Junior
Detective Series

Detective Bear and Sherlock Panda are investigating some strange happenings at the beach.

Someone yanked William's fishing-rod right out of his paws!

WHO DID IT?

CLUE Someone big and grey who blows water into the air...

It was Captain Jacques Beareau,
the famous underwater explorer,
in his Aqua-Hoova.

He was vacuuming the ocean
floor, looking for shells to add to
his collection.

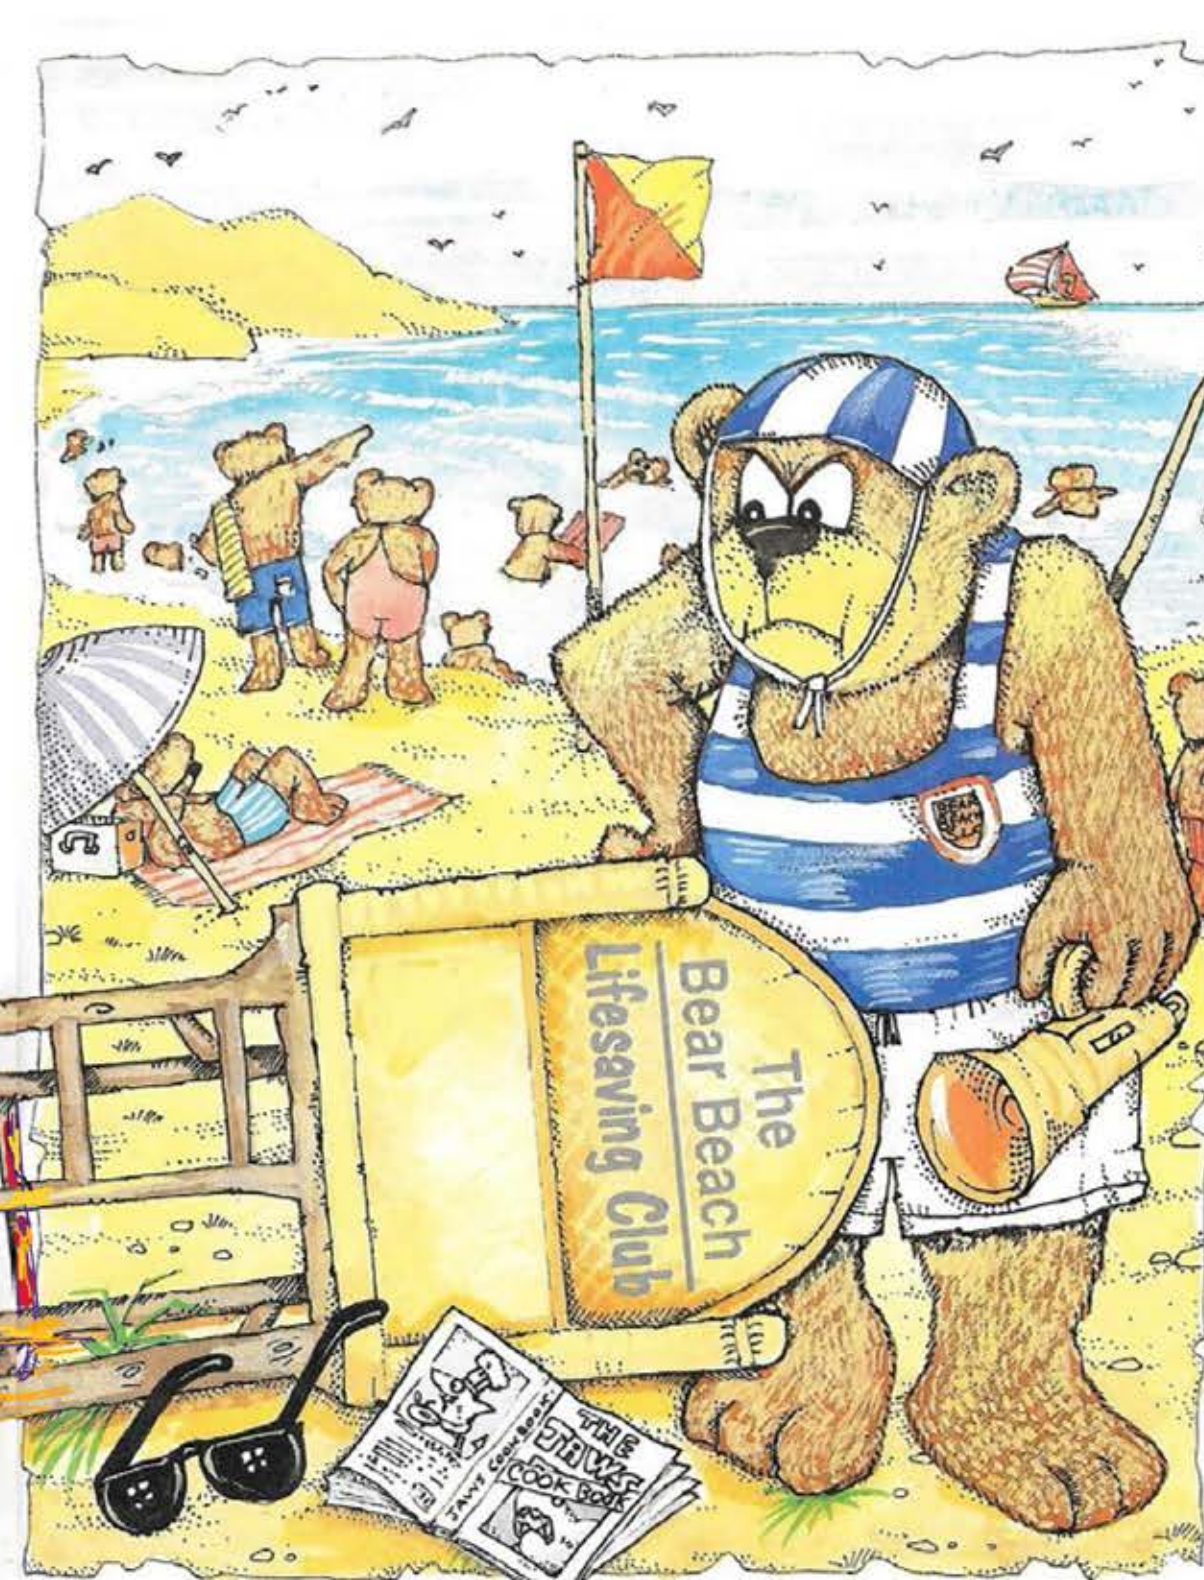

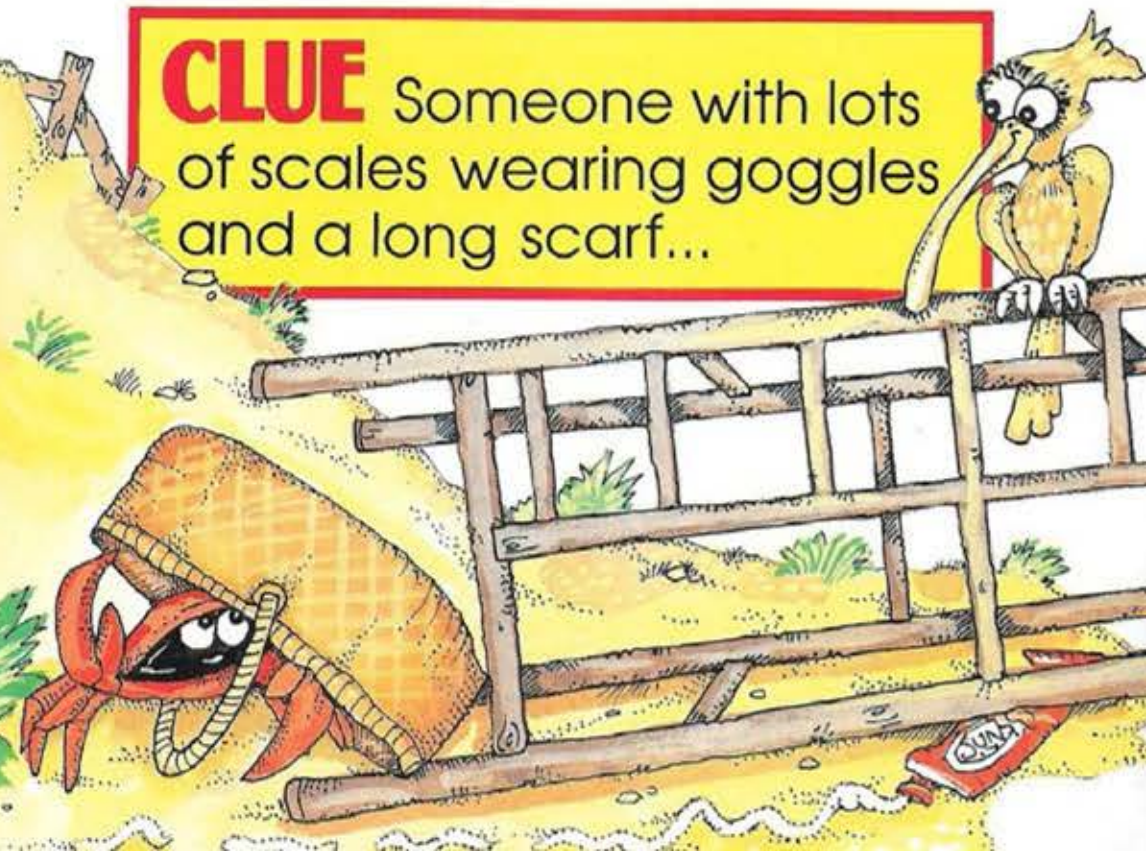

Someone knocked over the observation tower. Des, the lifeguard, is furious.

WHO DID IT?

CLUE Someone with lots of scales wearing goggles and a long scarf...

