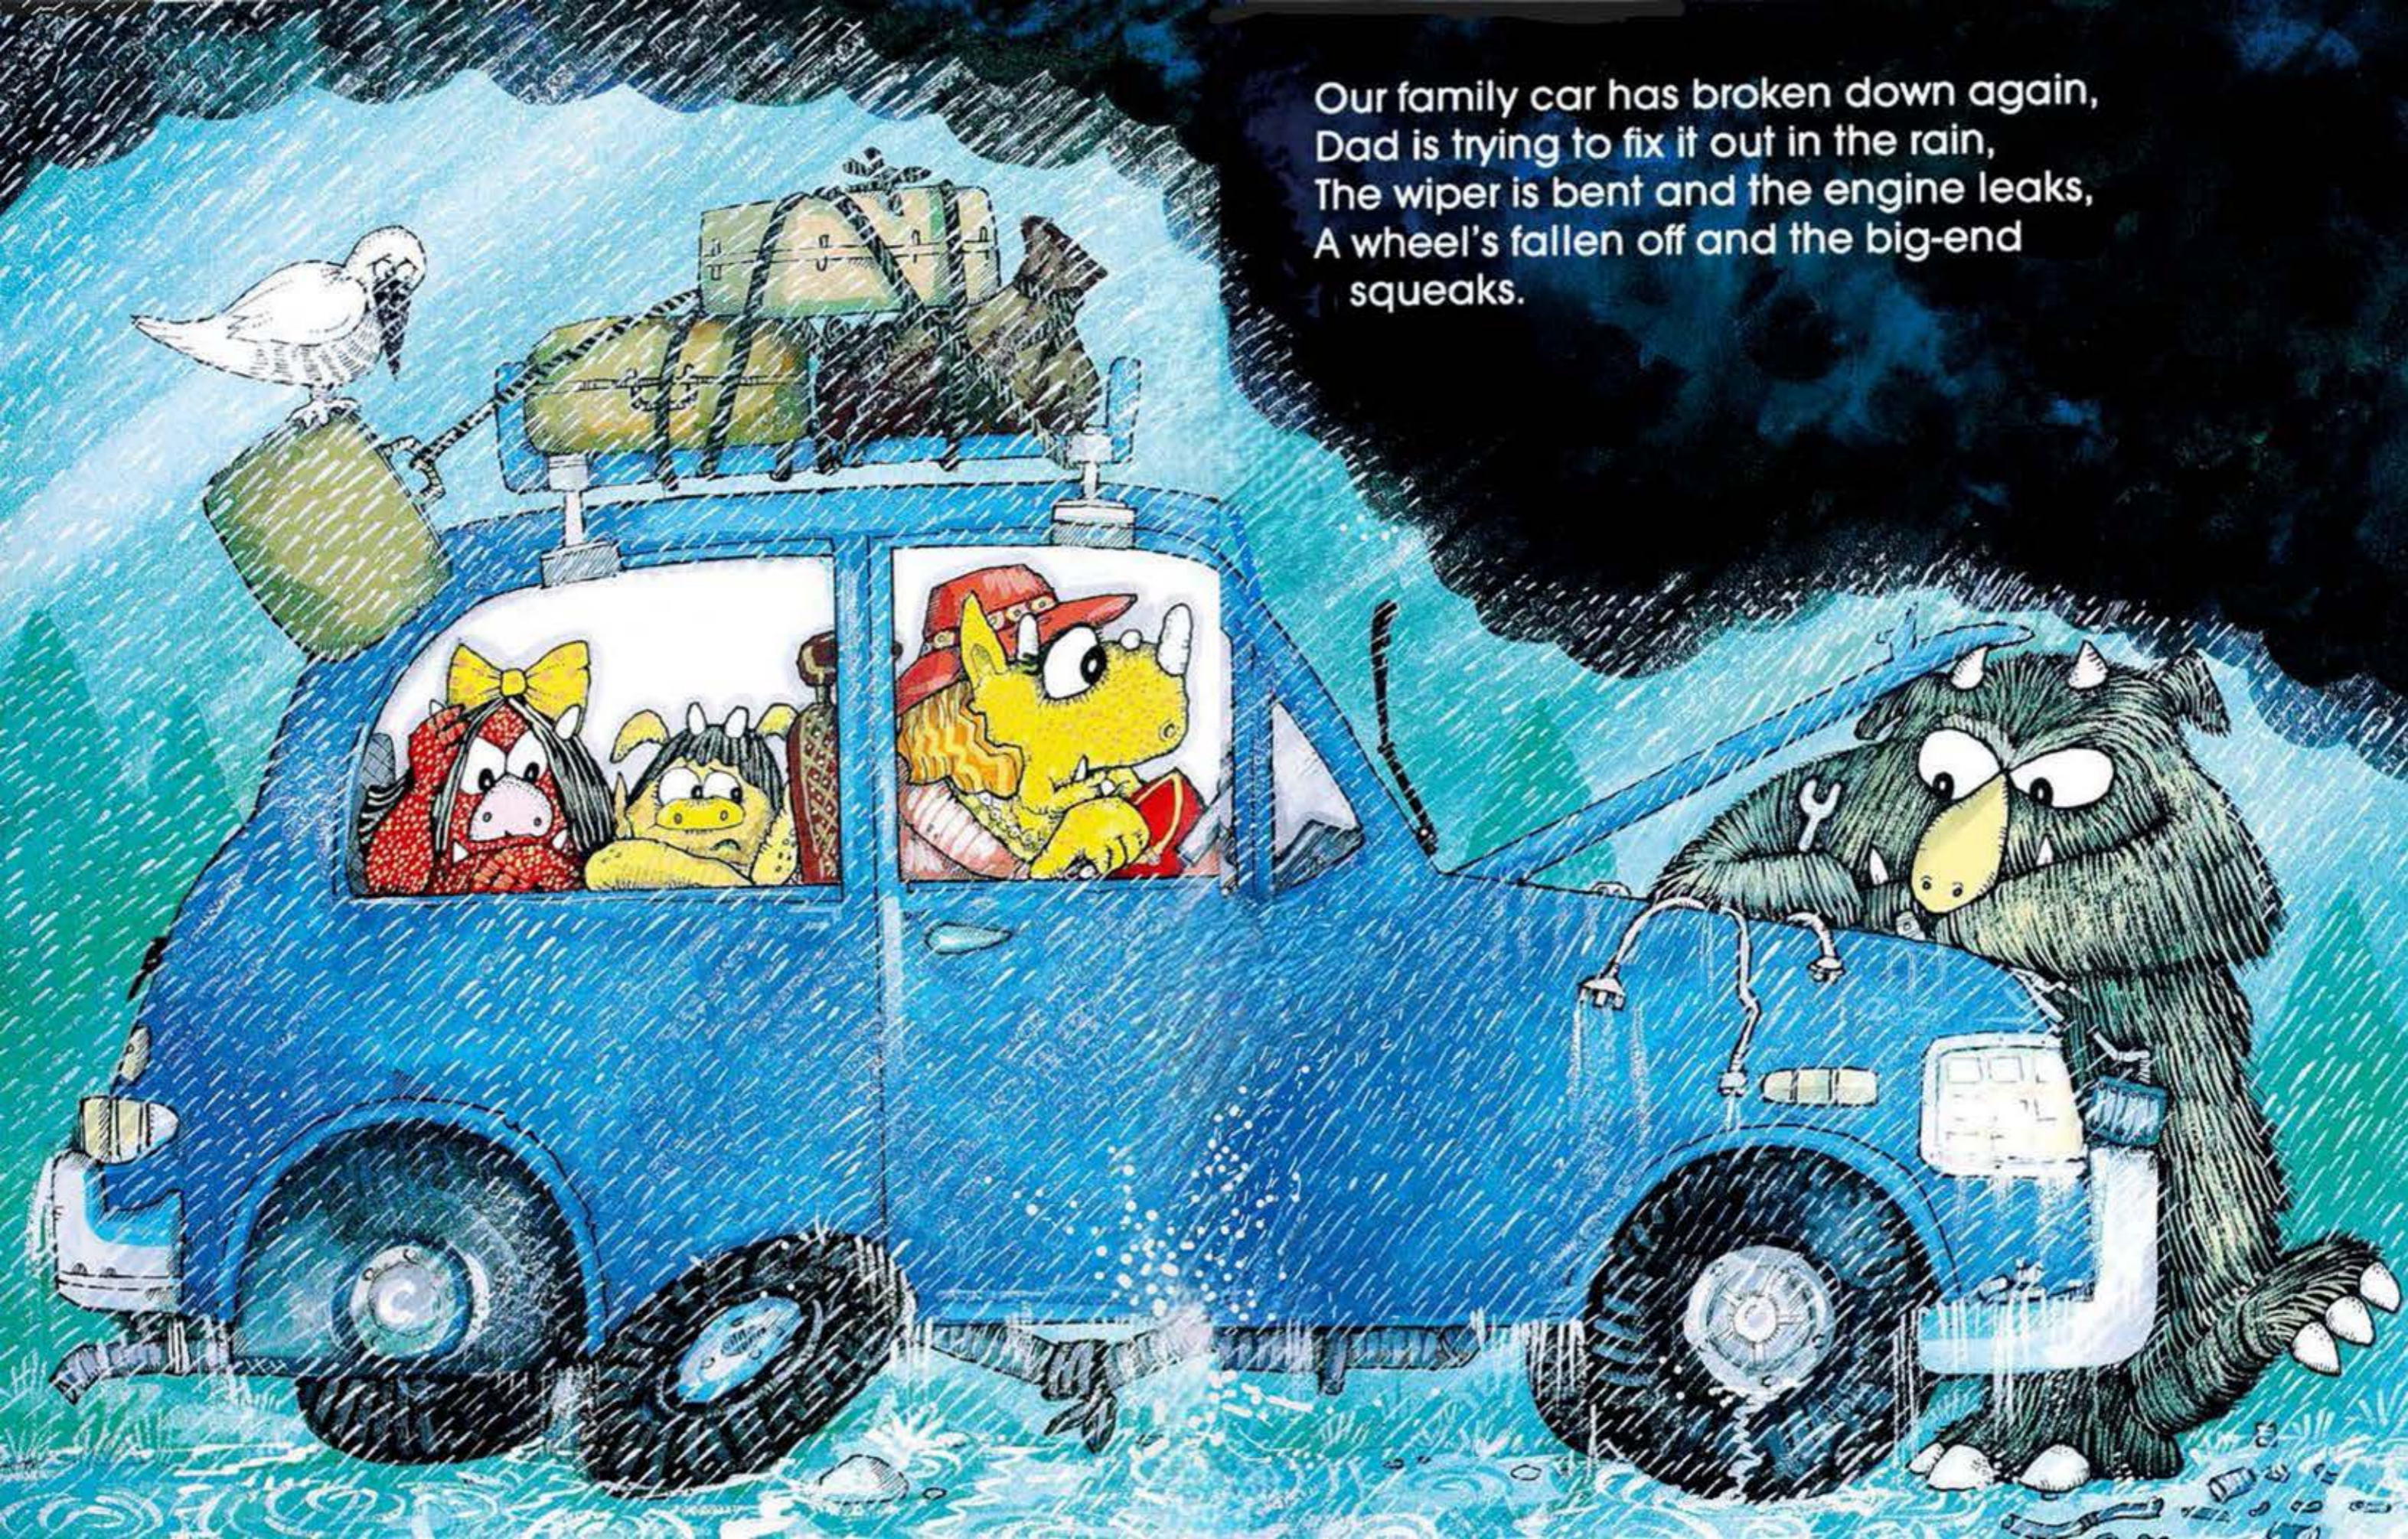

Rodney has programmed his computer
to help,