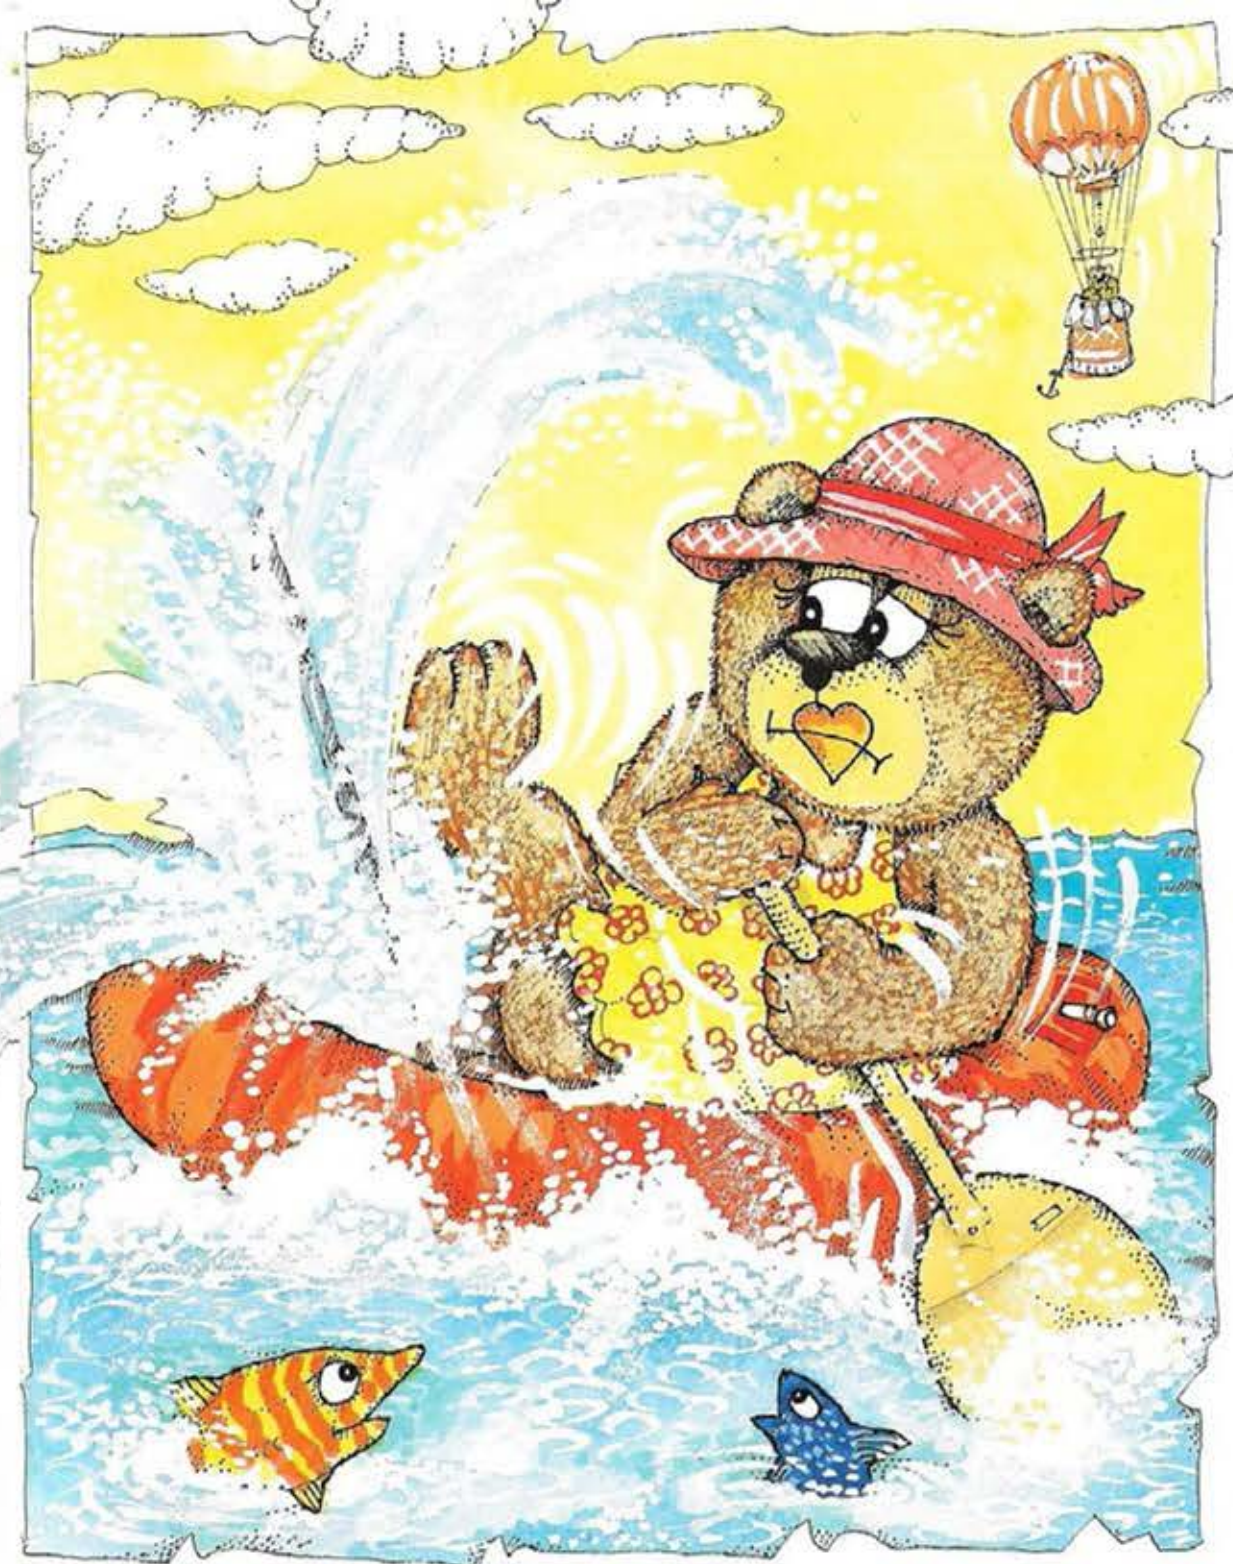

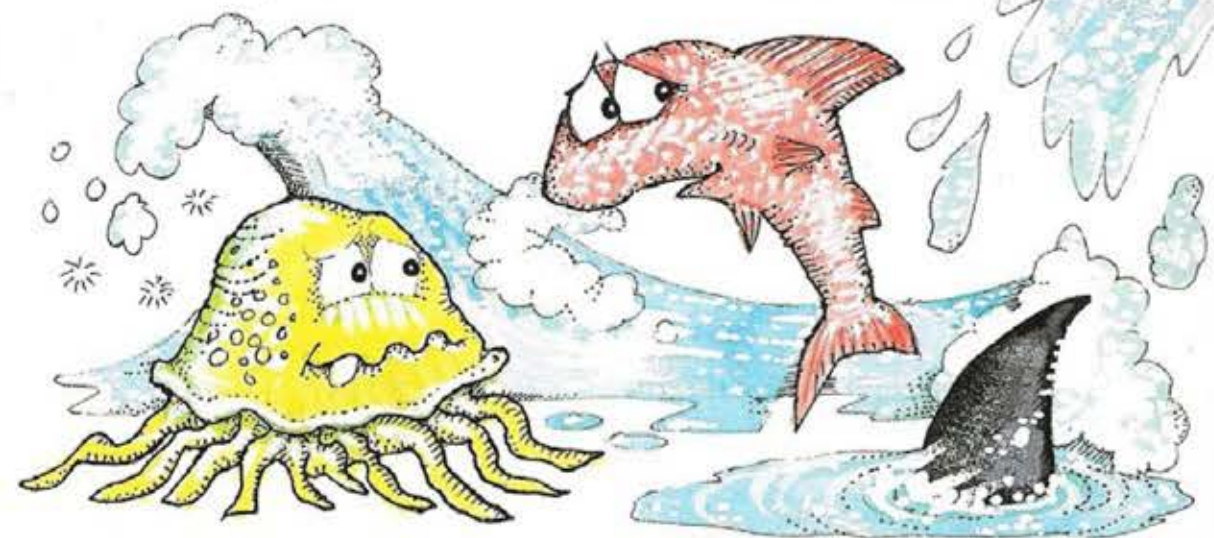

It was Reggie, the daredevil flying-fish. He likes to fly low so everyone can read his sign.

Someone punctured Aunty Vera's rubber dinghy. The air's rushing out, the water's flooding in, and Aunty Vera's sinking fast!

WHO DID IT?

CLUE Someone with fins, poor eyesight and a long, sharp point...

It was Uncle Dave. He was spear-fishing and thought he'd just caught lunch. (Won't **he** get a big surprise!)

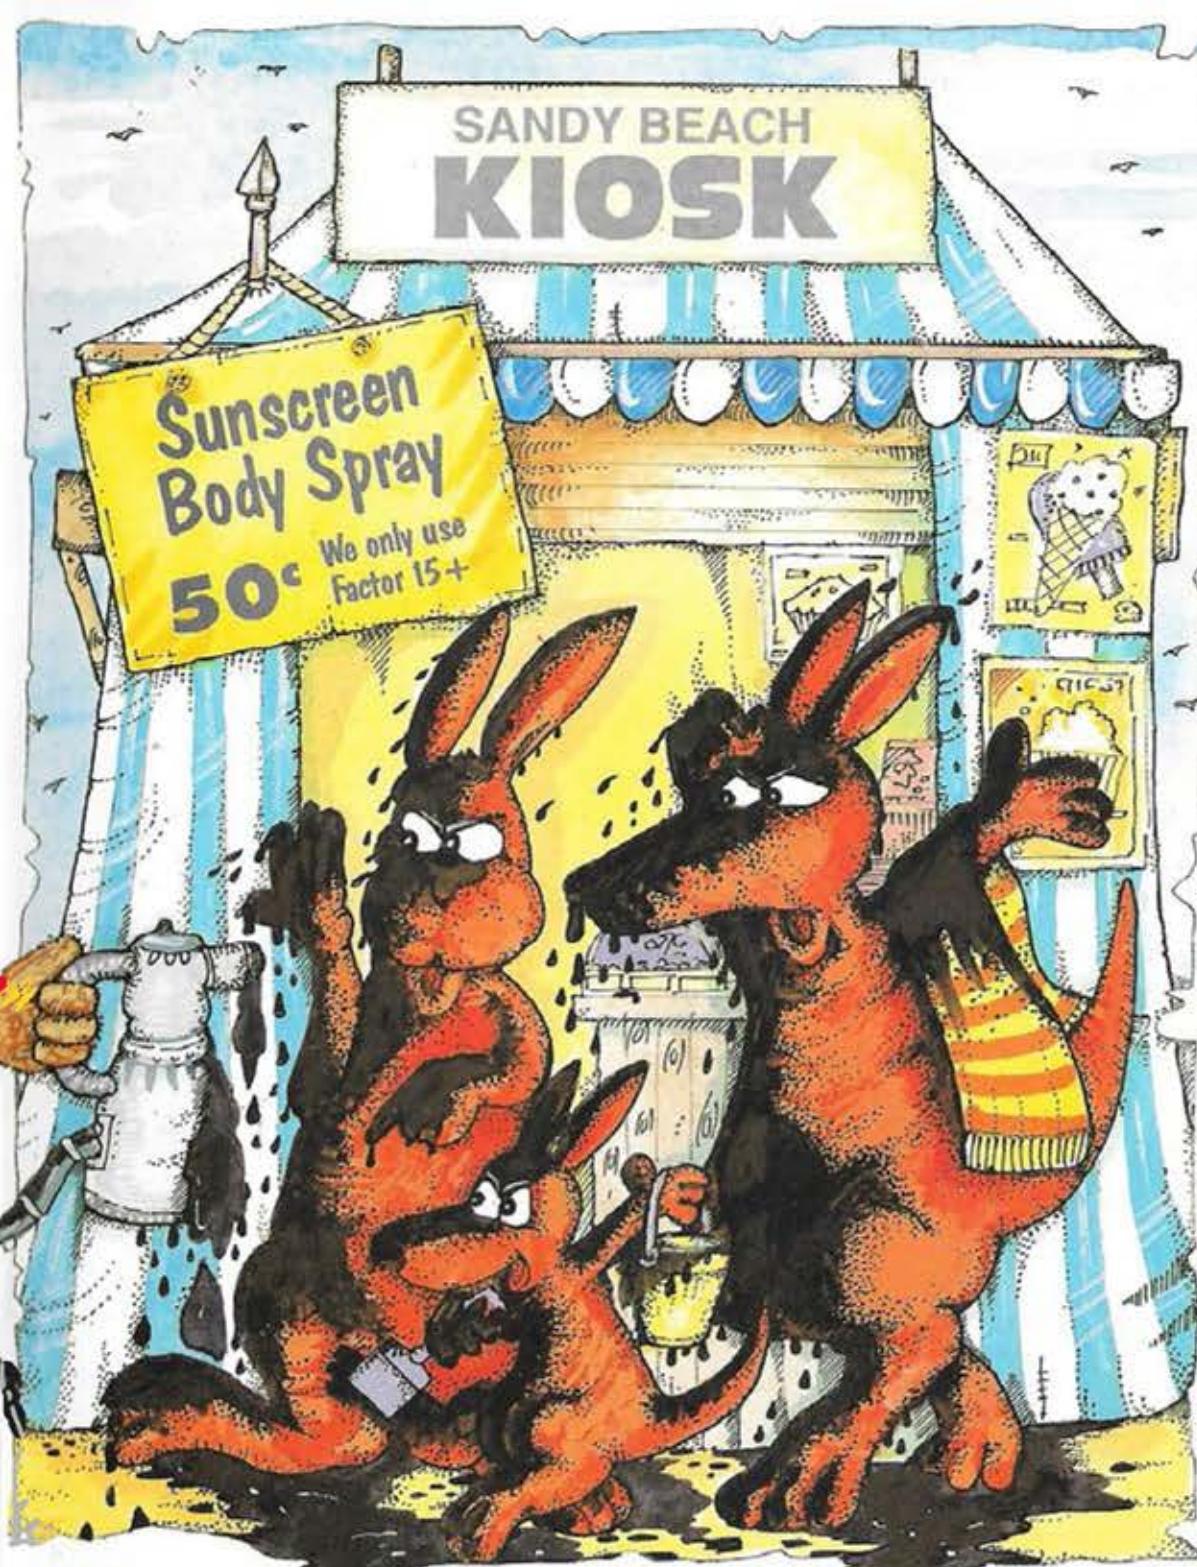

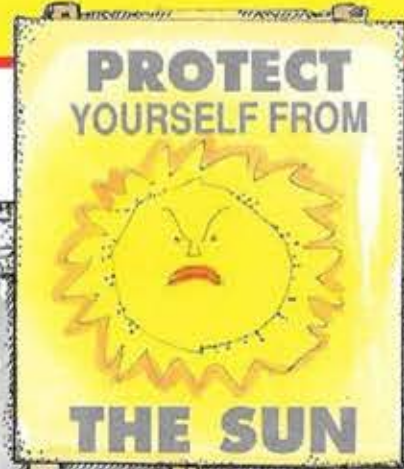

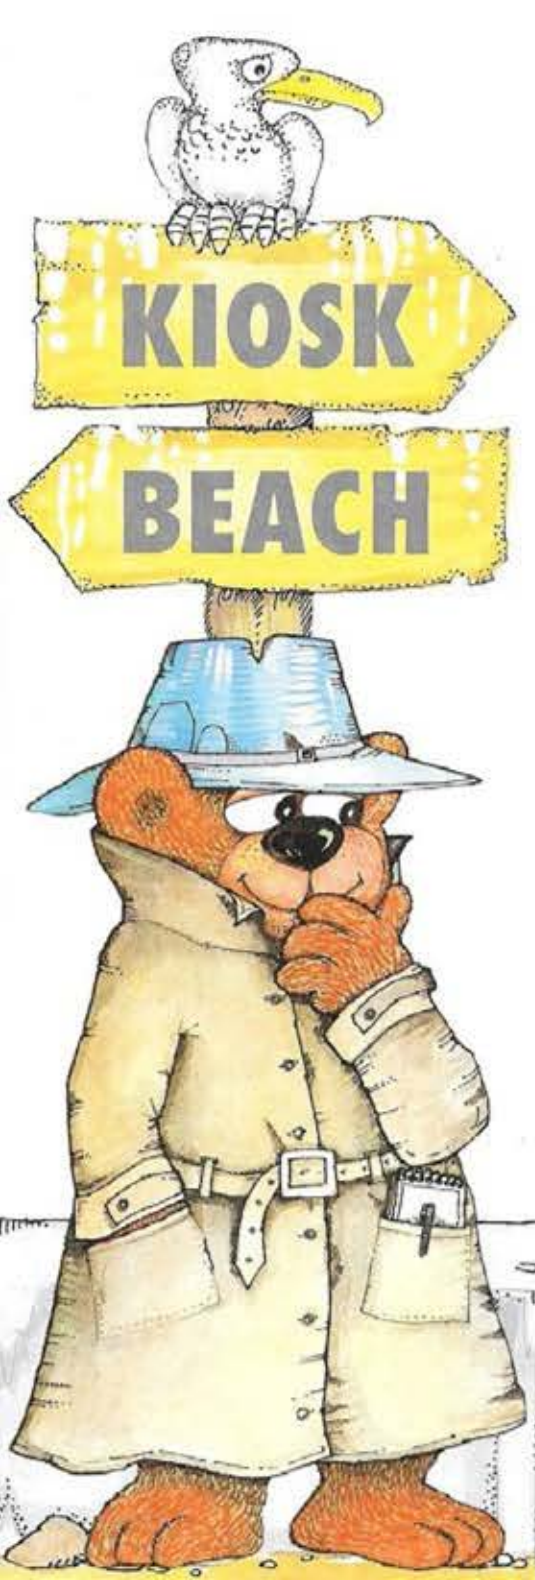

Someone disconnected the sunscreen pump at the kiosk.

Alf, the beach attendant, has sprayed the Kangaroo family with black, smelly liquid by mistake — the Kangaroos are hopping mad!