It will make up his bed and tidy the shelf,
He has made a robot from plastic and tin,
That will go to school instead of him.

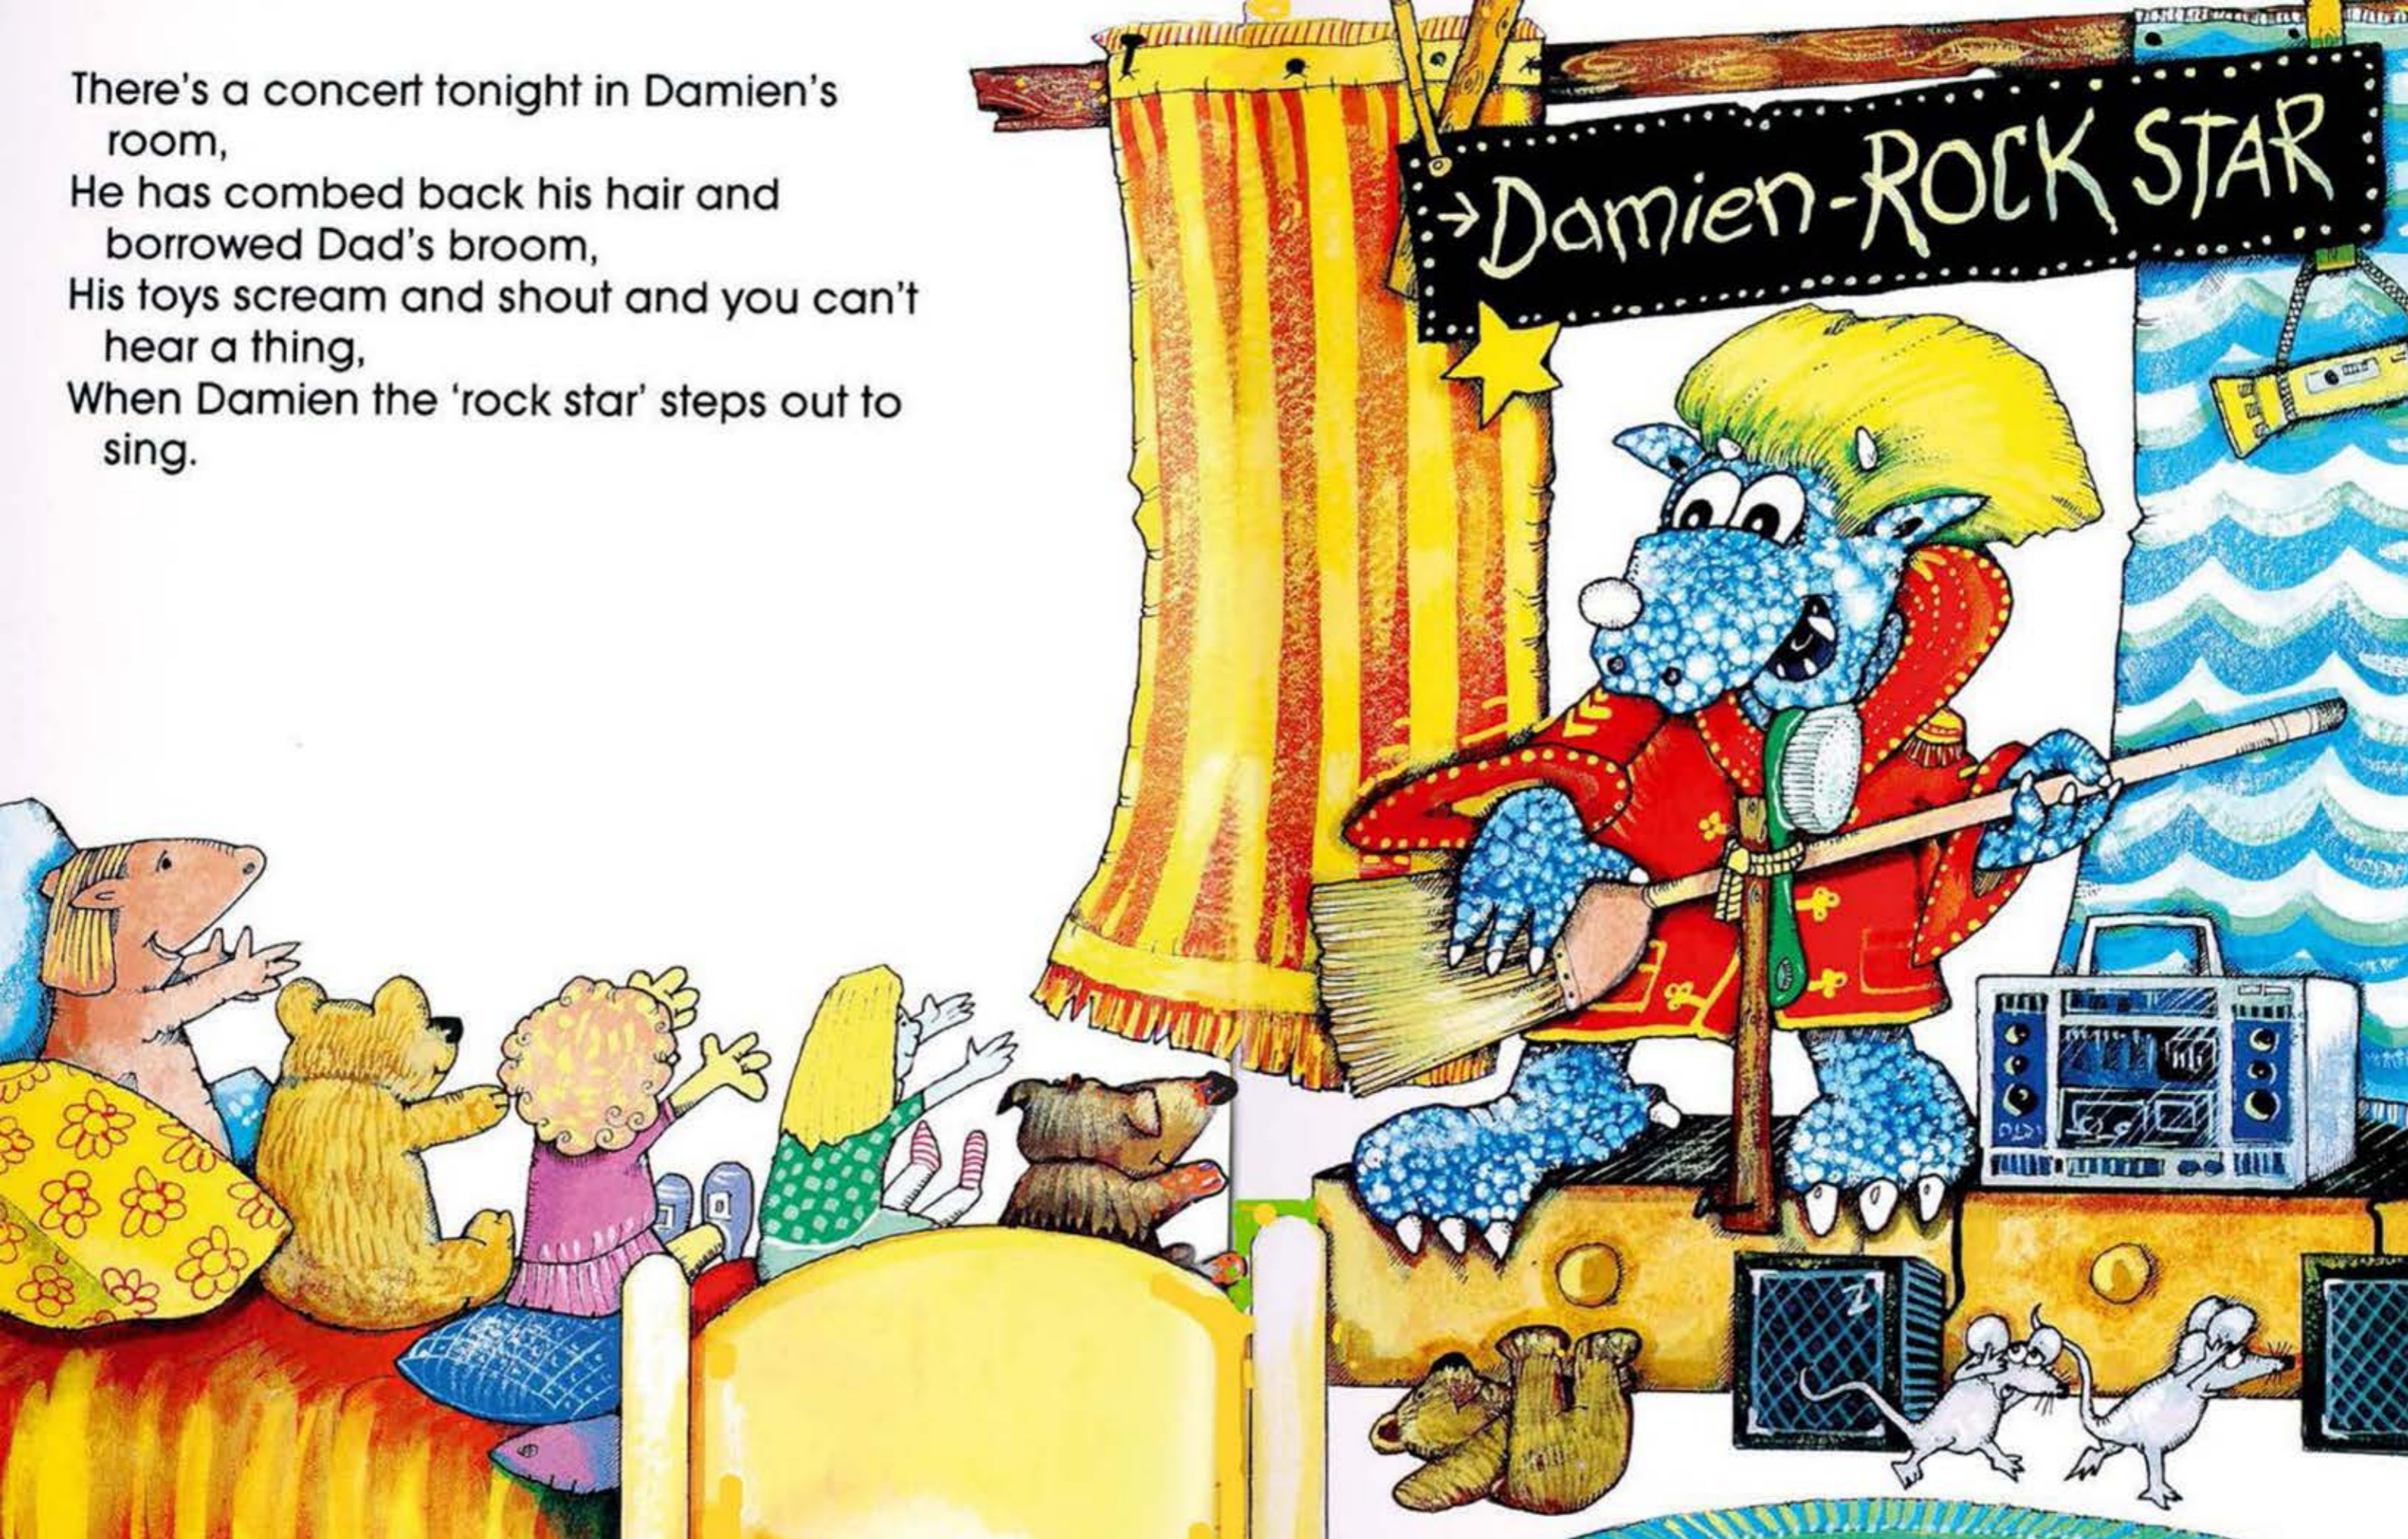

My parents brought home a new baby
brother,
They should have swapped him for
another,
This one is too small to come out and
play,
He just lies around and cries all the day.