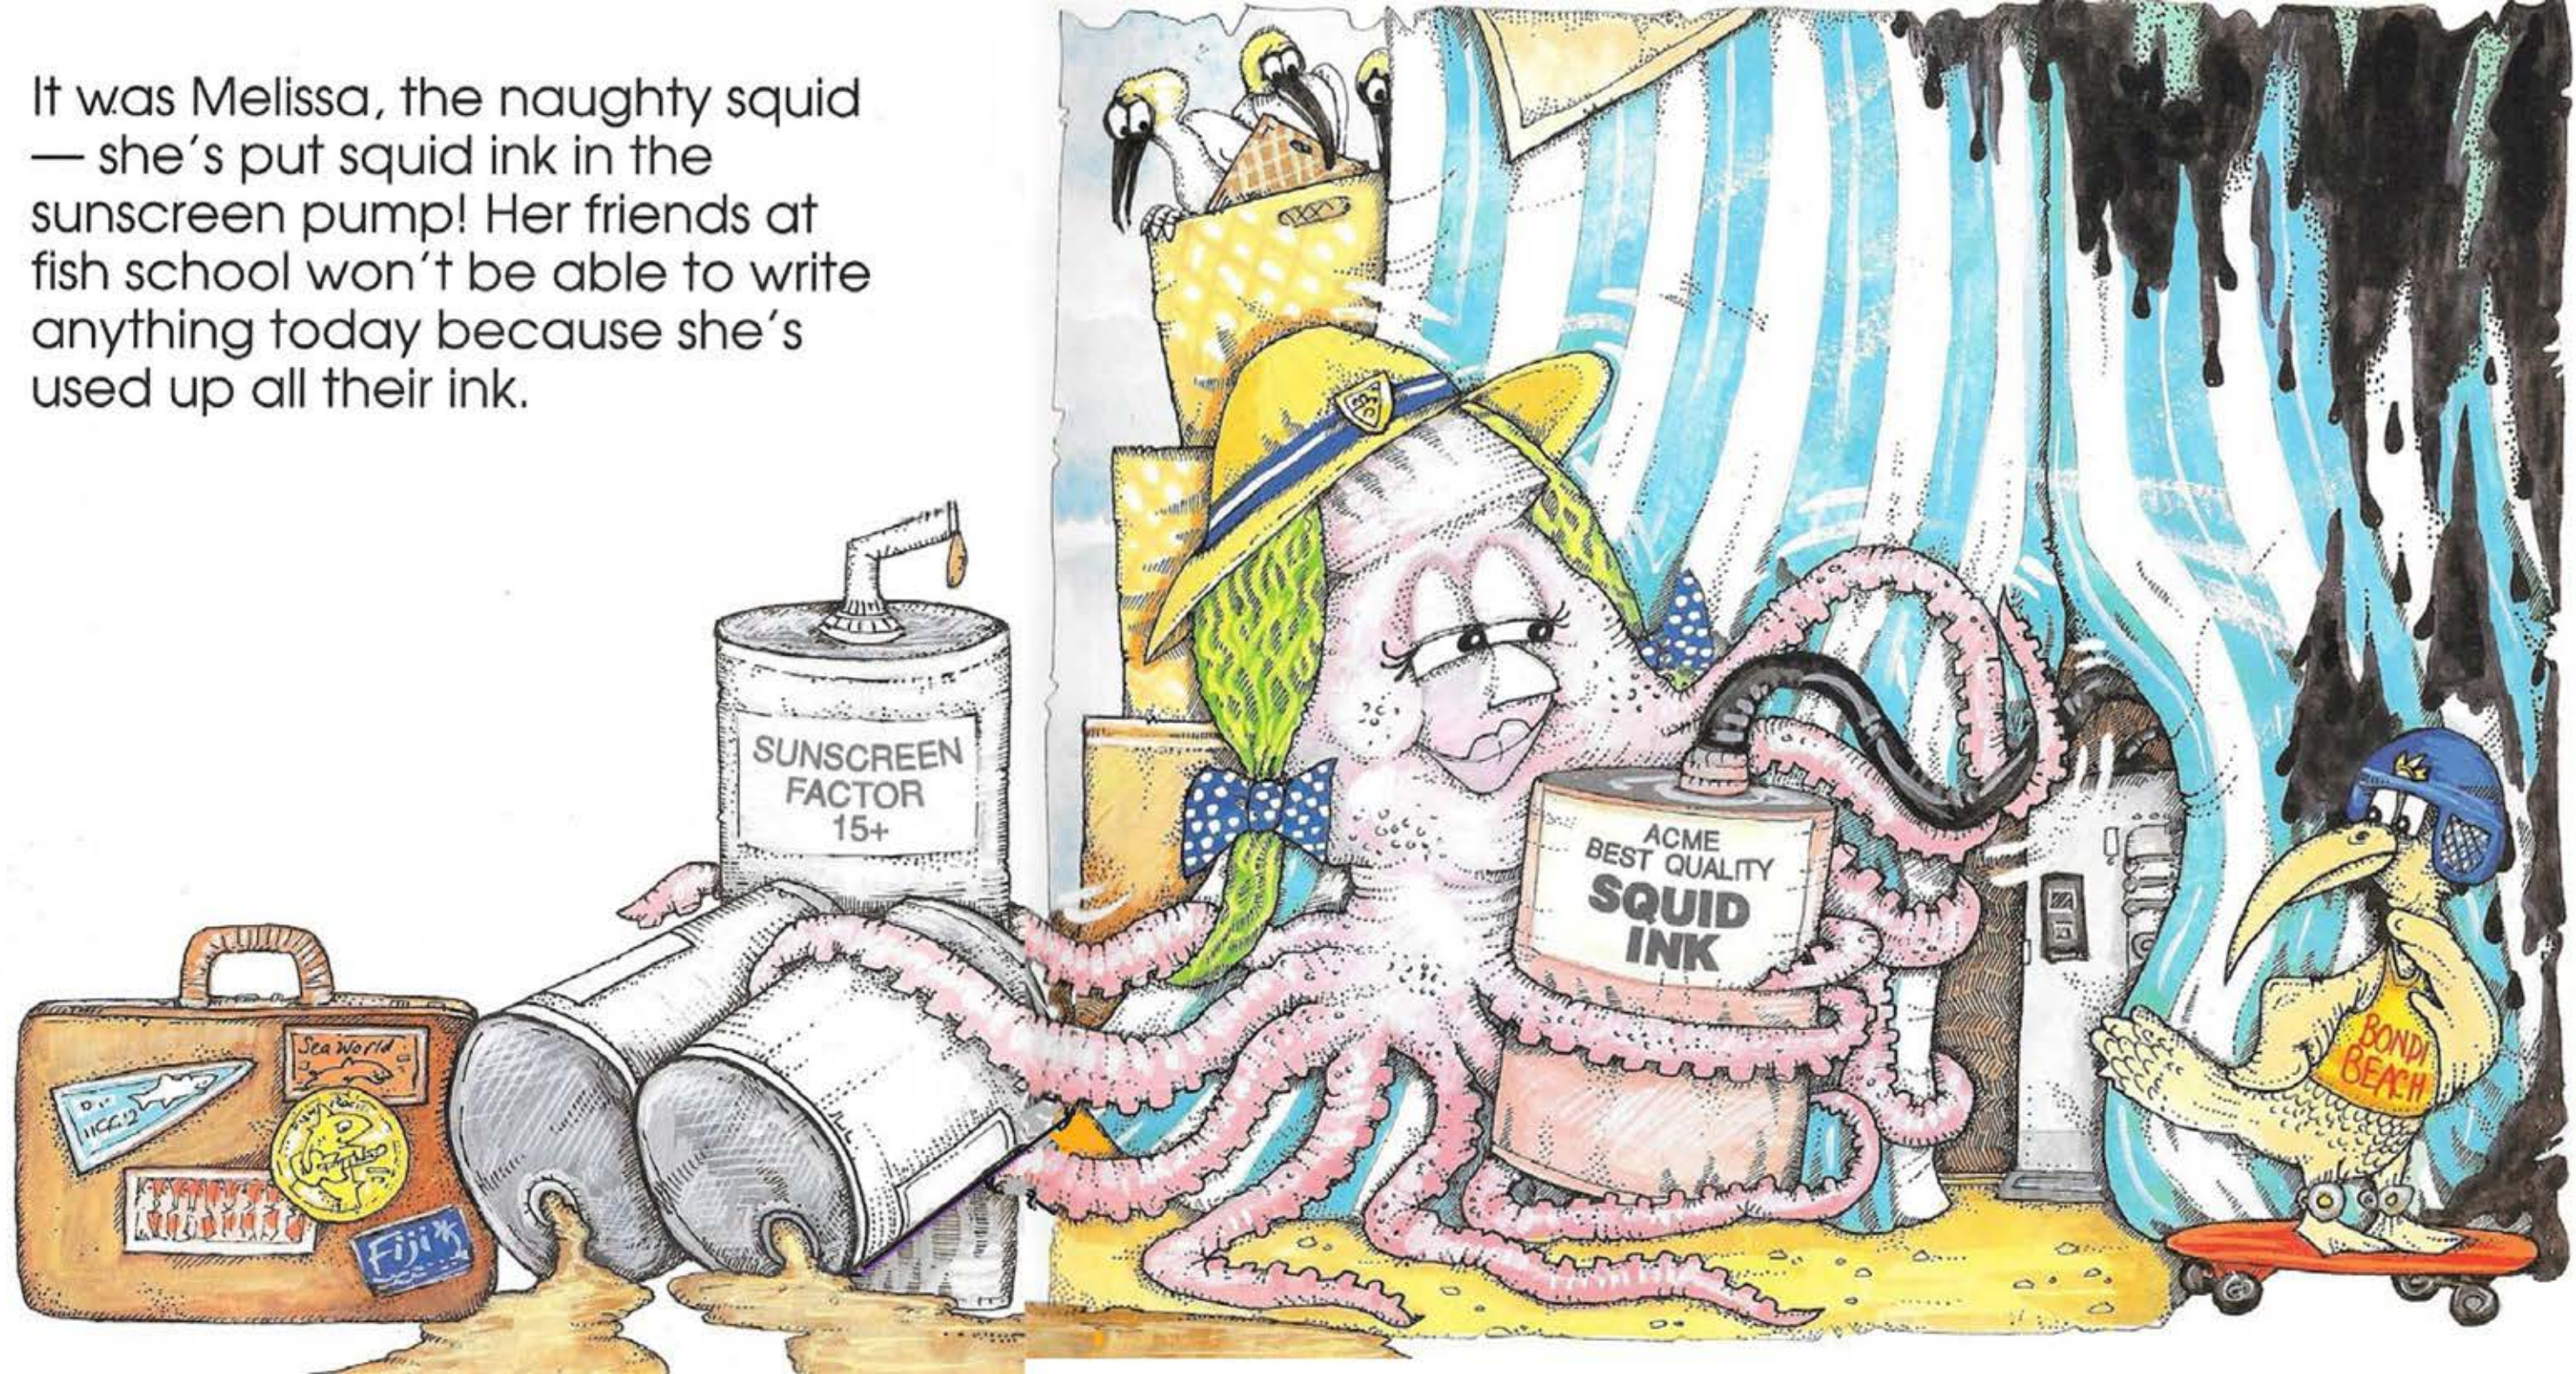

WHO DID IT?

CLUE Someone slippery who wears seaweed pigtails and is **always** late for class.

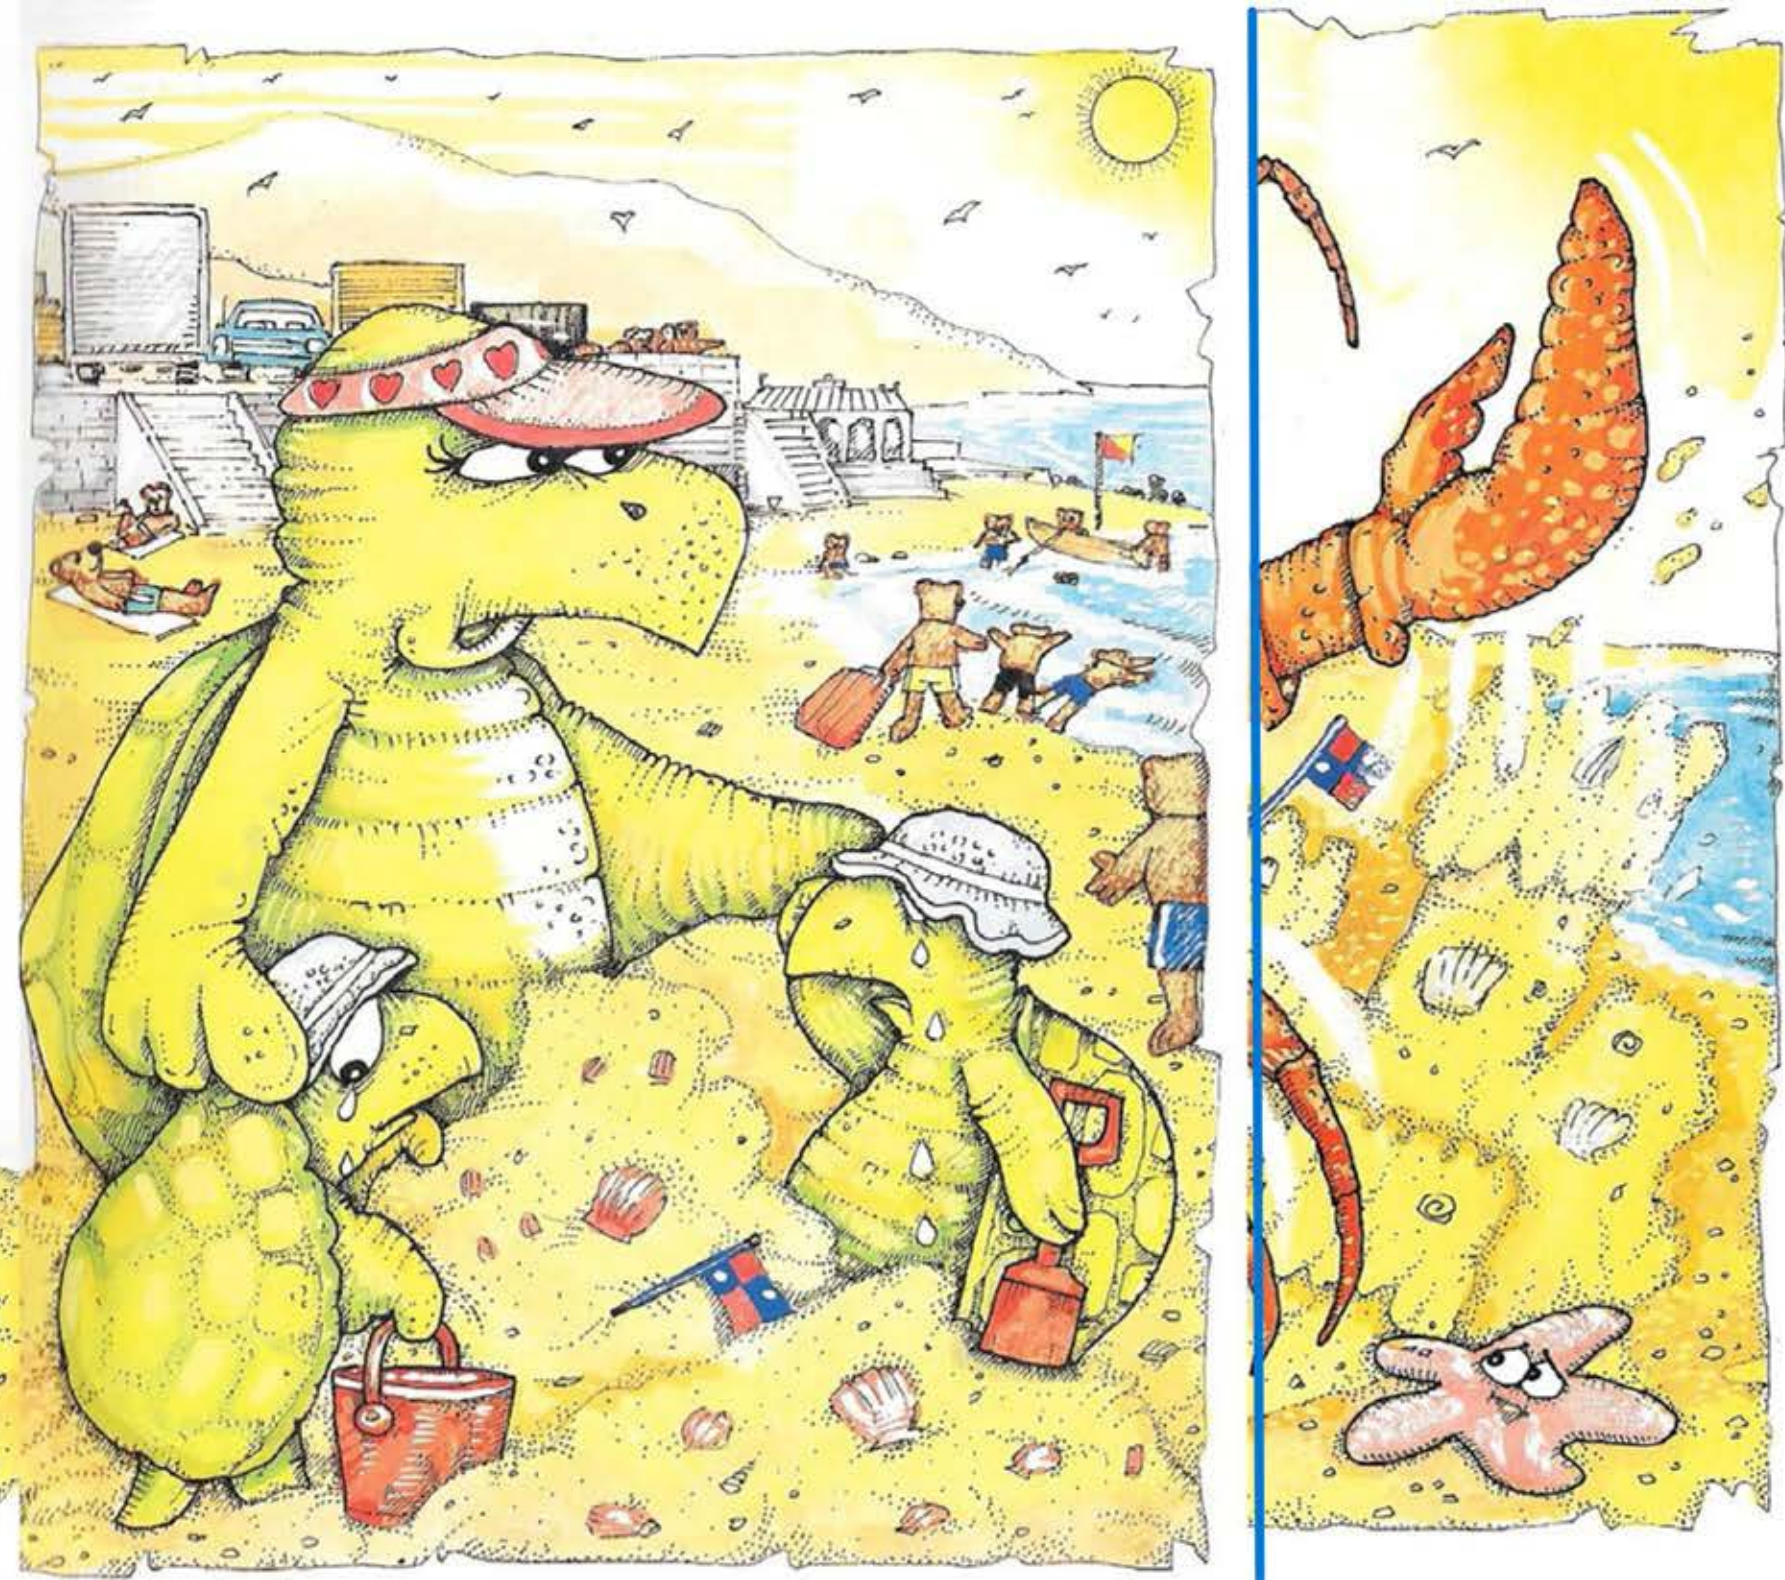

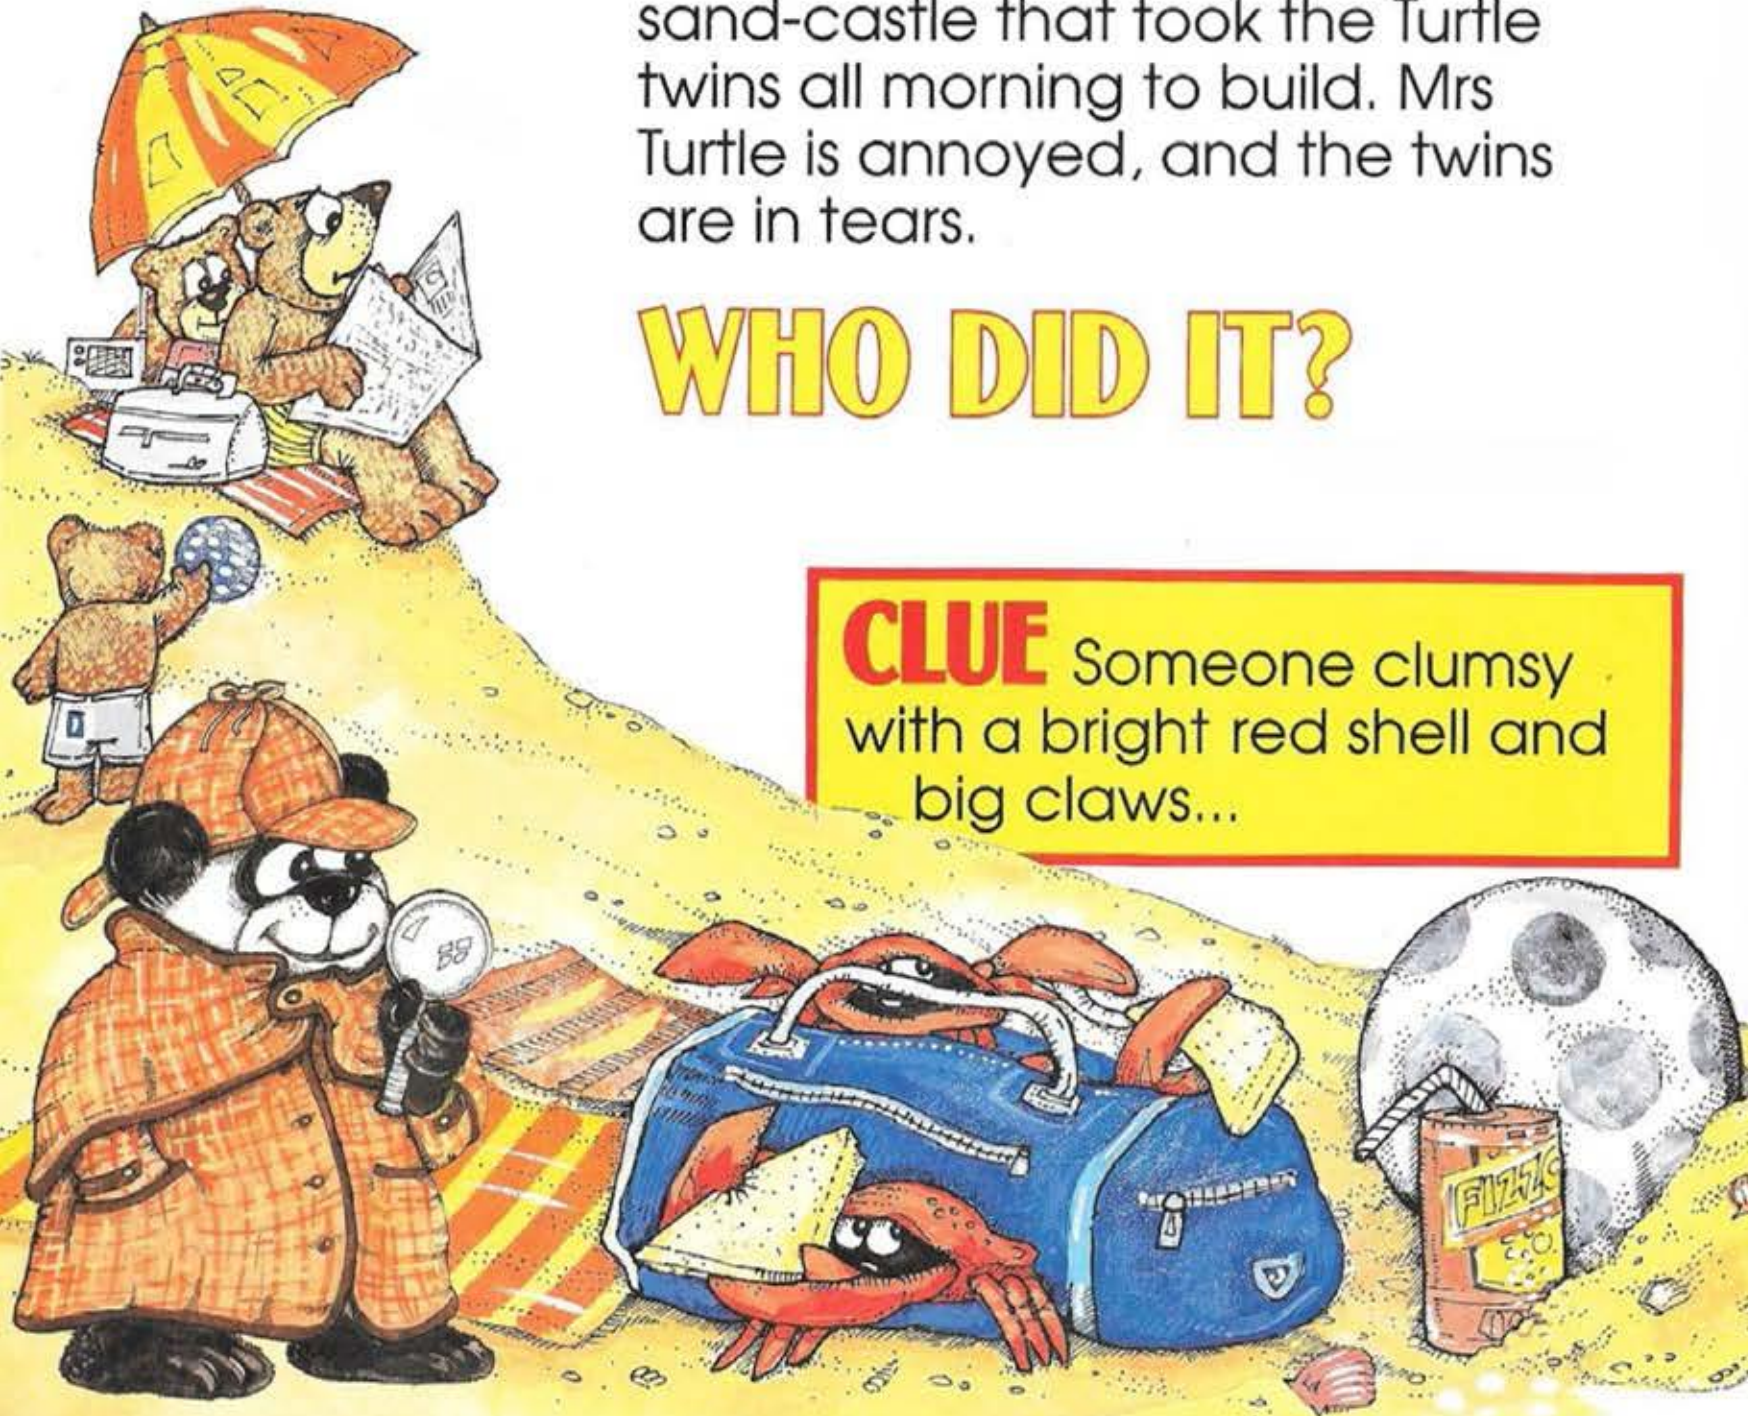

It was Melissa, the naughty squid — she's put squid ink in the sunscreen pump! Her friends at fish school won't be able to write anything today because she's used up all their ink.

Someone flattened the beautiful sand-castle that took the Turtle twins all morning to build. Mrs Turtle is annoyed, and the twins are in tears.