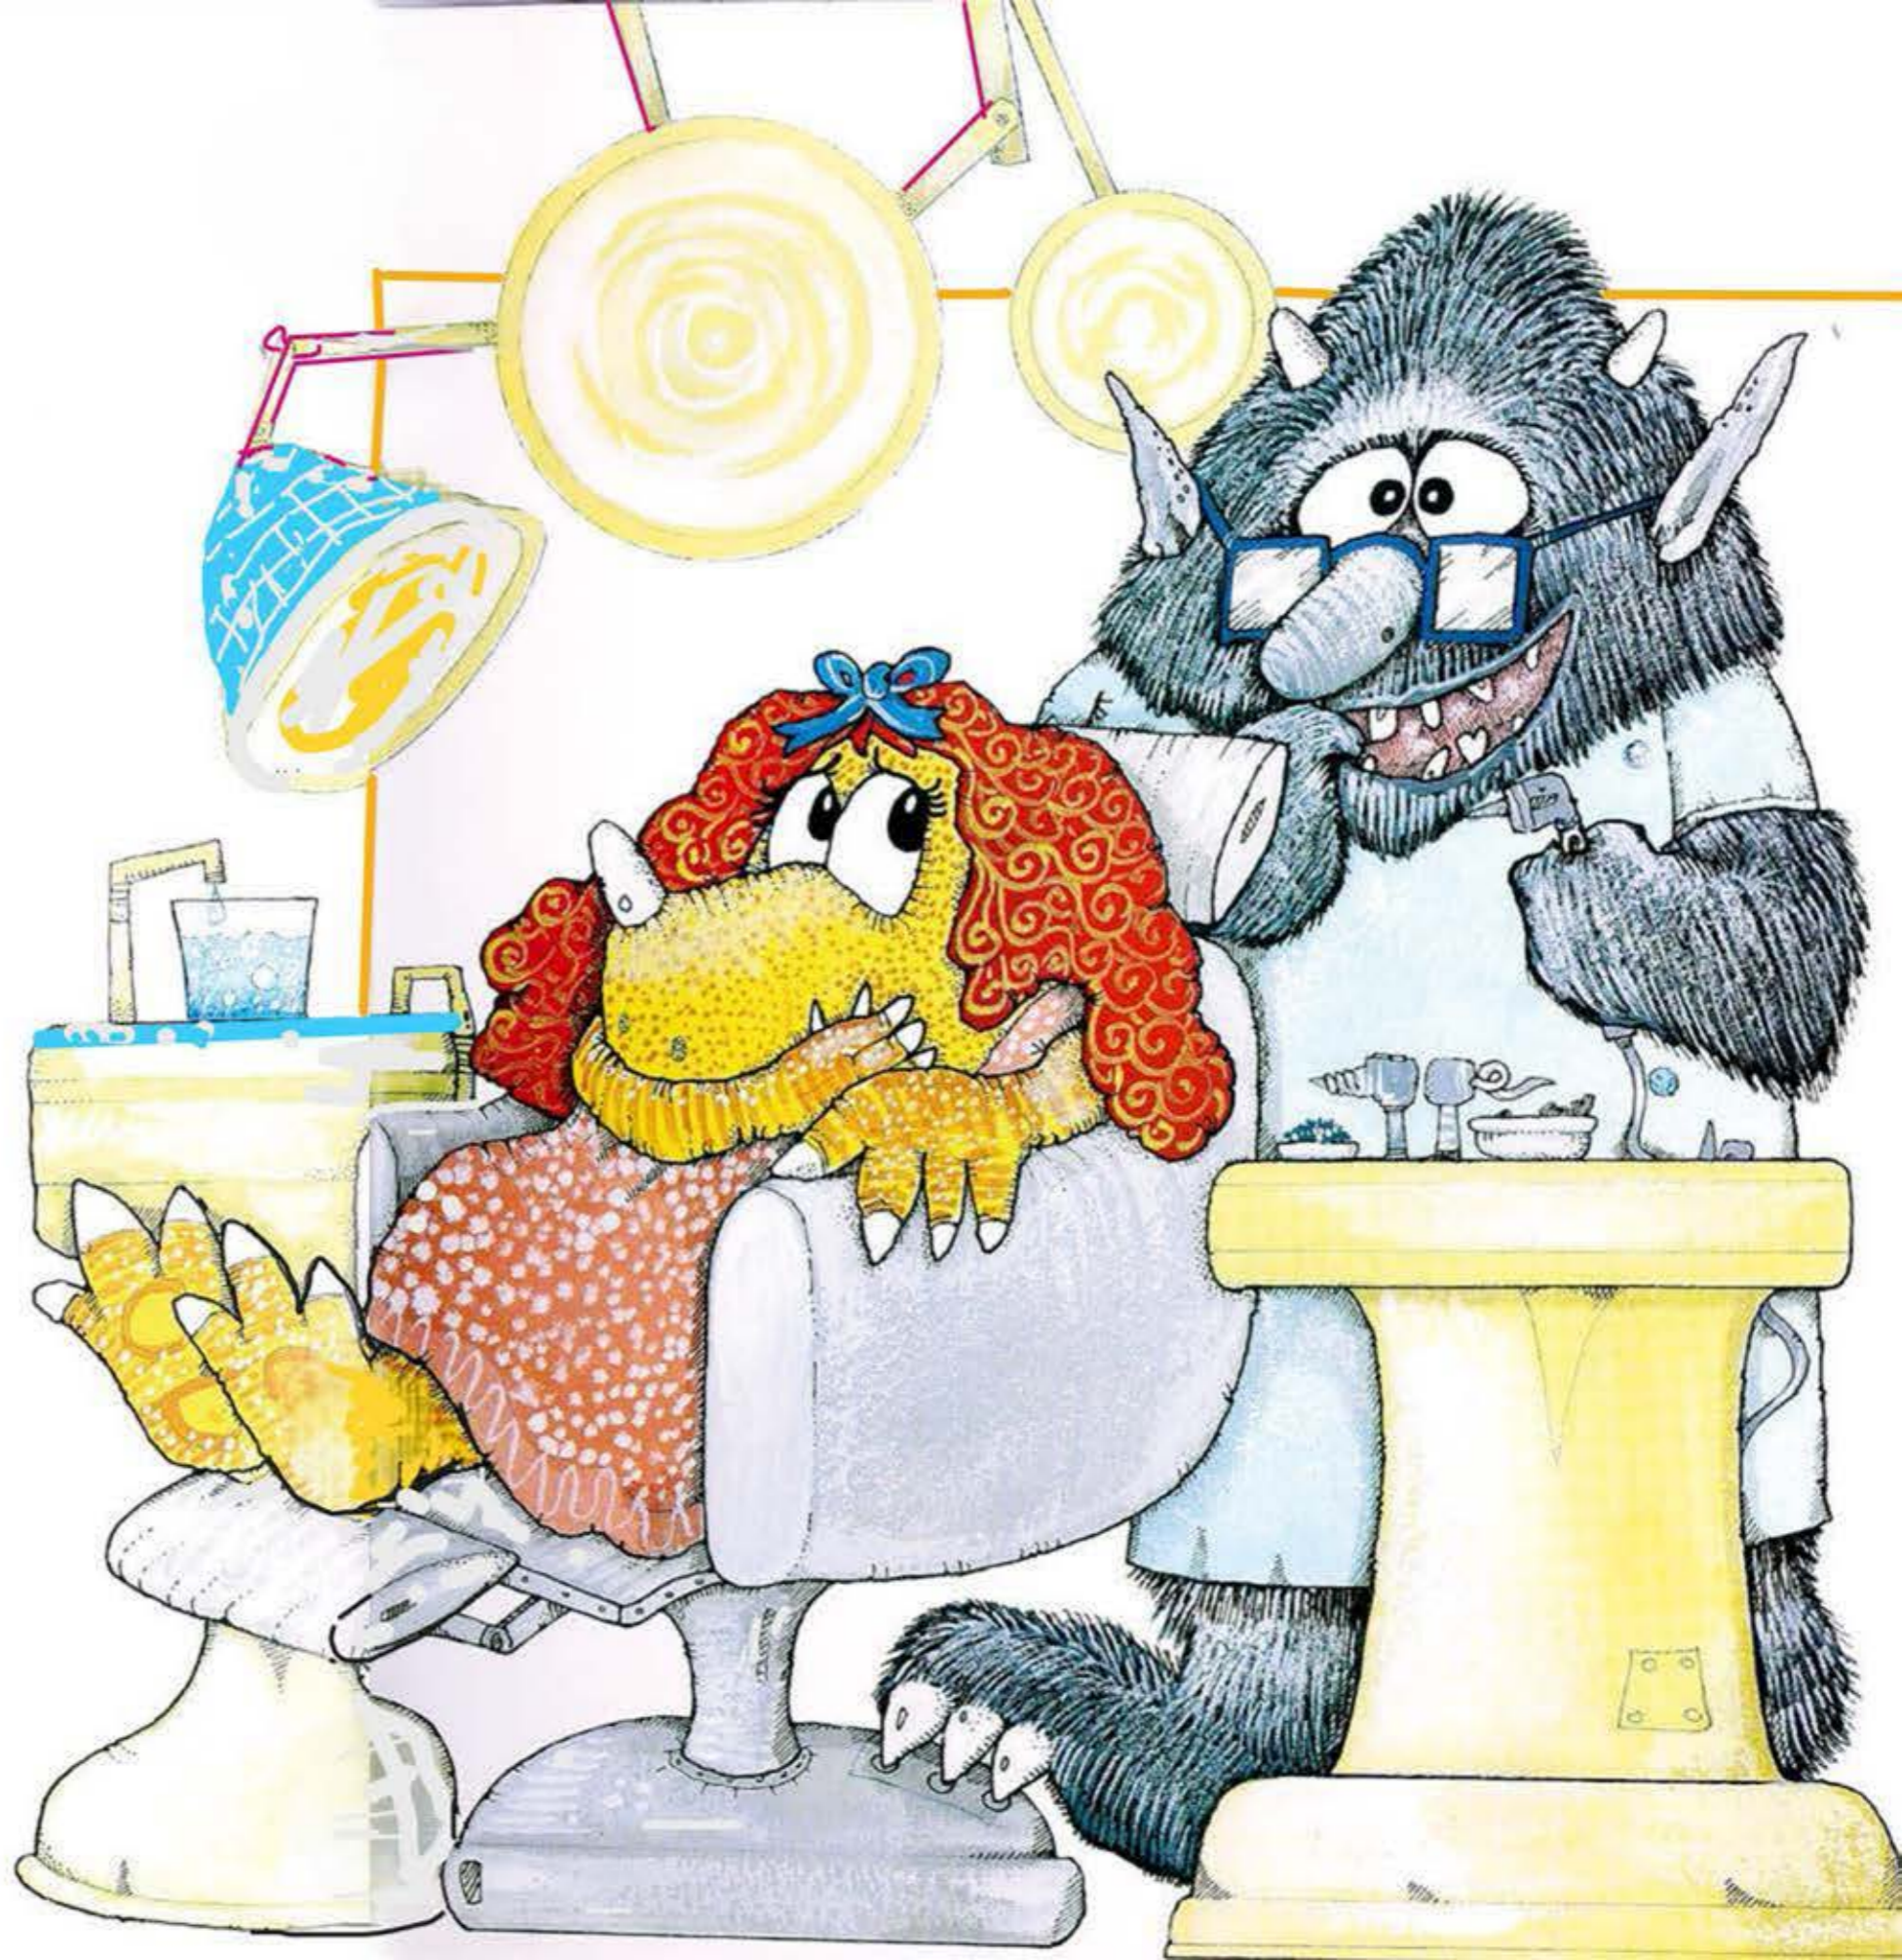

Our family car has broken down again,
Dad is trying to fix it out in the rain,
The wiper is bent and the engine leaks,
A wheel's fallen off and the big-end
squeaks.

There's a concert tonight in Damien's
room,
He has combed back his hair and
borrowed Dad's broom,
His toys scream and shout and you can't
hear a thing,
When Damien the 'rock star' steps out to
sing.

Caroline sits in the dentist's chair,
And wishes that she wasn't there,
She has a bad tooth which is very sore,
And now she is worried that there may be
some more.

And now the final question in 'MONSTER QUIZ',
But Gavin does not know what the answer is,
He has won a frypan and a toaster so far,
If he gets this one right, he'll win the new car.