WHO DID IT?

CLUE Someone clumsy with a bright red shell and big claws...

It was Justin de Bere, the famous actor, in his lobster costume. He was making a seafood commercial when he tripped over his tail.

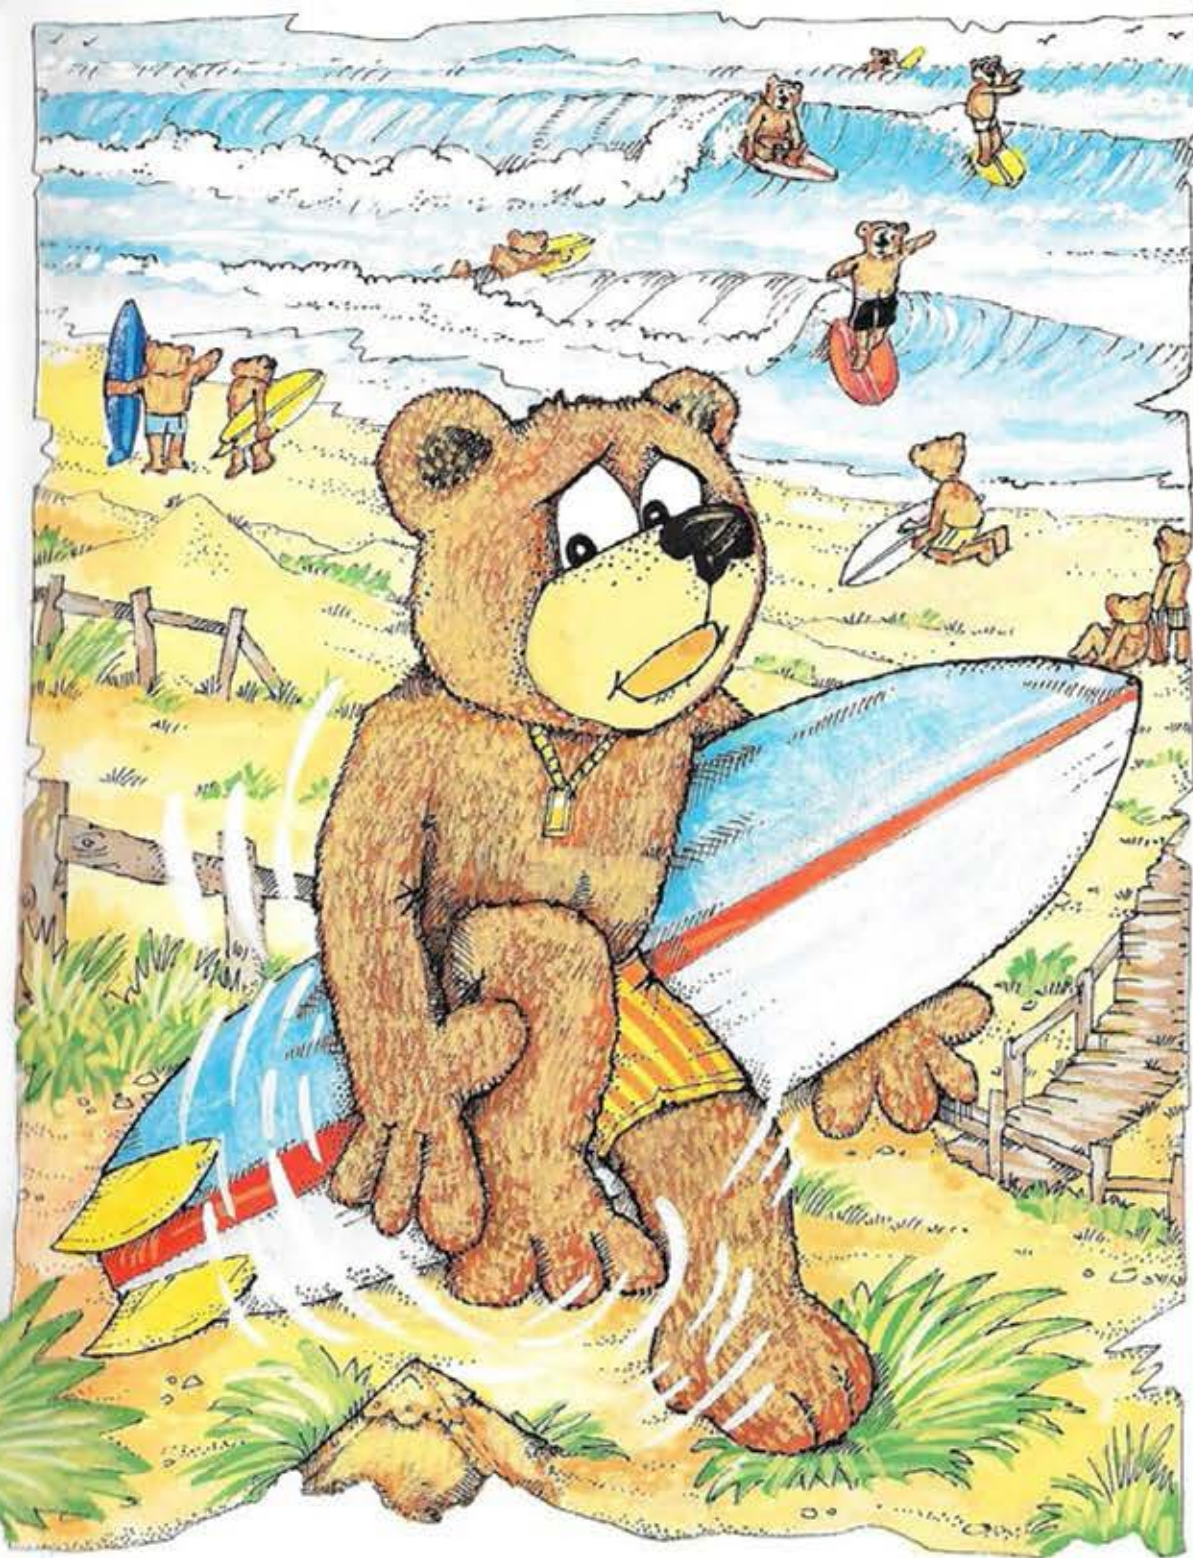

SHIPWRECK
BAY
Surf Club

Someone buried a wooden box in the sand-dunes. Digby, the surfer, stubbed his paw on a corner poking through the sand. Ouch!

Detective Bear and Sherlock Panda know who did it —

DO YOU?

CLUE Someone who wears an eye-patch and a big hat and carries a shovel...

It was Captain Grizzly, the dreaded pirate. He hid his treasure-chest here 200 years ago, but lost his map and hasn't been back since!
